Item 8. Exhibits. Reference is made to the attached Exhibit Index, which is incorporated by reference herein.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to the Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;
provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Section 2: EX-5.1 (EX-5.1)

25 June 2019

Argo Group International Holdings, Ltd.

Pembroke HM 08
Bermuda

Dear Sirs

Re: Argo Group International Holdings, Ltd (the “Company”)

We have acted as special Bermuda legal counsel to the Company in connection with a registration statement on form S-8 filed with the Securities and Exchange Commission (the “Commission”) on 25 June 2019 (the “Registration Statement”, which term does not include any other document or agreement whether or not specifically referred to therein or attached as an exhibit or schedule thereto) relating to the registration under the United States Securities Act of 1933, as amended, (the “Securities Act”) of 1,885,000 common shares, par value US$1.00 per share (the “Common Shares”), issuable pursuant to the 2019 Omnibus Incentive Plan (the “Plan”, which term does not include any other document or agreement whether or not specifically referred to therein or attached as an exhibit or schedule thereto).

For the purposes of giving this opinion, we have examined copies of the Registration Statement and the Plan. We have also reviewed the memorandum of association and the bye-laws of the Company, each certified by the Secretary of the Company on 24 June 2019, minutes of a meeting of the Human Resources Committee of the Board of Directors held on 18 February 2019 (the “Resolutions”) and such other documents and made such enquiries as to questions of law as we have deemed necessary in order to render the opinion set forth below.
We have assumed (a) the genuineness and authenticity of all signatures and the conformity to the originals of all copies (whether or not certified) of all documents examined by us and the authenticity and completeness of the originals from which such copies were taken; (b) that where a document has been examined by us in draft form, it will be or has been executed and/or filed in the form of that draft, and where a number of drafts of a document have been examined by us all changes thereto have been marked or otherwise drawn to our attention; (c) the accuracy and completeness of all factual representations made in the Registration Statement, the Plan and other documents reviewed by us; (d) that the Resolutions were passed at one or more duly convened, constituted and quorate meetings, or by unanimous written resolutions, remain in full force and effect and have not been rescinded or amended; (e) that there is no provision of the law of any jurisdiction, other than Bermuda, which would have any implication in relation to the opinions expressed herein; (f) that, upon the issue of any Common Shares, the Company will receive consideration for the full issue price thereof which shall be equal to at least the par value thereof; (g) that on the date of issuance of any of the Common Shares the Company will have sufficient authorised but unissued common shares; (h) that on the date of issuance of any award under the Plan, the Company will be able to pay its liabilities as they become due; and (i) that the Company’s shares will be listed on an appointed stock exchange, as defined in the Companies Act 1981, as amended, and the consent to the issue and free transfer of the Common Shares given by the Bermuda Monetary Authority on 1 June 2005 will not have been revoked or amended at the time of issuance of any Common Shares.

We express no opinion with respect to the issuance of shares pursuant to any provision of the Plan that purports to obligate the Company to issue shares following the commencement of a winding up or liquidation. We have made no investigation of and express no opinion in relation to the laws of any jurisdiction other than Bermuda. This opinion is to be governed by and construed in accordance with the laws of Bermuda and is limited to and is given on the basis of the current law and practice in Bermuda. This opinion is issued solely for the purposes of the filing of the Registration Statement and the issuance of the Common Shares by the Company pursuant to the Plan and is not to be relied upon in respect of any other matter.
On the basis of and subject to the foregoing, we are of the opinion that:

1. The Company is duly incorporated and existing under the laws of Bermuda in good standing (meaning solely that it has not failed to make any filing with any Bermuda government authority or to pay any Bermuda government fees or tax which would make it liable to be struck off the Register of Companies and thereby cease to exist under the laws of Bermuda).

2. When issued and paid for in accordance with the terms of the Plan, the Common Shares will be validly issued, fully paid and non-assessable (which term means when used herein that no further sums are required to be paid by the holders thereof in connection with the issue of such shares).

We consent to the filing of this opinion as an exhibit to the Registration Statement. In giving such consent, we do not hereby admit that we are experts within the meaning of Section 11 of the Securities Act or that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the Rules and Regulations of the Commission promulgated thereunder.

Yours faithfully,

Conyers Dill & Pearman Limited

Reference to a specific section of the Securities Act or regulation thereunder shall include such section or regulation, any valid regulation or interpretation promulgated under such section, and any comparable provision of any future legislation or regulation amending, supplementing or superseding such section or regulation.

2.40 “Share Reserve” has the meaning set forth in Section 4.1.

2.41 “Stock Appreciation Right” or “SAR” shall mean the right pursuant to an Award granted under Article VII.

2.42 “Stock Option” or “Option” means any option to purchase shares of Common Stock granted to Eligible Individuals granted pursuant to Article VI.

2.43 “Subsidiary” means any subsidiary corporation of the Company within the meaning of Section 424(f) of the Code.

2.44 “Ten Percent Shareholder” means a person owning stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company, its Subsidiaries or its Parent.

2.45 “Termination” means a Termination of Consultancy, Termination of Directorship or Termination of Employment, as applicable.

2.46 “Termination of Consultancy” means: (a) that the Consultant is no longer acting as a consultant to the Company or an Affiliate; or (b) when an entity which is retaining a Participant as a Consultant ceases to be an Affiliate unless the Participant otherwise is, or thereupon becomes, a Consultant to the Company or another Affiliate at the time the entity ceases to be an Affiliate. In the event that a Consultant becomes an Eligible Employee or a Non-Employee Director upon the termination of such Consultant’s consultancy, unless otherwise determined by the Committee, in its sole discretion, no Termination of Consultancy shall be deemed to occur until such time as such Consultant is no longer a Consultant, an Eligible Employee or a Non-Employee Director. Notwithstanding the foregoing, the Committee may otherwise define Termination of Consultancy in the Award Agreement or, if no rights of a Participant are reduced, may otherwise define Termination of Consultancy thereafter, provided that any such change to the definition of the term “Termination of Consultancy” does not subject the applicable Award to Section 409A of the Code.

2.47 “Termination of Directorship” means that the Non-Employee Director has ceased to be a director of the Company; except that if a Non-Employee Director becomes an Eligible Employee or a Consultant upon the termination of such Non-Employee Director’s directorship, unless otherwise determined by the Committee, in its sole discretion, such Non-Employee Director’s ceasing to be a director of the Company shall not be treated as a Termination of Directorship unless and until the Participant has a Termination of Employment or Termination of Consultancy, as the case may be.
2.48 “Termination of Employment” means: (a) a termination of employment (for reasons other than a military or personal leave of absence granted by the Company) of a Participant from the Company and its Affiliates; or (b) when an entity which is employing a Participant ceases to be an Affiliate, except as otherwise determined by the Committee, unless the Participant otherwise is, or thereupon becomes, employed by the Company or another Affiliate at the time the entity ceases to be an Affiliate. In the event that an Eligible Employee becomes a Consultant or a Non-Employee Director upon the termination of such Eligible Employee’s employment, unless otherwise determined by the Committee, in its sole discretion, no Termination of Employment shall be deemed to occur until such time as such Eligible Employee is no longer an Eligible Employee, a Consultant or a Non-Employee Director. Notwithstanding the foregoing, the Committee may otherwise define Termination of Employment in the Award Agreement or, if no rights of a Participant are reduced, may otherwise define Termination of Employment thereafter, provided that any such change to the definition of the term “Termination of Employment” does not subject the applicable Award to Section 409A of the Code.

2.49 “Transfer” means: (a) when used as a noun, any direct or indirect transfer, sale, assignment, pledge, hypothecation, encumbrance or other disposition (including the issuance of equity in any entity), whether for value or no value and whether voluntary or involuntary (including by operation of law), and (b) when used as a verb, to directly or indirectly transfer, sell, assign, pledge, encumber, charge, hypothecate or otherwise dispose of (including the issuance of equity in any entity) whether for value or for no value and whether voluntarily or involuntarily (including by operation of law). “Transferred” and “Transferable” shall have a correlative meaning.

