PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON FRIDAY, JUNE 28, 2019**

We are furnishing this proxy statement to the stockholders of record of Plymouth Industrial REIT, Inc. as of April 15, 2019 in connection with the solicitation of proxies by its Board of Directors for use at the Annual Meeting of Stockholders of Plymouth Industrial REIT, Inc. to be held at 11:00 a.m., Eastern time, on Friday, June 28, 2019 at 260 Franklin Street, 7th Floor, Boston, Massachusetts 02110, as well as in connection with any adjournments or postponements of the meeting. This solicitation is made by Plymouth Industrial REIT, Inc. on behalf of our Board of Directors (also referred to as the “Board” in this proxy statement). “We,” “our,” “us” and the “Company” refer to Plymouth Industrial REIT, Inc., a Maryland corporation.

Our proxy statement and accompanying proxy card are first being mailed to stockholders on or about May 7, 2019. This proxy statement, proxy card and our annual report to stockholders are available at www.plymouthreit.com. You are encouraged to access and review all of the important information contained in the proxy materials before voting.

QUESTIONS AND ANSWERS REGARDING THE 2018 ANNUAL MEETING OF STOCKHOLDERS

Who is soliciting proxies from the stockholders?

Our Board of Directors is soliciting your proxy. The proxy provides you with the opportunity to vote on the proposals presented at the Annual Meeting, whether or not you attend the meeting.

What will be voted on at the Annual Meeting?

Our stockholders will vote on four proposals at the annual meeting:

1. The election of six directors, who are each to serve a one-year term expiring in 2020 or until his successor is elected and qualified;
2. The ratification of the appointment of Marcum LLP as our independent registered public accountants for 2019; and
3. Transact such other business as may properly come before the annual meeting or any adjournments thereof.

Your proxy will also give the proxy holders discretionary authority to vote the shares represented by the proxy on any matter, other than the above proposals, that is properly presented for action at the Annual Meeting.

How will we solicit proxies, and who bears the cost of proxy solicitation?

Our directors, officers and employees may solicit proxies by telephone, mail, facsimile, via the Internet or by overnight delivery service. These individuals do not receive separate compensation for these services. In accordance with SEC regulations, we will reimburse brokerage firms and other persons representing beneficial owners of our common stock for their reasonable expenses in forwarding solicitation materials to such beneficial owners.

Who can vote at the annual meeting?

Our Board of Directors has fixed the close of business on Monday, April 15, 2019, as the record date for our annual meeting. Only stockholders of record on that date are entitled to receive notice of and vote at the annual meeting. As of April 15, 2019, the only outstanding class of our securities entitled to vote at our annual meeting is our common stock, \$0.01 par value per share. On that date, we had 900,000,000 shares of common stock authorized, of which 5,258,187 shares were outstanding.

You (if you, rather than your broker, are the record holder of our stock) can vote either in person at the Annual Meeting or by proxy, whether or not you attend the Annual Meeting. If you would like to attend the Annual Meeting in person and need directions, please contact Anne A. Hayward by e-mail at anne.hayward@plymouthrei.com or by telephone at 617-340-3814. You may vote your shares on the Internet or, to the extent you request written proxy materials, by signing, dating and mailing the accompanying proxy card in the envelope provided. Instructions regarding the two methods of voting by proxy are contained on the Notice and the proxy card.

How many votes must be present to hold the annual meeting?

A “quorum” must be present to hold our annual meeting. The presence, in person or by proxy, of a majority of the votes entitled to be cast at the annual meeting constitutes a quorum. Your shares, once represented for any purpose at the annual meeting, are deemed present for purposes of determining a quorum for the remainder of the meeting and for any adjournment, unless a new record date is set for the adjourned meeting. This is true even if you abstain from voting with respect to any matter brought before the annual meeting. As of April 15, 2019, we had 5,258,187 shares of common stock outstanding; thus, we anticipate that the quorum for our annual meeting will be 2,629,094 shares.

How many votes does a stockholder have per share?

Our stockholders are entitled to one vote for each share held.

What is the required vote on each proposal?

Directors are elected by a plurality vote; the candidates up for election who receive the highest number of votes cast, up to the number of directors to be elected, are elected. Stockholders do not have the right to cumulate their votes.

