## **Item 8.01 Other Events.**

In connection with the previously announced proposed merger of TCF Financial Corporation ("TCF") and Chemical Financial Corporation ("Chemical"), the Office of the Comptroller of the Currency has issued its approval of the merger of TCF National Bank and Chemical Bank. Completion of the merger of TCF and Chemical remains subject to future receipt of regulatory approval from the Board of Governors of the Federal Reserve System, as well as satisfaction of customary closing conditions, and is currently expected to be completed in the third quarter or early fourth quarter of 2019.

### **Cautionary Note Regarding Forward-Looking Statements**

Statements included in this report, which are not historical in nature are intended to be, and hereby are identified as, forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Words such as "will," "may," "anticipate," "create," "plan," "expect," "should," and "could" and variations of such words and similar expressions are intended to identify such forward-looking statements. Forward-looking statements are subject to risks, uncertainties and assumptions that are difficult to predict with regard to timing, extent, likelihood and degree of occurrence, which could cause actual results to differ materially from anticipated results. Such risks, uncertainties and assumptions, include, among others, the following:

- the failure to obtain the remaining requisite regulatory approvals when expected or at all (and the risk that such approvals may result in the imposition of conditions that could adversely affect the combined company or the expected benefits of the transaction);
- the occurrence of any event, change or other circumstances that could give rise to the right of one or both of the parties to terminate the merger agreement; and
- the outcome of any legal proceedings that may be instituted against Chemical or TCF.

Additional factors that could cause results to differ materially from those described above can be found in the risk factors described in Item 1A of each of Chemical's and TCF's Annual Report on Form 10-K filed with the SEC for the year ended December 31, 2018 and in the Joint Proxy Statement/Prospectus regarding the proposed merger that was filed with the SEC on May 3, 2019 pursuant to Rule 424 (b)(3) by Chemical and on Schedule 14A by TCF. Chemical and TCF disclaim any obligation to update or revise any forward-looking statements contained in this report, which speak only as of the date hereof, whether as a result of new information, future events or otherwise, except as required by law.