ARTICLE III
ADMINISTRATION

3.1 The Committee. The Plan shall be administered and interpreted by the Committee. To the extent required by applicable law, rule or regulation, it is intended that each member of the Committee shall qualify as (a) a “non-employee director” under Rule 16b-3 and (b) an “independent director” under the rules of any national securities exchange or national securities association, as applicable. If it is later determined that one or more members of the Committee do not so qualify, actions taken by the Committee prior to such determination shall be valid despite such failure to qualify.

3.2 Grants of Awards. The Committee shall have full authority to grant, pursuant to the terms of the Plan, to Eligible Individuals: (i) Stock Options, (ii) Stock Appreciation Rights, (iii) Restricted Stock Awards, (iv) RSU Awards, (v) Performance Awards; (vi) Other Stock-Based Awards; and (vii) Other Cash-Based Awards. In particular, the Committee shall have the authority:

(a) to select the Eligible Individuals to whom Awards may from time to time be granted hereunder;

(b) to determine whether and to what extent Awards, or any combination thereof, are to be granted hereunder to one or more Eligible Individuals;

(c) to determine the number of shares of Common Stock to be covered by each Award granted hereunder;

(d) to determine the terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder (including the exercise or purchase price (if any), any restriction or limitation, any vesting schedule or acceleration thereof, or any forfeiture restrictions or waiver thereof, regarding any Award and the shares of Common Stock relating thereto, based on such factors, if any, as the Committee shall determine, in its sole discretion);
(e) to determine the amount of cash to be covered by each Award granted hereunder;

(f) to determine whether, to what extent and under what circumstances grants of Options and other Awards under the Plan are to operate on a tandem basis and in conjunction with or apart from other awards made by the Company outside of the Plan;

(g) to determine whether and under what circumstances a Stock Option or SAR may be settled in cash, Common Stock, Restricted Stock Awards or any combination thereof under Section 6.3(d);

(h) to determine whether a Stock Option is an Incentive Stock Option or Non-Qualified Stock Option;

(i) to determine whether to require a Participant, as a condition of the granting of any Award, to not sell or otherwise dispose of shares of Common Stock acquired pursuant to the exercise of an Award for a period of time as determined by the Committee, in its sole discretion, following the date of the acquisition of such Award;

(j) to modify, extend or renew an Award, subject to Article XIII and Sections 6.3(l) and 7.2(a), provided, however, that such action does not subject the Award to Section 409A of the Code without the consent of the Participant; and

(k) solely to the extent permitted by applicable law, to determine whether, to what extent and under what circumstances to provide loans (which may be on a recourse basis and shall bear interest at the rate the Committee shall provide) to Participants in order to exercise Options under the Plan.

3.3 Guidelines.

(a) Subject to Article XIII hereof, the Committee shall have the authority to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan and perform all acts, including the delegation of its responsibilities (to the extent permitted by applicable law and applicable stock exchange rules), as it shall, from time to time, deem advisable; to construe and interpret the terms and provisions of the Plan and any Award issued under the Plan (and any agreements relating thereto); and to otherwise supervise the administration of the Plan. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any agreement relating thereto in the manner and to the extent it shall deem necessary to effectuate the purpose and intent of the Plan. The Committee may adopt special guidelines and provisions for persons who are residing in or employed in, or subject to, the taxes of, any domestic or foreign jurisdictions to comply with applicable tax and securities laws of such domestic or foreign jurisdictions. No action of the Committee under this Section 3.3 shall materially impair the rights of any Participant without the Participant’s consent.
(b) To the extent applicable, the Plan is intended to comply with the applicable requirements of Rule 16b-3, and the Plan shall be limited, construed and interpreted in a manner so as to comply therewith.

3.4 Decisions Final. Any decision, interpretation or other action made or taken in good faith by or at the direction of the Company, the Board or the Committee (or any of its members) arising out of or in connection with the Plan shall be within the absolute discretion of all and each of them, as the case may be, and shall be final, binding and conclusive on the Company and all employees and Participants and their respective heirs, executors, administrators, successors and assigns.

3.5 Procedures. If the Committee is appointed, the Board shall designate one of the members of the Committee as chairman and the Committee shall hold meetings, subject to the Bye-Laws of the Company, at such times and places as it shall deem advisable, including by telephone conference or by written consent to the extent permitted by applicable law. A majority of the Committee members shall constitute a quorum. All determinations of the Committee shall be made by a majority of its members. Any decision or determination reduced to writing and signed by all of the Committee members in accordance with the Bye-Laws of the Company, shall be fully effective as if it had been made by a vote at a meeting duly called and held. The Committee shall keep minutes of its meetings and shall make such rules and regulations for the conduct of its business as it shall deem advisable.

3.6 Delegation of Authority. To the extent permitted by applicable law or the rules of any applicable securities exchange or automated quotation system on which the shares of Common Stock are listed, quoted or traded, the Board or Committee may from time to time delegate to a committee of one or more members of the Board or to the Chief Executive Officer the authority to grant or amend Awards or to take other administrative actions pursuant to this Article III; provided, however, that in no event shall the Chief Executive Officer be delegated the authority to grant Awards to, or amend Awards held by, the following individuals: (a) individuals who are subject to Section 16 of the Exchange Act, or (b) himself or herself; provided further, that any delegation of administrative authority shall only be permitted to the extent it is permissible under applicable securities laws or the rules of any securities exchange or automated quotation system on which the Shares are listed, quoted or traded. Any delegation hereunder shall be subject to the restrictions and limits that the Board or Committee specifies at the time of such delegation, and the Board may at any time rescind the authority so delegated or appoint a new delegatee. At all times, the delegatee appointed under this Section 3.6 shall serve in such capacity at the pleasure of the Board and the Committee.

3.7 Designation of Consultants/Liability.

(a) The Committee may designate employees of the Company and professional advisors to assist the Committee in the administration of the Plan and (to the extent permitted by applicable law and applicable exchange rules) may grant authority to officers to grant Awards and execute agreements or other documents on behalf of the Committee.
(b) The Committee may employ such legal counsel, consultants and agents as it may deem desirable for the administration of the Plan and may rely upon any opinion received from any such counsel or consultant and any computation received from any such consultant or agent. Expenses incurred by the Committee or the Board in the engagement of any such counsel, consultant or agent shall be paid by the Company. The Committee, its members and any person designated pursuant to sub-section (a) above shall not be liable for any action or determination made in good faith with respect to the Plan. To the maximum extent permitted by applicable law, no officer of the Company or member or former member of the Committee or of the Board shall be liable for any action or determination made in good faith with respect to the Plan or any Award granted under it.

3.8 Indemnification. To the maximum extent permitted by applicable law and the Certificate of Incorporation and Bye-Laws of the Company and to the extent not covered by insurance directly insuring such person, each officer or employee of the Company or any Affiliate and member or former member of the Committee or the Board shall be indemnified and held harmless by the Company against any cost or expense (including reasonable fees of counsel reasonably acceptable to the Committee) or liability (including any sum paid in settlement of a claim with the approval of the Committee), and advanced amounts necessary to pay the foregoing at the earliest time and to the fullest extent permitted, arising out of any act or omission to act in connection with the administration of the Plan, except to the extent arising out of such officer’s, employee’s, member’s or former member’s own fraud or bad faith. Such indemnification shall be in addition to any right of indemnification the employees, officers, directors or members or former officers, directors or members may have under applicable law or under the Certificate of Incorporation or Bye-Laws of the Company or any Affiliate. Notwithstanding anything else herein, this indemnification will not apply to the actions or determinations made by an individual with regard to Awards granted to such individual under the Plan.