The proposal to ratify our appointment of Marcum LLP as our independent registered public accountants for 2019 is approved by our stockholders if the votes cast favoring the ratification exceed the votes cast opposing the ratification.

How will the proxy be voted, and how are votes counted?

If you vote by proxy (either by voting on the Internet or by properly completing and returning a paper proxy card that you receive upon requesting written proxy materials), the shares represented by your proxy will be voted at the annual meeting as you instruct, including at any adjournments or postponements of the meeting. If you return a signed proxy card but no voting instructions are given, the proxy holders will exercise their discretionary authority to vote the shares represented by the proxy at the Annual Meeting and any adjournments or postponements as follows:

1. “**FOR**” the election of nominees Martin Barber, Philip S. Cottone, Richard J. DeAgazio, David G. Gaw, Pendleton P. White, Jr. and Jeffrey E. Witherell.
2. “**FOR**” the ratification of the appointment of Marcum LLP as our independent registered public accountants for 2019.

With respect to any other matter that properly comes before the meeting or any adjournment or postponement thereof, the representatives holding proxies will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

If you hold your shares in broker's name (sometimes called "street name" or "nominee name"), you must provide voting instructions to your broker. If you do not provide instructions to your broker, your shares will not be voted in any matter on which your broker does not have discretionary authority to vote, which generally includes non-routine matters. A vote that is not cast for this reason is called a "broker non-vote". Broker non-votes will be treated as shares present for the purpose of determining whether a quorum is present at the meeting, but they will not be considered present for purposes of calculating the vote on a particular matter, nor will they be counted as a vote FOR or AGAINST a matter or as an abstention on the matter. Under the rules of the New York Stock Exchange and the NYSE American, which is the stock exchange on which our common stock is listed (together, the "NYSE"), the ratification of our appointment of our independent registered public accountants is considered a routine matter for broker voting purposes, but the election of directors is not considered a routine matter. It is important that you instruct your broker as to how you wish to have your shares voted, even if you wish to vote as recommended by the Board.

Can a proxy be revoked?

Yes. You can revoke your proxy at any time before it is voted. You revoke your proxy (1) by giving written notice to our Corporate Secretary, Pendleton P. White, Jr., before the annual meeting, (2) by granting a subsequent proxy on the Internet, or (3) by delivering a signed proxy card dated later than your previous proxy. If you, rather than your broker, are the record holder of your stock, a proxy can also be revoked by appearing in person and voting at the annual meeting. Written notice of the revocation of a proxy should be delivered to the following address: Plymouth Industrial REIT, Inc., 260 Franklin Street, 7th Floor, Boston, Massachusetts 02110, Attention: Pendleton P. White, Jr., Corporate Secretary.

PROPOSAL 1

ELECTION OF DIRECTORS

The following lists each director currently serving on our Board of Directors and includes a brief description of the experience, qualification and skills that led us to conclude that such individual should be and remain a member of our Board. We believe that our Board of Directors consists of a diverse collection of individuals who possess the integrity, education, work ethic and ability to work with others necessary to oversee our business effectively and to represent the interests of our stockholders, including the qualities listed below. We have attempted below to highlight certain notable experience qualifications and skills for each director, rather than provide an exhaustive catalog of each and every qualification and skill that a director possesses. Each of the nominees set forth below is currently serving as a director of the Company.

<u>Name</u>	<u>Age</u>	<u>Background, Qualification and Skills</u>
Martin Barber	74	Mr. Barber is one of our independent directors, a position he has held since February 2015. He has also served as a director of Steamroller Restaurants since 1999. From 1991 to 2004, Mr. Barber served as chairman of Transeuropean Properties 1 and 2, comprised of European real estate funds managed by the U.S. based Prudential Insurance Group. In 1974 Mr. Barber founded and assumed responsibility as CEO of Capital & Regional PLC, a British-based real estate investment fund which when he retired had approximately \$5 billion in assets under management in Great Britain. It was listed on the London Stock Exchange in 1986. It was unusual because approximately 60% of its assets were in the U.S. In 1996, the U.S. assets were separated from Capital & Regional, re-named CenterPoint Properties Trust and listed on the New York Stock Exchange. CenterPoint was the first industrial REIT in the U.S. and Mr. Barber served as its chairman and lead independent trustee until its \$3.4 billion sale in April, 2006. He retired from Capital & Regional in 2006. Mr. Barber also currently serves as an independent director for Applied Residential, a provider of creative lease-purchase financing structures for the residential housing industry. Mr. Barber was selected as a director because of his extensive experience with real estate ownership and management and his experience with public REITs.

