39.) **Cautionary Statement**

This presentation and other reports issued by the Company, including reports filed with the SEC, may contain "forward-looking" statements that deal with future results, plans or performance. In addition, TCF's management may make such statements orally to the media, or to securities analysts, investors or others. Forward-looking statements deal with matters that do not relate strictly to historical facts. TCF's future results may differ materially from historical performance and forward-looking statements about TCF's expected financial results or other plans and are subject to a number of risks and uncertainties. These include but are not limited to possible legislative changes and adverse economic, business and competitive developments such as shrinking interest margins; deposit outflows; an inability to increase the number of checking accounts and the possibility that deposit account losses (fraudulent checks, etc.) may increase; reduced demand for financial services and loan and lease products; adverse developments affecting TCF's supermarket banking relationships or any of the supermarket chains in which TCF maintains supermarket branches; changes in accounting standards or interpretations of existing standards; monetary, fiscal or tax policies of the federal or state governments;

adverse findings in tax audits or regulatory examinations; changes in credit and other risks posed by TCF's loan, lease and investment portfolios, including declines in commercial or residential real estate values; imposition of vicarious liability on TCF as lessor in its leasing operations; denial of insurance coverage for claims made by TCF; technological, computer-related or operational difficulties or loss or theft of information; adverse changes in securities markets; and results of litigation, including reductions in card revenues resulting from litigation brought by various merchants or merchant organizations against Visa; or other significant uncertainties. Investors should consult TCF's Annual Report on Form 10-K, and Forms 10-Q and 8-K for additional important information about the Company.

Average tangible equity	\$ 816,279	\$ 776,861
Return on tangible equity (ROTE)	30.83%	34.66%

¹ In contrast to GAAP-basis measures, ROTTE excludes the after-tax effect of goodwill and deposit base intangible assets both in the income statement and balance sheet. This allows management to review core operating

results and core capital position of the Company. This is consistent with the treatment by bank regulatory agencies which exclude goodwill and deposit base intangible assets from their calculation of risk-based capital.