ARTICLE IV
SHARE LIMITATION

4.1 Shares. (a) Share Reserve. Subject to any increase or decrease pursuant to this Section 4.1 and Section 4.2 below, the aggregate number of shares of Common Stock that may be issued, or with respect to which Awards may be granted, under the Plan shall be 1,885,000 shares of Common Stock, less one (1) share for every one (1) share granted under any Prior Plan after December 31, 2018 (such aggregate number, the “Share Reserve”). Shares of Common Stock issued hereunder may be either authorized and unissued Common Stock or Common Stock held in or acquired for the treasury of the Company or both. Any shares of Common Stock that are subject to Options or Stock Appreciation Rights shall be counted against the Share Reserve as one (1) share for every one (1) share granted, and any shares of Common Stock that are subject to Restricted Stock, Restricted Stock Unit Awards, Performance Awards or Other Stock-Based Awards (“Full-Value Awards”) shall also be counted against the Share Reserve as one (1) share for every one (1) share granted. Upon effectiveness of the Plan, no further grants will be made under any Prior Plan; however, any awards under a Prior Plan that are outstanding as of the Effective Date shall remain subject to the terms and conditions of, and be governed by, such Prior Plan.

(b) Substitute Awards; Use of Shares Under Acquired Company Plans. Shares of Common Stock issued under Awards granted upon the assumption, substitution of exchange for previously granted awards of a company acquired by the Company shall not reduce the Share Reserve. In addition, the Company may issue Awards under the Plan without reduction to the Share Reserve with respect to shares available under an equity incentive plan maintained by a
company acquired by the Company in a corporate transaction, as appropriately adjusted to reflect such transaction pursuant to Section 4.2 (subject to all applicable stock exchange listing requirements). The maximum number of shares of Common Stock with respect to which Incentive Stock Options may be granted under the Plan shall equal the Share Reserve without regard to adjustments under Section 4.1(c).

(c) Permitted Addbacks to Share Reserve; Certain Limitations Relating to Options and SARs. If any Option or Stock Appreciation Right granted under the Plan expires, terminates or is cash-settled or canceled for any reason without having been exercised in full or, after December 31, 2018, any option or stock appreciation right granted under a Prior Plan expires, terminates or is cash-settled or canceled for any reason without having been exercised in full, the number of shares of Common Stock underlying any such Award or award under a Prior Plan shall again be available for the purpose of Awards under the Plan. If any Full-Value Awards granted under the Plan or, after December 31, 2018, any awards other than options or stock appreciation rights granted under a Prior Plan are forfeited or cash-settled for any reason, or if withholding obligations with respect to such Full-Value Awards or awards other than options or stock appreciation rights under a Prior Plan are satisfied by withholding shares of Common Stock or the delivery of shares of Common Stock already owned, the number of such forfeited, cash-settled, withheld or delivered shares of Common Stock shall again be available for purposes of Awards under the Plan. Notwithstanding anything to the contrary contained herein, the following shares of Common Stock shall not be added to the Share Reserve: (i) shares of Common Stock tendered by the Participant or withheld by the Company in payment of the purchase price of an Option under the Plan or an option under a Prior Plan, (ii) shares of Common Stock tendered by the Participant or withheld by the Company to satisfy any tax withholding obligation with respect to Options or Stock Appreciation Rights under the Plan or options or stock appreciation rights under a Prior Plan, (iii) shares of Common Stock subject to a Stock Appreciation Right under the Plan or a stock appreciation right under a Prior Plan that are not issued in connection with its stock settlement on exercise thereof, and (iv) shares of Common Stock reacquired by the Company on the open market or otherwise using cash proceeds from the exercise of Options under the Plan or, options under a Prior Plan.

(d) Share Counting for Shares Added Back. Any shares of Common Stock that again become available for Awards under the Plan pursuant to the foregoing Section 4.1(c) shall be added as (i) one (1) share of Common Stock for every one (1) share subject to Options or Stock Appreciation Rights granted under the Plan or options or stock appreciation rights granted under the Prior Plan, and (ii) as one (1) share of Common Stock for every one (1) Share subject to Full-Value Awards granted under the Plan or a Prior Plan.

(e) Non-Employee Director Limitation. The maximum number of shares of Common Stock subject to Awards granted during a single fiscal year to any Non-Employee Director, taken together with any cash fees paid during the fiscal year to the Non-Employee Director, in respect of the Director’s service as a member of the Board during such year (including service as a member or chair of any committees of the Board), shall not exceed $600,000 in total value (calculating the value of any such Awards based on the grant date fair value of such Awards for financial reporting purposes). The independent members of the Board may make exceptions to this limit for a non-executive chair of the Board, provided that the Non-Employee Director receiving such additional compensation may not participate in the decision to award such compensation.
4.2 Changes

(a) The existence of the Plan and the Awards granted hereunder shall not affect in any way the right or power of the Board or the shareholders of the Company to make or authorize (i) any adjustment, recapitalization, reorganization or other change in the Company’s capital structure or its business, (ii) any merger or consolidation of the Company or any Affiliate, (iii) any issuance of bonds, debentures, preferred or prior preference stock ahead of or affecting the Common Stock, (iv) the dissolution or liquidation of the Company or any Affiliate, (v) any sale or transfer of all or part of the assets or business of the Company or any Affiliate or (vi) any other corporate act or proceeding.

(b) Subject to the provisions of Section 12.1, if there shall occur any change in the capital structure of the Company by reason of any stock split, reverse stock split, stock dividend, subdivision, combination or reclassification of shares of Common Stock that may be issued under the Plan, any recapitalization, any merger, any consolidation, any extraordinary dividend (whether cash or stock), any spin off, any reorganization or any partial or complete liquidation, or any other corporate transaction or event having an effect similar to any of the foregoing (a “Section 4.2 Event”), then (i) the aggregate number and kind of shares of Common Stock that thereafter may be issued under the Plan, (ii) the number and kind of shares of Common Stock or other property (including cash) to be issued upon exercise of an outstanding Award granted under the Plan, (iii) the purchase price thereof, and (iv) any applicable performance conditions, shall be appropriately adjusted. In addition, subject to Section 12.1, if there shall occur any change in the capital structure or the business of the Company that is not a Section 4.2 Event (an “Other Extraordinary Event”), including by reason of any conversion, any adjustment, any issuance of any class of securities convertible or exercisable into, or exercisable for, any class of stock, or any sale or transfer of all or substantially all of the Company’s assets or business, then the Committee shall adjust any Award and make such other adjustments to the Plan as the Committee deems is equitable to prevent enlargement or dilution of rights or obligations under outstanding Awards. Any adjustment pursuant to this Section 4.2 shall be consistent with the applicable Section 4.2 Event or the applicable Other Extraordinary Event, as the case may be, and in such manner as the Committee may, in its sole discretion, deem appropriate and equitable to prevent substantial dilution or enlargement of the rights granted to, or available for, Participants under the Plan. Any such adjustment determined by the Committee shall be final, binding and conclusive on the Company and all Participants and their respective heirs, executors, administrators, successors and permitted assigns. Except as expressly provided in this Section 4.2 or in the applicable Award Agreement, a Participant shall have no rights by reason of any Section 4.2 Event or any Other Extraordinary Event.

(c) Fractional shares of Common Stock resulting from any adjustment in Awards pursuant to Section 4.2(a) or 4.2(b) shall be aggregated until, and eliminated at, the time of settlement by rounding-down for fractions less than one-half and rounding-up for fractions equal to or greater than one-half. No cash settlements shall be made with respect to fractional shares eliminated by rounding. Notice of any adjustment shall be given by the Committee to each Participant whose Award has been adjusted and such adjustment (whether or not such notice is given) shall be effective and binding for all purposes of the Plan.
4.3 Minimum Purchase Price. Notwithstanding any provision of the Plan to the contrary, if authorized but previously unissued shares of Common Stock are issued under the Plan, such shares shall not be issued for a consideration that is less than as permitted under applicable law.