He previously served as one of our independent directors and chairman of the compensation committee from November 2011 until September 2016. He is an attorney by background and has been an arbitrator since 1977 as well as a mediator since 1995 for FINRA, the American Arbitration Association, and the Counselors of Real Estate, primarily concentrating in securities, real estate and general commercial matters. For six years, through 2015, he was an officer of the governing Council of the ABA Dispute Resolution Section, a member of the Faculty of the Annual Arbitration and Mediation Institutes, and Co-Chair of the Arbitration Institute in 2016 and 2017. From 2003 to 2008, Mr. Cottone was a member of the Board of Government Properties Trust (NYSE – GPT) and Chair of the Nominating and Governance Committee, and from 2004 to 2009 he was a Lead Director of Boston Capital REIT, a public, non-traded REIT. In 1981, Mr. Cottone co-founded Ascott Investment Corporation, a real estate investment, development and syndication company, and as Chairman and CEO, and founder and President of its NASD broker-dealer, he headed a staff of 65 people in the acquisition, management, capital raising and sale of more than thirty real estate programs in fourteen states. From 1972 to 1981, Mr. Cottone was Senior Real Estate officer and Group Executive of IU International (NYSE – IU), a \$2 billion Fortune 100 company, and previously, from 1966 to 1972, he was Manager of Real Estate at the Port of NY Authority, where, among other things, he was responsible for the acquisition of the World Trade Center property in Manhattan. From 1977 through 1983, and again from 1998 through 2002, he was General Counsel and member of the Executive Committee of the International Right of Way Association, and from 1988 to 1997 he was Trustee and Treasurer of the IRWA Foundation. In 1988 he was national President of RESSI, the Real Estate Securities and Syndication Institute, and in 2004 he was national Chair of The Counselors of Real Estate, both divisions of the National Association of Realtors. From 198 to 1991 he was Governor of the NASD (National Association of Securities Dealers), the predecessor to FINRA, and was Vice Chairman in 1991. For ten years, from 1995 to 2005, he was an adjunct on the faculty of the Real Estate Institute at New York University, teaching a course he wrote in real estate securities. Mr. Cottone has an A.B. from Columbia College where he was awarded the Burdette Kinne Prize for Humanities, and an L.L.B. from New York University where he received the Administrative Law Prize. Mr. Cottone was selected as a director because of his extensive investment and finance experience, board service and corporate governance experience.

Name	Age	Background, Qualification and Skills
Richard J. DeAgazio	74	<p>Richard J. DeAgazio has been one of our independent directors since the completion of our initial listed public offering. He also served on the FINRA State Liaison Committee, the Direct Participation Program Committee and as Chairman of the Nominating Committee. He is a founder and past President of the National Real Estate Investment Association. He is past President of the National Real Estate Securities and Syndication Institute and past President of the Real Estate Securities and Syndication Institute (MA Chapter). Prior to joining Boston Capital in 1981, Mr. DeAgazio was the Senior Vice President and Director of the Brokerage Division of Dresdner Securities (USA), Inc., an international investment-banking firm owned by four major European banks, and was a Vice President of Burgess & Leith/Advest. Each of the persons listed above has been nominated by our Board of Directors to serve as directors for a one-year term expiring at the annual meeting of stockholders occurring in 2020. Each nominee has consented to serve on our Board of Directors. If any nominee were to become unavailable to serve as a director, our Board of Directors may designate a substitute nominee. In that case, the persons named as proxies on the accompanying proxy card will vote for the substitute nominee designated by our Board of Directors.

Required Vote

Directors are elected by a plurality vote; the nominees who receive the highest number of votes cast, up to the number of directors to be elected in that class, are elected.

Our Board of Directors unanimously recommends a vote “FOR” the election of each of the six nominees for director to the Board of Directors.