4.4 Treatment of Dividends and Dividend Equivalents on Unvested Awards. Notwithstanding any other provision of the Plan to the contrary, with respect to any Award that provides for or includes a right to dividends or dividend equivalents, if dividends are declared during the period that an equity Award is outstanding, such dividends (or dividend equivalents) shall either (i) not be paid or credited with respect to such Award or (ii) be accumulated but remain subject to vesting requirement(s) to the same extent as the applicable Award and shall only be paid at the time or times such vesting requirement(s) are satisfied.

4.5 Minimum Vesting Requirement. Notwithstanding any other provision of the Plan to the contrary, Awards granted under the Plan (other than cash-based Awards) shall vest no earlier than the first anniversary of the date on which the Award is granted; provided, that the following Awards shall not be subject to the foregoing minimum vesting requirement: any (i) substitute awards granted upon the assumption, substitution of exchange for previously granted awards of a company acquired by the Company, (ii) shares of Common Stock delivered in lieu of fully vested cash Awards, (iii) Awards to Non-Employee Directors that vest on the earlier of the one-year anniversary of the date of grant and the next annual meeting of stockholders which is at least 50 weeks after the immediately preceding year’s annual meeting, and (iv) any additional Awards the Committee may grant, up to a maximum of five percent (5%) of the available share reserve authorized for issuance under the Plan pursuant to Section 4.1 (subject to adjustment under Section 4.2); and, provided, further, that the foregoing restriction does not apply to the Committee’s discretion to provide for accelerated exercisability or vesting of any Award, including in cases of retirement, death, Disability or a Change in Control, in the terms of the Award Agreement or otherwise.

ARTICLE V
ELIGIBILITY

5.1 General Eligibility. All current Eligible Individuals are eligible to be granted Awards; provided, however, that unless otherwise determined by the Committee or provided in an applicable Award Agreement, an Eligible Individual must be in active employment, consultancy or directorship (as applicable) by the Company or an Affiliate (and not serving under a notice of Termination or resignation), in order to be eligible to receive an Award. Eligibility for the grant of Awards and actual participation in the Plan shall be determined by the Committee in its sole discretion.

5.2 Incentive Stock Options. Notwithstanding the foregoing, only Eligible Employees of the Company, its Subsidiaries and its Parent (if any) are eligible to be granted Incentive Stock Options under the Plan. Eligibility for the grant of an Incentive Stock Option and actual participation in the Plan shall be determined by the Committee in its sole discretion.
ARTICLE VI
STOCK OPTIONS

6.1 Grant of Stock Options. The Committee is authorized to grant Awards of Stock Options to Eligible Individuals from time to time, in its sole discretion. Stock Options may be granted alone or in addition to other Awards granted under the Plan. The Committee shall determine the Eligible Individuals, to whom, and the time or times at which, grants of Stock Options shall be made, the amount of consideration for any Stock Options, including no consideration or such minimum consideration as may be required by applicable law, the number of shares of Common Stock pursuant to such Stock Options to be awarded, the time or times within which such Awards may be subject to forfeiture, the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the Stock Options. The Committee may condition the grant or vesting of Stock Options upon the attainment of specified performance targets (including the Performance Goals) or such other factors as the Committee may determine in its sole discretion. Each Stock Option granted under the Plan shall be of one of two types: (a) an Incentive Stock Option or (b) a Non-Qualified Stock Option.

6.2 Grants. The Committee shall have the authority to grant to any Eligible Employee one or more Incentive Stock Options, Non-Qualified Stock Options, or both types of Stock Options. The Committee shall have the authority to grant any Consultant or Non-Employee Director one or more Non-Qualified Stock Options. To the extent that any Stock Option does not qualify as an Incentive Stock Option (whether because of its provisions or the time or manner of its exercise or otherwise), such Stock Option or the portion thereof which does not so qualify shall constitute a separate Non-Qualified Stock Option.

6.3 Terms and Conditions. Options granted under the Plan shall be subject to the following terms and conditions and shall be in such form and contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Committee shall deem desirable:

(a) Exercise Price. The exercise price per share of Common Stock subject to a Stock Option shall be determined by the Committee at the time of grant, provided that the per share exercise price of a Stock Option shall not be less than 100% (or, in the case of an Incentive Stock Option granted to a Ten Percent Shareholder, 110%) of the Fair Market Value of the Common Stock at the time of grant; provided that this Section 6.3(a) shall not apply to stock options assumed by the Company or substituted for awards in a corporate transaction.

(b) Stock Option Term. The term of each Stock Option shall be fixed by the Committee, provided that no Stock Option shall be exercisable more than ten (10) years after the date the Option is granted; and provided further that the term of an Incentive Stock Option granted to a Ten Percent Shareholder shall not exceed five (5) years.

(c) Exercisability. Unless otherwise provided by the Committee in accordance with the provisions of this Section 6.3, Stock Options granted under the Plan shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at the time of grant. If the Committee provides, in its sole discretion, that any Stock Option is exercisable subject to certain limitations (including that such Stock Option is exercisable only in installments or within certain time periods), the Committee may waive such limitations on the exercisability at any time at or after the time of grant in whole or in part (including waiver of the installment exercise provisions or acceleration of the time at which such Stock Option may be exercised), based on such factors, if any, as the Committee shall determine, in its sole discretion.
(d) **Method of Exercise.** Subject to whatever installment exercise and waiting period provisions apply under Section 6.3(c), to the extent vested, Stock Options may be exercised in whole or in part at any time during the Option term, by giving written notice of exercise to the Company specifying the number of shares of Common Stock to be purchased. Such notice shall be accompanied by payment in full of the purchase price as follows: (i) in cash or by check, bank draft or money order payable to the order of the Company; (ii) solely to the extent permitted by applicable law, if the Common Stock is traded on a national securities exchange, and the Committee authorizes, through a procedure whereby the Participant delivers irrevocable instructions to a broker reasonably acceptable to the Committee to deliver promptly to the Company an amount equal to the purchase price; or (iii) on such other terms and conditions as may be acceptable to the Committee (including having the Company withhold shares of Common Stock issuable upon exercise of the Stock Option, or by payment in full or in part in the form of Common Stock owned by the Participant, based on the Fair Market Value of the Common Stock on the payment date as determined by the Committee). No shares of Common Stock shall be issued until payment therefor, as provided herein, has been made or provided for.

(e) **Non-Transferability of Options.** No Stock Option shall be Transferable by the Participant other than by will or by the laws of descent and distribution, and all Stock Options shall be exercisable, during the Participant’s lifetime, only by the Participant. Notwithstanding the foregoing, the Committee may determine, in its sole discretion, at the time of grant or thereafter that a Non-Qualified Stock Option that is otherwise not Transferable pursuant to this Section is Transferable to a Family Member for no consideration in whole or in part and in such circumstances, and under such conditions, as specified by the Committee. A Non-Qualified Stock Option that is Transferred to a Family Member pursuant to the preceding sentence (i) may not be subsequently Transferred other than by will or by the laws of descent and distribution and (ii) remains subject to the terms of the Plan and the applicable Award Agreement. Any shares of Common Stock acquired upon the exercise of a Non-Qualified Stock Option by a permissible transferee of a Non-Qualified Stock Option or a permissible transferee pursuant to a Transfer after the exercise of the Non-Qualified Stock Option shall be subject to the terms of the Plan and the applicable Award Agreement.

(f) **Termination by Death or Disability.** Unless otherwise provided in the Award Agreement, or if no rights of the Participant are reduced, at any time after the grant, if a Participant’s Termination is by reason of death or Disability, all Stock Options that are held by such Participant that are vested and exercisable at the time of the Participant’s Termination may be exercised by the Participant (or in the case of the Participant’s death, by the legal representative of the Participant’s estate) at any time within a period of one (1) year from the date of such Termination, but in no event beyond the expiration of the stated term of such Stock Options; provided, however, that, in the event of a Participant’s Termination by reason of Disability, if the Participant dies within such exercise period, all unexercised Stock Options held by such Participant shall thereafter be exercisable, to the extent to which they were exercisable at the time of death, for a period of one (1) year from the date of such death, but in no event beyond the expiration of the stated term of such Stock Options.
(g) Involuntary Termination Without Cause. Unless otherwise provided in the Award Agreement, or if no rights of the Participant are reduced, at any time after the grant, if a Participant’s Termination is by involuntary termination by the Company without Cause, all Stock Options that are held by such Participant that are vested and exercisable at the time of the Participant’s Termination may be exercised by the Participant at any time within a period of ninety (90) days from the date of such Termination, but in no event beyond the expiration of the stated term of such Stock Options.

(h) Voluntary Resignation. Unless otherwise provided in the Award Agreement, or if no rights of the Participant are reduced, thereafter, if a Participant’s Termination is voluntary (other than a voluntary termination described in Section 6.3(i)(y) hereof), all Stock Options that are held by such Participant that are vested and exercisable at the time of the Participant’s Termination may be exercised by the Participant at any time within a period of thirty (30) days from the date of such Termination, but in no event beyond the expiration of the stated term of such Stock Options.

(i) Termination for Cause. Unless otherwise provided in the Award Agreement, or if no rights of the Participant are reduced, thereafter, if a Participant’s Termination (x) is for Cause or (y) is a voluntary Termination (as provided in Section 6.3(h)) after the occurrence of an event that would be grounds for a Termination for Cause, all Stock Options, whether vested or not vested, that are held by such Participant shall thereupon terminate and expire as of the date of such Termination.

(j) Unvested Stock Options. Unless otherwise provided in the Award Agreement, or if no rights of the Participant are reduced, thereafter, Stock Options that are not vested as of the date of a Participant’s Termination for any reason shall terminate and expire as of the date of such Termination.

(k) Incentive Stock Option Limitations. To the extent that the aggregate Fair Market Value (determined as of the time of grant) of the Common Stock with respect to which Incentive Stock Options are exercisable for the first time by an Eligible Employee during any calendar year under the Plan, any other stock option plan of the Company or both thereof, any Subsidiary or any Parent exceeds $100,000, such Options shall be treated as Non-Qualified Stock Options. In addition, if an Eligible Employee does not remain employed by the Company, any Subsidiary or any Parent at all times from the time an Incentive Stock Option is granted until three (3) months prior to the date of exercise thereof (or such other period as required by applicable law), such Stock Option shall be treated as a Non-Qualified Stock Option. Should any provision of the Plan not be necessary in order for the Stock Options to qualify as Incentive Stock Options, or should any additional provisions be required, the Committee may amend the Plan accordingly, without the necessity of obtaining the approval of the shareholders of the Company.

(l) Form, Modification, Extension and Renewal of Stock Options. Subject to the terms and conditions and within the limitations of the Plan, Stock Options shall be evidenced by such form of agreement or grant as is approved by the Committee, and the Committee may (i) modify, extend or renew outstanding Stock Options granted under the Plan (provided that the rights of a Participant are not reduced without such Participant’s consent and provided further that such action does not subject the Stock Options to Section 409A of the Code without the consent of the Participant), and (ii) accept the surrender of outstanding Stock Options (to the extent not
theretofore exercised) and authorize the granting of new Stock Options in substitution therefor (to the extent not theretofore exercised). Notwithstanding
the foregoing, an outstanding Option may not be modified to reduce the exercise price thereof, a new Option may not, at a lower exercise price, be
substituted for a surrendered Option and an outstanding Option for which the exercise price is higher than the Fair Market Value of such Award may not
be cancelled for cash or another Award (in each case, other than adjustments or substitutions in accordance with Section 4.2 or in connection with a
Change in Control), unless any such action is approved by the shareholders of the Company.

(m) Deferred Delivery of Common Stock. The Committee may in its sole discretion permit Participants to defer delivery of Common Stock
acquired pursuant to a Participant’s exercise of an Option in accordance with the terms and conditions established by the Committee in the applicable
Award Agreement, which shall be intended to comply with the requirements of Section 409A of the Code where applicable.

(n) Early Exercise. The Committee may provide that a Stock Option include a provision whereby the Participant may elect at any time before
the Participant’s Termination to exercise the Stock Option as to any part or all of the shares of Common Stock subject to the Stock Option prior to the full
vesting of the Stock Option and such shares shall be subject to the provisions of Article VIII and be treated as Restricted Stock. Unvested shares of
Common Stock so purchased may be subject to a repurchase option in favor of the Company or to any other restriction the Committee determines to be
appropriate.

(o) Other Terms and Conditions. The Committee may include a provision in an Award Agreement providing for the automatic exercise of a
Non-Qualified Stock Option on a cashless basis on the last day of the term of such Option if the Participant has failed to exercise the Non-Qualified Stock
Option as of such date, with respect to which the Fair Market Value of the shares of Common Stock underlying the Non-Qualified Stock Option exceeds
the exercise price of such Non-Qualified Stock Option on the date of expiration of such Option, subject to Section 15.4. Stock Options may contain such
other provisions, which shall not be inconsistent with any of the terms of the Plan, as the Committee shall deem appropriate; provided, however, Options
are not eligible for dividends or dividend equivalent rights.

ARTICLE VII
STOCK APPRECIATION RIGHTS

7.1 Grant of Stock Appreciation Rights. The Committee is authorized to grant Awards of Stock Appreciation Rights to Eligible Individuals from
time to time, in its sole discretion. Stock Appreciation Rights may be granted alone or in addition to other Awards granted under the Plan. The Committee
shall determine the Eligible Individuals, to whom, and the time or times at which, grants of Stock Appreciation Rights shall be made, the amount of
consideration for any Stock Appreciation Rights, including no consideration or such minimum consideration as may be required by applicable law, the
number of shares of Common Stock subject to such Stock Appreciation Rights to be awarded, the time or times within which such Stock Appreciation
Rights may be subject to forfeiture, the vesting schedule and rights to acceleration thereof, and all other terms and conditions of Stock Appreciation
Rights. The Committee may condition the grant or vesting of Stock Appreciation Rights upon the attainment of specified performance targets (including
the Performance Goals) or such other factors as the Committee may determine in its sole discretion.
7.2 Terms and Conditions. Stock Appreciation Rights granted hereunder shall be subject to such terms and conditions, not inconsistent with the provisions of the Plan, as shall be determined from time to time by the Committee, and the following:

(a) Exercise Price. The exercise price per share of Common Stock subject to a Stock Appreciation Right shall be determined by the Committee at the time of grant, provided that the per share exercise price of a Stock Appreciation Right shall not be less than 100% of the Fair Market Value of the Common Stock at the time of grant; provided that this Section 7.2(a) shall not apply to Stock Appreciation Rights assumed by the Company or substituted for awards in a corporate transaction. Notwithstanding the foregoing, an outstanding Stock Appreciation Right may not be modified to reduce the exercise price thereof, a new Stock Appreciation Right may not, at a lower price, be substituted for a surrendered Stock Appreciation Right and an outstanding SAR for which the exercise price is higher than the Fair Market Value of such Award may not be cancelled for cash or another Award (other than adjustments or substitutions in accordance with Section 4.2 or in connection with a Change in Control), each unless such action is approved by the shareholders of the Company, provided that the exercise price of an outstanding Stock Appreciation Right that is granted in exchange for either an Option or a tandem Stock Appreciation Right that is granted subsequent to such Option may be less than Fair Market Value on the date of grant if the exercise price of such outstanding SAR is equal to the exercise price of such Option for which it was exchanged (or tandem Stock Appreciation Right, as applicable).