CORPORATE GOVERNANCE

Corporate Governance Profile

We have structured our corporate governance in a manner we believe closely aligns our interests with those of our stockholders. Notable features of our corporate governance structure include the following:

- our board of directors is not classified, instead, each of our directors is subject to re-election annually; of the six persons who serve on our board of directors, four, or 67%, of our directors satisfy the listing standards for independence of the NYSE American and Rule 10A-3 under the Exchange Act;
- one of our directors qualifies as an “audit committee financial expert” as defined by the SEC;
- we have opted out of the business combination and control share acquisition statutes in the Maryland General Corporation Law; and
- we do not have a stockholder rights plan.

Our directors stay informed about our business by attending meetings of our board of directors and its committees and through supplemental reports and communications. As warranted, our independent directors meet in executive sessions without the presence of our corporate officers or non-independent directors.

Board Leadership Structure

Our Board of Directors currently consists of six members: Martin Barber, Philip S. Cottone, Richard J. DeAgazio, David G. Gaw, Pendleton P. White, Jr. and Jeffrey E. Witherell. Assuming that all of our nominees for director are elected, after the annual meeting there will be six directors, each of whom will have been elected for a one-year term. Our Board has determined that each of Martin Barber, Philip S. Cottone, Richard J. DeAgazio, and David G. Gaw is an “independent director” as defined under the listing rules of the NYSE, Rule 10A-3 under the Exchange Act and the Company’s Corporate Governance Guidelines.

The Board considered the relationships between our directors and the Company when determining each director’s status as an “independent director under the listing rules of the NYSE, Rule 10A-3 of the Exchange Act and the Company’s Corporate Governance Guidelines, including the relationships listed below under “Certain Relationships and Related Party Transactions.” The Board determined that these relationships did not affect any director’s status as an “independent director.” Furthermore, we are not aware of any family relationships between any director, executive officer or person nominated to become a director or executive officer.

Jeffrey E. Witherell, our Chief Executive Officer, serves as Chairman of the Board of the Company. We have chosen a Board leadership structure with Mr. Witherell serving as our Chairman because we believe this structure results in a single voice speaking for the Company and presents a unified and clear chain of command to execute our strategic initiatives and business plans. Also, the Chairman of the Board manages the Board in performing its duties and leads Board discussions. As our Chief Executive Officer, Mr. Witherell is ideally positioned to provide insight on the current status of our overall operations, our future plans and prospects and the risks that we face. Thus, the individual with the most knowledge about us and our operations is responsible for leading the Board’s discussions. The Board retains the authority to separate the positions of chairman and chief executive officer if it finds that the Board’s responsibilities can be better fulfilled with a different structure.

Role of the Board in Risk Oversight

One of the key functions of our Board of Directors is informed oversight of our risk management process. Our Board of Directors administers this oversight function directly, with support from its three standing committees, the audit committee, the nominating and corporate governance committee and the compensation committee, each of which addresses risks specific to their respective areas of oversight. In particular, our audit committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken and will take to monitor and control these exposures, including, setting guidelines and policies to govern the process by which risk assessment and management is undertaken. The audit committee also monitors compliance with legal and regulatory requirements in addition to oversight of the performance of our system of internal controls and reporting. Our nominating and corporate governance committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our compensation committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

Our Board held 25 meetings in 2018. In 2018, our directors attended all of our Board meetings as well as all of the meetings of the committees on which they served.

Board Committees

Our Board of Directors has established three standing committees: an audit committee, a compensation committee and a nominating and corporate governance committee. The principal functions of each committee are briefly described below. We comply with the listing requirements and other rules and regulations of the NYSE, as amended or modified from time to time, and each of these committees is comprised exclusively of independent directors. Additionally, our Board of Directors may from time to time establish certain other committees to facilitate the management of our Company.