(b) Term. The term of each Stock Appreciation Right shall be fixed by the Committee, but shall not be greater than ten (10) years after the date the right is granted.

(c) Exercisability. Unless otherwise provided by the Committee in accordance with the provisions of this Section 7.2, Stock Appreciation Rights granted under the Plan shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at the time of grant. If the Committee provides, in its sole discretion, that any such right is exercisable subject to certain limitations (including that it is exercisable only in installments or within certain time periods), the Committee may waive such limitations on the exercisability at any time at or after grant in whole or in part (including waiver of the installment exercise provisions or acceleration of the time at which such right may be exercised), based on such factors, if any, as the Committee shall determine, in its sole discretion.

(d) Method of Exercise. Subject to whatever installment exercise and waiting period provisions apply under Section 7.2(c), Stock Appreciation Rights may be exercised in whole or in part at any time in accordance with the applicable Award Agreement, by giving written notice of exercise to the Company specifying the number of Stock Appreciation Rights to be exercised.

(e) Payment. Upon the exercise of a Stock Appreciation Right, a Participant shall be entitled to receive, for each right exercised, up to, but no more than, an amount in cash, Common Stock or both cash and Common Stock (as chosen by the Committee in its sole discretion) equal in value to the excess of the Fair Market Value of one share of Common Stock on the date that the right is exercised over the exercise price of one share of Common Stock on the date that the right was awarded to the Participant.
(f) Termination. Unless otherwise provided in the applicable Award Agreement, upon a Participant’s Termination for any reason, Stock Appreciation Rights will remain exercisable following a Participant’s Termination on the same basis as Stock Options would be exercisable following a Participant’s Termination in accordance with the provisions of Sections 6.3(f) through 6.3(j).

(g) Non-Transferability. No Stock Appreciation Rights shall be Transferable by the Participant other than by will or by the laws of descent and distribution, and all such rights shall be exercisable, during the Participant’s lifetime, only by the Participant. Notwithstanding the foregoing, the Committee may determine, in its sole discretion, at the time of grant or thereafter that a Stock Appreciation Right that is otherwise not Transferable pursuant to this Section is Transferable to a Family Member for no consideration in whole or in part and in such circumstances, and under such conditions, as specified by the Committee. A Stock Appreciation Right that is Transferred to a Family Member pursuant to the preceding sentence (i) may not be subsequently Transferred other than by will or by the laws of descent and distribution and (ii) remains subject to the terms of the Plan and the applicable Award Agreement. Any Stock Appreciation Right acquired by a permissible transferee shall be subject to the terms of the Plan and the applicable Award Agreement.

7.3 Other Terms and Conditions. The Committee may include a provision in an Award Agreement providing for the automatic exercise of a Stock Appreciation Right on a cashless basis on the last day of the term of such Stock Appreciation Right if the Participant has failed to exercise the Stock Appreciation Right as of such date, with respect to which the Fair Market Value of the shares of Common Stock underlying the Stock Appreciation Right exceeds the exercise price of such Stock Appreciation Right on the date of expiration of such Stock Appreciation Right, subject to Section 15.4. Stock Appreciation Rights may contain such other provisions, which shall not be inconsistent with any of the terms of the Plan, as the Committee shall deem appropriate; provided, however, Stock Appreciation Rights are not eligible for dividends or dividend equivalent rights.

ARTICLE VIII
RESTRICTED STOCK

8.1 Grant of Restricted Stock. The Committee is authorized to grant Awards of Restricted Stock to Eligible Individuals from time to time, in its sole discretion. Shares of Restricted Stock may be issued either alone or in addition to other Awards granted under the Plan. The Committee shall determine the Eligible Individuals, to whom, and the time or times at which, grants of Restricted Stock shall be made, the amount of consideration for any Restricted Stock Awards, including no consideration or such minimum consideration as may be required by applicable law, the number of shares of Common Stock to be awarded, the price (if any) to be paid by the Participant (subject to Section 8.2), the time or times within which such Awards may be subject to forfeiture, the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the Awards. The Committee may condition the grant or vesting of Restricted Stock upon the attainment of specified performance targets (including the Performance Goals) or such other factors as the Committee may determine in its sole discretion.
8.2 **Awards and Certificates.** Eligible Individuals selected to receive Restricted Stock shall not have any right with respect to such Award, unless and until such Participant has delivered a fully executed copy of the agreement evidencing the Award to the Company, to the extent required by the Committee, and has otherwise complied with the applicable terms and conditions of such Award. Further, such Award shall be subject to the following conditions:

(a) **Purchase Price.** The purchase price of Restricted Stock shall be fixed by the Committee. Subject to Section 4.3, the purchase price for shares of Restricted Stock may be zero to the extent permitted by applicable law, and, to the extent not so permitted, such purchase price may not be less than par value.

(b) **Acceptance.** Awards of Restricted Stock must be accepted within a period of 60 days (or such shorter period as the Committee may specify at grant) after the grant date, by executing a Restricted Stock agreement and by paying whatever price (if any) the Committee has designated thereunder.

(c) **Legend.** Each Participant receiving Restricted Stock shall be issued a stock certificate in respect of such shares of Restricted Stock, unless the Committee elects to use another system, such as book entries by the transfer agent, as evidencing ownership of shares of Restricted Stock. Such certificate shall be registered in the name of such Participant, and shall, in addition to such legends required by applicable securities laws, bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form:

“The anticipation, alienation, attachment, sale, transfer, assignment, pledge, encumbrance or charge of the shares of stock represented hereby are subject to the terms and conditions (including forfeiture) of the Argo Group International Holdings, Ltd. (the “Company”) 2019 Omnibus Incentive Plan (as amended from time to time, the “Plan”) and an Agreement entered into between the registered owner and the Company dated __________. Copies of such Plan and Agreement are on file at the principal office of the Company.”

(d) **Custody.** If stock certificates are issued in respect of shares of Restricted Stock, the Committee may require that any stock certificates evidencing such shares be held in custody by the Company until the restrictions thereon shall have lapsed, and that, as a condition of any grant of Restricted Stock, the Participant shall have delivered a duly signed stock power or other instruments of assignment (including a power of attorney), each endorsed in blank with a guarantee of signature if deemed necessary or appropriate by the Company, which would permit transfer to the Company of all or a portion of the shares subject to the Restricted Stock Award in the event that such Award is forfeited in whole or part.

**8.3 Terms and Conditions.** The shares of Restricted Stock awarded pursuant to the Plan shall be subject to the following restrictions and conditions:

(a) **Restriction Period.** The Participant shall not be permitted to Transfer shares of Restricted Stock awarded under the Plan during the period or periods set by the Committee (the “Restriction Period”), commencing on the date as set forth in the applicable Award Agreement, and
such Award Agreement shall set forth a vesting schedule and any event that would accelerate vesting of the shares of Restricted Stock. Based on the Participant’s service, the attainment of Performance Goals (if any) and such other factors or criteria as the Committee may determine in its sole discretion, the Committee may condition the grant or provide for the lapse of such restrictions in installments in whole or in part, or may accelerate the vesting of all or any part of any Restricted Stock Award and waive the deferral limitations for all or any part of any Restricted Stock Award.

(b) Rights as a Shareholder and Dividends. Except as provided in Section 8.3(a) and this Section 8.3(b) or as otherwise determined by the Committee in an Award Agreement, the Participant shall have, with respect to the shares of Restricted Stock, all of the rights of a holder of shares of Common Stock of the Company, including the right to receive dividends, the right to vote such shares and, subject to and conditioned upon the full vesting of shares of Restricted Stock, the right to tender such shares. The payment of dividends shall be deferred until, and conditioned upon, the attainment of Performance Goals (if any) and such other factors or criteria as the Committee may determine in its sole discretion, as applicable.