Audit Committee

Our Audit Committee consists of Messrs. Cottone, DeAgazio and Gaw, with Mr. Gaw serving as chairman. The chairman of our Audit Committee qualifies as an “audit committee financial expert” as that term is defined by the applicable SEC regulations and NYSE corporate governance listing standards. Our Board of Directors has determined that each of the Audit Committee members is “financially literate” as that term is defined by the NYSE corporate governance listing standards. We have adopted an audit committee charter, which details the principal functions of the Audit Committee, including oversight related to:

- our accounting and financial reporting processes;
- the integrity of our consolidated financial statements and financial reporting process;
- our systems of disclosure controls and procedures and internal control over financial reporting;
- our compliance with financial, legal and regulatory requirements;
- the evaluation of the qualifications, independence and performance of our independent registered public accounting firm; and
- our overall risk profile.

Code of Ethics and Business Conduct

Our Board of Directors has established a Code of Ethics and Business Conduct that applies to our officers, directors and employees. Among other matters, our Code of Ethics and Business Conduct is designed to deter wrongdoing and to promote:

- compliance with laws, rules and regulations;
- prompt internal reporting of violations of the code to appropriate persons identified in the code; and
- accountability for adherence to the code of business conduct and ethics.

Any waiver of the Code of Ethics and Business Conduct for our executive officers or directors must be approved by a majority of our independent directors, and any such waiver shall promptly disclosed as required by law or NYSE Regulations. Our Code of Ethics and Business Conduct, which is posted on our website, is a “code of ethics,” as defined in Item 406(b) of Regulation S-K. The information contained on, or accessible from, our website is not part of this proxy statement by reference or otherwise. We will make any legally required disclosures regarding amendments to, or waivers of, provisions of our Code of Ethics and Business Conduct on our website.

PROPOSAL 2
RATIFICATION OF THE APPOINTMENT OF MARCUM LLP AS OUR INDEPENDENT
REGISTERED PUBLIC ACCOUNTANTS FOR 2019

General

We are asking our stockholders to ratify the selection of Marcum as our independent registered public accountants for 2019. Although current law, rules and regulations, as well as the charter of the Audit Committee, require the Audit Committee to engage, retain and supervise our independent registered public accountants, we view the selection of the independent registered public accountants as an important matter of stockholder concern and thus are submitting the selection of Marcum for ratification by stockholders as a matter of good corporate practice.

The Audit Committee has appointed Marcum to serve as our independent registered public accountants for the 2019 fiscal year. A representative of Marcum is expected to attend the annual meeting. If present, the representative will have the opportunity to make a statement and will be available to respond to appropriate questions. Marcum has served as our independent registered public accountants and audited our financial statements since 2013.

Principal Accounting Fees and Services

The following table sets forth the aggregate fees and expenses billed to us by Marcum LLP for fiscal years 2017 and 2018:

	<u>2017</u>	<u>2018</u>
Audit Fees	\$ 430,561	\$ 385,033
Audit-Related Fees	451,177	179,673
Tax Fees	264,146	302,065
All Other Fees	20,624	—
Total	<u>\$ 1,166,508</u>	<u>\$ 866,771</u>

Audit Fees are for professional services for our annual audit, including the audit of internal control over financial reporting for fiscal years 2017 and 2018, reviews of the interim financial statements included in our quarterly reports on Form 10-Q, and other professional services provided in connection with statutory and regulatory filings or engagements. Audit-related fees in fiscal years 2017 and 2018 are for professional services associated with acquisition activities and SEC filings that include pro forma financial statements of acquired entities and services provided in connection with our public offerings in fiscal years 2017 and 2018.

The Audit Committee maintains policies and procedures for the pre-approval of work performed by the independent auditors in that under the Audit Committee charter, all auditor engagements must be approved in advance by the Audit Committee. All of the services provided to the Company by Marcum during fiscal years 2017 and 2018 were pre-approved by the Audit Committee.

Required Vote

The affirmative vote by a majority of the votes cast at the annual meeting is required for the ratification of the appointment of Marcum as our independent registered public accountants. Abstentions will not affect this proposal. If our stockholders fail to ratify this appointment, the Audit Committee will reconsider whether to retain Marcum and may retain that firm or another firm without resubmitting the matter to our stockholders. Even if the appointment is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accountant at any time during the year if it determines that such change would be in the best interests of the Company and our stockholders.

Our Board of Directors unanimously recommends a vote “FOR” the ratification of Marcum LLP as our independent registered public accountants for 2019.

REPORT OF THE AUDIT COMMITTEE

The information provided in this section shall not be deemed to be “soliciting material” or to be “filed” with the SEC or subject to its proxy regulations or to the liabilities of Section 18 of the Exchange Act. The information provided in this section shall not be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act.

The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the preparation, consistency and fair presentation of the financial statements, the accounting and financial reporting process, the systems of internal control, and the procedures designed to ensure compliance with accounting standards, applicable laws and regulations. Management is also responsible for its assessment of the design and effectiveness of our internal control over financial reporting. Our independent registered public accountants are responsible for performing an audit in accordance with the standards of the Public Company Accounting Oversight Board (United States), or PCAOB, to obtain reasonable assurance that our consolidated financial statements are free from material misstatement and expressing an opinion on the conformity of the financial statements of the Company with U.S. generally accepted accounting principles.

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements of the Company for the year ended December 31, 2018 and management’s assessment of the design and effectiveness of our internal control over financial reporting as of December 31, 2018. The discussion addressed the quality, and not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The committee reviewed and discussed with the independent public accountants their judgments as to the quality of our accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards including, without limitation, the matters required to be discussed by PCAOB Auditing Standard No. 16. In addition, the committee received the written disclosures and the letter from the independent registered public accountants required by applicable requirements of the PCAOB regarding the independent registered public accountants’ communications with the Audit Committee concerning independence, discussed with the independent registered public accountants their independence from management and the Company, and considered the compatibility of non-audit services with the auditors’ independence.

The committee discussed with our independent registered public accountants the overall scope and plans for their respective audits. The committee met with the independent registered public accountants, with and without management present, to discuss the results of their examinations, their evaluations of our internal controls, and the overall quality of the Company’s financial reporting.

In reliance upon the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in our annual report to stockholders for filing with the SEC.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including with respect to auditor independence. Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent registered public accounting firm. Accordingly, the Audit Committee’s oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee’s considerations and discussions referred to above do not assure that the audit of the Company’s financial statements has been carried out in accordance with the standards of the PCAOB, that the financial statements are presented in accordance with generally accepted accounting principles or that Marcum LLP is in fact “independent”.

As of April 15, 2019, we had 120 holders of record of our common stock. The following table sets forth certain information regarding the ownership of shares of our common stock as of April 15, 2019 by:

- each of our directors;
- each of our named executive officers;

In computing the number of shares beneficially owned by a person and the percentage ownership of that person, our common stock subject to options or other rights (as set forth above) held by that person that are currently exercisable or will become exercisable within 60 days thereafter, are deemed outstanding, while such shares are not deemed outstanding for purposes of computing percentage ownership of any other person.

Unless otherwise indicated, all shares are owned directly, and the indicated person has sole voting and investment power. Except as indicated in the footnotes to the table below, the business address of the stockholders listed below is the address of our principal executive office, 260 Franklin Street, 7th Floor, Boston, Massachusetts 02110. As of April 15, 2019, we had 5,258,187 shares of common stock outstanding.

EXECUTIVE COMPENSATION

Executive Compensation Objectives

We believe that the compensation of our executive officers aligns their interests with those of the stockholders in a way that encourages prudent decision-making, links compensation to our overall performance, provides a competitive level of total compensation necessary to attract and retain talented and experienced executive officers and motivates the executive officers and directors to contribute to our success. All of our executive officers are eligible to receive performance-based compensation under the 2014 Incentive Award Plan.

We use restricted stock grants as the primary means of delivering long-term compensation to our executive officers. Shares of restricted stock are shares of our common stock that are forfeitable until the lapse of the applicable restrictions. We believe that restricted stock grants with long vesting periods align the interests of executive officers and stockholders and provide strong incentives to our executive officers to achieve long-term growth in our business, grow the value of our common stock and maintain or increase our dividends. The executive officers personally benefit from these efforts through their restricted stock awards, which receive dividends at the same rate as unrestricted common stock and increase in value as the value of our common stock increases. As such, the Company's executive officers essentially have to earn this equity compensation twice: the first time through their efforts to meet the initial performance criteria necessary for a grant of restricted stock to be made; and the second time by continued service throughout the at-risk vesting period.