(c) Termination. Unless otherwise provided in the applicable Award Agreement, upon a Participant’s Termination for any reason during the relevant Restriction Period, all Restricted Stock still subject to restriction will be forfeited in accordance with the terms and conditions established by the Committee at grant or thereafter.

(d) Lapse of Restrictions. If and when the Restriction Period expires without a prior forfeiture of the Restricted Stock, the certificates for such shares shall be delivered to the Participant. All legends shall be removed from said certificates at the time of delivery to the Participant, except as otherwise required by applicable law or other limitations imposed by the Committee.

ARTICLE IX
RESTRICTED STOCK UNITS

9.1 Grant of Restricted Stock Units. The Committee is authorized to grant Awards of Restricted Stock Units to Eligible Individuals from time to time, in its sole discretion. Restricted Stock Units may be issued either alone or in addition to other Awards granted under the Plan. The Committee shall determine the Eligible Individuals, to whom, and the time or times at which, grants of Restricted Stock Units shall be made, the amount of consideration for any Restricted Stock Units, including no consideration or such minimum consideration as may be required by applicable law, the number of shares of Common Stock that any Restricted Stock Unit may be settled for, the time or times within which such Restricted Stock Units may be subject to forfeiture, the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the Restricted Stock Units. The Committee may condition the grant or vesting of Restricted Stock Units upon the attainment of specified performance targets (including the Performance Goals) or such other factors as the Committee may determine in its sole discretion.

(a) The Committee may grant Restricted Stock Units to Eligible Individuals, and shall determine the terms and conditions, including the restrictions, applicable to each award of Restricted Stock Units, which terms and conditions shall be set forth in the Award Agreement and shall not be inconsistent with the Plan, and may impose such conditions on the issuance of such Restricted Stock Units as it deems appropriate. The Award Agreement shall set forth the time and form of payment of each award of Restricted Stock Units.
(b) **Date of Settlement.** The Committee shall specify, or permit the Participant to elect, the conditions and dates upon which the shares of Common Stock underlying the Restricted Stock Units shall be issued (or cash in lieu thereof shall be paid), which dates shall not be earlier than the date as of which the Restricted Stock Units vest and become nonforfeitable. Such conditions and dates shall be established, where applicable, in accordance with the applicable provisions of Section 409A of the Code or an exemption therefrom. On the settlement date(s), the Company shall issue to the Participant one unrestricted, fully transferable share of Common Stock (or, if provided in the Award Agreement, the Fair Market Value of one such share of Common Stock in cash) for each vested and nonforfeitable Restricted Stock Unit.

**9.2 Terms and Conditions.** Restricted Stock Units awarded pursuant to the Plan shall be subject to the following restrictions and conditions:

(a) **Termination.** Unless otherwise provided in the applicable Award Agreement, upon a Participant’s Termination for any reason during the relevant Restriction Period, all Restricted Stock Units still subject to restrictions, including performance-based or time-based restrictions, will be forfeited in accordance with the terms and conditions established by the Committee at grant or thereafter.

(b) **Dividends.** Dividends declared during the Performance Period with respect to the number of shares of Common Stock covered by a Restricted Stock Unit Award can accumulate, but may only be paid to the Participant at the settlement of such Restricted Stock Unit Award upon the attainment of the applicable Performance Goals, the expiration of the applicable Restriction Period, and such other factors or criteria as the Committee may determine in its sole discretion, as applicable.

**ARTICLE X**

**PERFORMANCE AWARDS**

10.1 **Grant of Performance Awards.** The Committee is authorized to grant Performance Awards to Eligible Individuals from time to time, in its sole discretion. Performance Awards may be issued either alone or in addition to other Awards granted under the Plan. The Committee shall determine the Eligible Individuals, to whom, and the time or times at which, Performance Awards shall be made, the amount of consideration for any Performance Awards, including no consideration or such minimum consideration as may be required by applicable law, the number of shares of Common Stock or the amount of cash subject to the Performance Award to be awarded, as applicable, the time or times within which such Performance Awards may be subject to forfeiture, the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the Performance Awards. The Committee may condition the grant or vesting of Performance Awards Stock upon the attainment of specified performance targets (including the Performance Goals) or such other factors as the Committee may determine in its sole discretion. If the Performance Award is denominated in shares of Restricted Stock or Restricted Stock Units, such shares or units or cash equivalent thereof (based on the then current Fair Market Value of shares of Common Stock subject to such shares or units), shall be paid to the Participant only upon attainment of the relevant
Performance Award in accordance with Article VIII. If the Performance Award is denominated in cash, it may be paid upon the attainment of the relevant Performance Goals in cash, in shares of Common Stock, in shares of Restricted Stock or in Restricted Stock Units (based on the then current Fair Market Value of shares of Common Stock subject to such Award), as determined by the Committee, in its sole and absolute discretion. Each Performance Award shall be evidenced by an Award Agreement in such form that is not inconsistent with the Plan and that the Committee may from time to time approve.

10.2 Terms and Conditions. Performance Awards awarded pursuant to this Article X shall be subject to the following terms and conditions:

(a) Earning of Performance Award. At the expiration of the applicable Performance Period, the Committee shall determine the extent to which the Performance Goals are achieved and the percentage of each Performance Award that has been earned.

(b) Non-Transferability. Subject to the applicable provisions of the Award Agreement and the Plan, Performance Awards may not be Transferred during the Performance Period.

(c) Dividends. Notwithstanding anything to the contrary, any dividends or dividend equivalents with respect to the number of shares of Common Stock covered by a Performance Award shall either (i) not be paid or credited, or (ii) be accumulated, subject to restrictions and risk of forfeiture to the same extent as the Performance Award, and paid only if such restrictions and risk of forfeiture lapse.

(d) Payment. Following the Committee’s determination in accordance with Section 10.2(a), the Company shall settle Performance Awards, in such form (including in shares of Common Stock or in cash) as determined by the Committee, in an amount equal to such Participant’s earned Performance Awards. Notwithstanding the foregoing, the Committee may, in its sole discretion, award an amount less than the earned Performance Awards and subject the payment of all or part of any Performance Award to additional vesting, forfeiture and deferral conditions as it deems appropriate. Unless otherwise determined by the Committee or provided in the applicable Award Agreement, a Participant must be in active employment, consultancy or directorship (as applicable) by the Company or an Affiliate (and not serving under a notice of Termination or resignation) on the payment date in order to be eligible to receive payment of the Performance Award.

(e) Termination. Subject to the applicable provisions of the Award Agreement and the Plan, upon a Participant’s Termination for any reason during the Performance Period for a given Performance Award, the Performance Award in question will vest or be forfeited in accordance with the terms and conditions established by the Committee at grant.

(f) Accelerated Vesting. Based on service, performance and such other factors or criteria, if any, as the Committee may determine, the Committee may, at or after grant, accelerate the vesting of all or any part of any Performance Award.
ARTICLE XI
OTHER STOCK-BASED AND CASH-BASED AWARDS

11.1 Grant of Other Stock-Based Awards. The Committee is authorized to grant to Eligible Individuals Other Stock-Based Awards that are denominated in, valued in whole or in part by reference to, or otherwise based on or related to shares of Common Stock, including shares of Common Stock awarded purely as a bonus and not subject to restrictions or conditions, shares of Common Stock in payment of the amounts due under an incentive or performance plan sponsored or maintained by the Company or an Affiliate, stock equivalent units, and Awards valued by reference to book value of shares of Common Stock. Other Stock-Based Awards may be granted either alone or in addition to or in tandem with other Awards granted under the Plan. The Committee shall determine the Eligible Individuals, to whom, and the time or times at which, grants of Other Stock-Based Awards shall be made, the amount of consideration for any Other Stock-Based Awards, including no consideration or such minimum consideration as may be required by applicable law, the number of shares of Common Stock subject to such Stock-Based Awards to be awarded, the price (if any) to be paid by the Participant (subject to Section 8.2), the time or times within which such Stock-Based Awards may be subject to forfeiture, the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the Stock-Based Awards. The Committee may condition the grant or vesting of Stock-Based Awards upon the attainment of specified performance targets (including the Performance Goals) or such other factors as the Committee may determine in its sole discretion.