Our Compensation Committee determines the restrictions for each award granted pursuant to the 2014 Incentive Award Plan and the purchase price in the case of restricted stock. Restrictions on the restricted stock may include time-based restrictions, the achievement of specific performance goals or the occurrence of a specific event. Vesting of restricted stock will generally be subject to cliff vesting periods ranging from three to eight years and will be conditioned upon the participant's continued employment, among other restrictions that may apply. If the performance goals are not achieved or the time-based restrictions do not lapse within the time period provided in the award agreement, the participant will forfeit his or her restricted stock. The Company prohibits the hedging of Company securities by its executive officers and directors. None of the executive officers or directors has entered into any hedging arrangements with respect to the Company's securities. In addition, restricted stock may not be sold, assigned, pledged or otherwise transferred.

Determination of Executive Compensation

The Board established the Compensation Committee to carry out the Board's responsibilities to administer our compensation programs. The Compensation Committee has the final decision-making authority for the compensation of our executive officers. The Compensation Committee operates under a written charter adopted by the Compensation Committee and approved by the Board. The charter is available in the investor relations section of our website (www.plymouthreit.com).

Our Compensation Committee has independent authority to engage outside consultants and obtain input from external advisers as well as our management team or other employees.

The Compensation Committee may retain any independent counsel, experts or advisors that it believes to be desirable and appropriate. The Compensation Committee may also use the services of the Company's regular legal counsel or other advisors to the Company. The Compensation Committee undertakes an independent assessment prior to retaining or otherwise selecting any independent counsel, compensation consultant, search firm, expert or other advisor that will provide advice to it, taking such factors into account and as otherwise may be required by the NYSE from time to time. The Compensation Committee did not engage a compensation consultant in fiscal year 2018.

Our Chief Executive Officer typically attends Compensation Committee meetings, except for executive sessions (unless specifically requested by the Compensation Committee to be present). No executive officer attends an executive session at which his or her compensation is considered. Our Chief Executive Officer may provide recommendations with respect to compensation for the executive officers other than himself. The Compensation Committee considers these recommendations, but may approve, reject or adjust them as it deems appropriate.

Compensation Components

Our compensation program consists of three elements:

Base Salary

Each of our named executive officers has an employment agreement that establishes their base salary. Adjustments to base salary are determined by the Compensation Committee and are based upon a review of a variety of factors, including the following:

- individual and Company performance, measured against quantitative and qualitative goals, such as growth, asset quality and other matters;
- duties and responsibilities as well as the named executive officer's experience; and
- the types and amount of each element of compensation to be paid to the named executive officer.

Equity Awards

We have adopted the 2014 Incentive Award Plan under which awards may be made in the form of restricted stock or cash. The purposes of the 2014 Incentive Award Plan are to attract and retain qualified persons upon whom, in large measure, our sustained progress, growth and profitability depend, to motivate the participants to achieve long-term Company goals and to more closely align the participants' interests with those of our other stockholders by providing them with a proprietary interest in our growth and performance. Our executive officers, officers, employees, consultants and non-employee directors are eligible to participate in the 2014 Incentive Award Plan.

The 2014 Incentive Award Plan is administered by our Compensation Committee, which interprets the 2014 Incentive Award Plan and has broad discretion to select the eligible persons to whom awards will be granted, as well as the type, size and terms and conditions of each award, including the amount of cash or number of shares subject to awards and the expiration date of, and the vesting schedule or other restrictions (including, without limitation, restrictive covenants) applicable to, awards. However, during a calendar year, no participant may receive awards intended to comply with the performance-based compensation requirements of Section 162(m) of the Code, which exceed 100,000 shares of common stock.

Unless the 2014 Incentive Award Plan is earlier terminated by our Board of Directors, no incentive stock options may be granted after the date which is ten years following the effective date of the 2014 Incentive Plan; however, the 2014 Incentive Award Plan does not have a specific expiration and will otherwise continue in effect until terminated by the Board of Directors.

Additional Compensation Components

As we continue to formulate and implement our compensation program, we may provide different and/or additional compensation components, benefits and/or perquisites to our named executive officers, to ensure that we provide a balanced and comprehensive compensation structure. We believe that it is important to maintain flexibility to adapt our compensation structure as warranted to properly attract, motivate and retain the top executive talent for which we compete.

Executive Compensation Arrangements

In April 2017, we entered into employment agreements with the named executive officers of the Company. The following is a summary of the material terms of the employment agreements.

Under the employment agreements, Mr. Witherell serves as Chief Executive Officer of the Company, Mr. White serves as President and Chief Investment Officer of the Company, and Mr. Wright serves as Chief Financial Officer of the Company. Each reports directly to the Board. The initial term of the employment agreements will end in April 2020. On that date, and on each subsequent one-year anniversary of such date, the term of the employment agreements will automatically be extended for one year, unless earlier terminated. Pursuant to the employment agreements, during the terms of Messrs. Witherell's and White's employment, we will nominate each for election as a director.

Under the employment agreements, Messrs. Witherell, White and Wright receive initial annual base salaries in the amounts reflected in the “Summary Compensation Table” below, which are subject to increase at the discretion of our Compensation Committee. In addition, each of Messrs. Witherell, White and Wright will be eligible to receive an annual discretionary cash performance bonus targeted at 100% of the executive’s then-current annual base salary. The actual amount of any such bonuses will be determined by reference to the attainment of applicable company and/or individual performance objectives, as determined by our Compensation Committee. In connection with entering into the employment agreements and as described above, Messrs. Witherell, White and Wright were granted an award of restricted shares of our common stock. These restricted stock awards vest in four equal, annual installments on each of the first four anniversaries of the date of grant, subject to each executive’s continued service through the applicable vesting date. In addition, beginning in calendar year 2017 and for each calendar year thereafter, Messrs. Witherell, White and Wright will each be eligible to receive an annual equity award, as determined by our Compensation Committee in its sole discretion. Messrs. Witherell, White and Wright are also eligible to participate in customary health, welfare and fringe benefit plans, and, subject to certain restrictions, healthcare benefits will be provided to them and their eligible dependents at our sole expense. Each of Messrs. Witherell, White and Wright will accrue four weeks of paid vacation per year.

Pursuant to the terms of the employment agreements, if Mr. Witherell’s, Mr. White’s or Mr. Wright’s employment is terminated by the Company without “cause,” by the executive for “good reason” (each as defined in the applicable employment agreement) or because the Company elects not to renew the term of the employment agreement then, in addition to any accrued amounts, the executive will be entitled to receive the following:

- An amount, payable over a 12-month period, equal to (a) three times with respect to Mr. Witherell and (b) two times with respect to Messrs. White and Wright the sum of (1) the executive’s annual base salary then in effect, (2) the average annual bonus earned by the executive for the two prior fiscal years (substituting target bonus in the average for any fiscal year not yet completed if fewer than two fiscal years have been completed) and (3) the average value of any annual equity awards(s) made to the executive during the prior two fiscal years (excluding the initial grant of restricted stock described above, any award(s) granted pursuant to a multi-year, outperformance or long-term performance program and any other non-recurring awards), or if fewer than two years have elapsed, over such lesser number of years; and
- accelerated vesting of all outstanding equity awards held by the executive as of the termination date; and company-paid continuation healthcare coverage for 18 months after the termination date.

The executive’s right to receive the severance payments and benefits described above is subject to his delivery and non-revocation of an effective general release of claims in favor of the Company. The employment agreements also contain customary confidentiality and non-solicitation provisions.

Upon a termination of employment by reason of death or disability, the executive or his estate will be entitled to accelerated vesting of all outstanding equity awards held by the executive as of the termination date, in addition to any accrued amounts. In addition, upon a change in control of the Company (as defined in the 2014 Incentive Award Plan described below), Messrs. Witherell, White and Wright will be entitled to accelerated vesting of all outstanding equity awards held by such executive as of the date of the change in control. In addition, under the employment agreements, to the extent that any change in control payment or benefit would be subject to an excise tax imposed in connection with Section 4999 of the Internal Revenue Code, such payments and/or benefits may be subject to a “best pay cap” reduction to the extent necessary so that the executive receives the greater of the (a) net amount of the change in control payments and benefits reduced such that such payments and benefits will not be subject to the excise tax and (b) net amount of the change in control payments and benefits without such reduction.