11.2 Terms and Conditions. Other Stock-Based Awards made pursuant to this Article XI shall be subject to the following terms and conditions:

(a) Non-Transferability. Subject to the applicable provisions of the Award Agreement and the Plan, shares of Common Stock subject to Awards made under this Article XI may not be Transferred prior to the date on which the shares are issued, or, if later, the date on which any applicable restriction, performance or deferral period lapses.

(b) Dividends. Dividends declared during the Performance Period with respect to the number of shares of Common Stock covered by an Other Stock-Based Award can accumulate but may only be paid to the Participant upon the attainment of the applicable Performance Goals and such other factors or criteria as the Committee may determine in its sole discretion, as applicable.

(c) Vesting. Any Award under this Article XI and any Common Stock covered by any such Award shall vest or be forfeited to the extent so provided in the Award Agreement, as determined by the Committee, in its sole discretion.

(d) Price. Common Stock issued on a bonus basis under this Article XI may be issued for no cash consideration. Common Stock purchased pursuant to a purchase right awarded under this Article XI shall be priced, as determined by the Committee in its sole discretion.
11.3 Grant of Other Cash-Based Awards. The Committee is authorized to grant Other Cash-Based Awards to Eligible Individuals from time to time, in its sole discretion, payable or deliverable upon the attainment of specific Performance Goals. Other Cash-Based Awards may be granted alone or in addition to other Awards granted under the Plan. The Committee shall determine the Eligible Individuals, to whom, and the time or times at which, grants of Other Cash-Based Awards shall be made, the amount of consideration for any Other Cash-Based Award, including no consideration or such minimum consideration as may be required by applicable law, the time or times within which such Other Cash-Based Awards may be subject to forfeiture, the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the Other Cash-Based Awards. The Committee may condition the grant or vesting of Other Cash-Based Awards upon the attainment of specified performance targets (including the Performance Goals) or such other factors as the Committee may determine in its sole discretion. Other Cash-Based Awards may be granted subject to the satisfaction of vesting conditions or may be awarded purely as a bonus and not subject to restrictions or conditions, and if subject to vesting conditions, the Committee may accelerate the vesting of such Awards at any time in its sole discretion. Unless otherwise determined by the Committee or provided in the applicable Award Agreement, a Participant must be in active employment, consultancy or directorship (as applicable) by the Company or an Affiliate (and not serving under a notice of Termination or resignation) on the payment date in order to be eligible to receive payment of the Other Cash-Based Award. The grant of an Other Cash-Based Award shall not require a segregation of any of the Company’s assets for satisfaction of the Company’s payment obligation thereunder.

ARTICLE XII
CHANGE IN CONTROL PROVISIONS

12.1 Benefits. In the event of a Change in Control of the Company (as defined below), and except as otherwise provided by the Committee in an Award Agreement, a Participant’s unvested Award shall not vest automatically and a Participant’s Award shall be treated in accordance with one or more of the following methods as determined by the Committee:

(a) Awards, whether or not then vested, shall be continued, assumed, or have new rights substituted therefor, as determined by the Committee in a manner consistent, where applicable, with the requirements of Section 409A of the Code, and restrictions to which shares of Restricted Stock or any other Award granted prior to the Change in Control are subject shall not lapse upon a Change in Control and the Restricted Stock or other Award shall, where appropriate in the sole discretion of the Committee, receive the same distribution as other Common Stock on such terms as determined by the Committee; provided that the Committee may decide to award additional Restricted Stock or other Awards in lieu of any cash distribution. Notwithstanding anything to the contrary herein, for purposes of Incentive Stock Options, any assumed or substituted Stock Option shall comply with the requirements of Treasury Regulation Section 1.424-1 (and any amendment thereto).

(b) The Committee, in its sole discretion, may provide for the purchase of any Awards by the Company or an Affiliate for an amount of cash equal to the excess (if any) of the Fair Market Value of the shares of Common Stock covered by such Awards, over the aggregate exercise price of such Awards.
(c) The Committee may, in its sole discretion, terminate all outstanding and unexercised Stock Options, Stock Appreciation Rights, or any Other Stock-Based Award that provides for a Participant elected exercise, effective as of the date of the Change in Control, by delivering notice of termination to each Participant at least twenty (20) days prior to the date of consummation of the Change in Control, in which case during the period from the date on which such notice of termination is delivered to the consummation of the Change in Control, each such Participant shall have the right to exercise in full all of such Participant’s Awards that are then outstanding (without regard to any limitations on exercisability otherwise contained in the Award Agreements), but any such exercise shall be contingent on the occurrence of the Change in Control, and, provided that, if the Change in Control does not take place within a specified period after giving such notice for any reason whatsoever, the notice and exercise pursuant thereto shall be null and void. Notwithstanding any other provision herein to the contrary, the Committee may, in its sole discretion, provide for accelerated vesting or lapse of restrictions, of an Award at any time.

12.2 Change in Control. Unless otherwise provided in the applicable Award Agreement or other written agreement with a Participant approved by the Committee, a “Change in Control” shall be deemed to occur if:

(a) any “person,” as such term is used in Sections 13(d) and 14(d) of the Exchange Act (other than the Company, any trustee or other fiduciary holding securities under any employee benefit plan of the Company or any company owned, directly or indirectly, by the shareholders of the Company in substantially the same proportions as their ownership of Common Stock of the Company), becoming the beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 35% or more of the combined voting power of the Company’s then outstanding securities;

(b) during any period of two consecutive years, individuals who at the beginning of such period constitute the Board, and any new director (other than a director designated by a person who has entered into an agreement with the Company to effect a transaction described in paragraph (a), (c), or (d) of this Section 12.2 or a director whose initial assumption of office occurs as a result of either an actual or threatened election contest (as such term is used in Rule 14a-11 of Regulation 14A promulgated under the Exchange Act) or other actual or threatened solicitation of proxies or consents by or on behalf of a person other than the Board) whose election by the Board or nomination for election by the Company’s shareholders was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the two-year period or whose election or nomination for election was previously so approved, cease for any reason to constitute at least a majority of the Board;

(c) a merger or consolidation of the Company with any other corporation is consummated, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 50% of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation; provided, however, that a merger or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no person (other than those covered by the exceptions in Section 12.2(a)) acquires more than 50% of the combined voting power of the Company’s then outstanding securities shall not constitute a Change in Control of the Company; or
(d) a complete liquidation or dissolution of the Company occurs or the consummation of a sale or disposition by the Company of all or substantially all of the Company’s assets other than the sale or disposition of all or substantially all of the assets of the Company to a person or persons who beneficially own, directly or indirectly, 50% or more of the combined voting power of the outstanding voting securities of the Company at the time of the sale.

Notwithstanding the foregoing, with respect to any Award subject to Section 409A of the Code that is characterized as “nonqualified deferred compensation” within the meaning of Section 409A of the Code, an event shall not be considered to be a Change in Control under the Plan for purposes of payment of such Award unless such event is also a “change in ownership,” a “change in effective control” or a “change in the ownership of a substantial portion of the assets” of the Company within the meaning of Section 409A of the Code.

ARTICLE XIII
TERMINATION OR AMENDMENT OF PLAN

13.1 Termination or Amendment. Notwithstanding any other provision of the Plan, the Board may at any time, and from time to time, adopt special guidelines and provisions for persons who are residing in or employed in, or subject to, the taxes of, any domestic or foreign jurisdictions to comply with applicable tax and securities laws of such domestic or foreign jurisdictions, or amend, in whole or in part, any or all of the provisions of the Plan (including any amendment deemed necessary to ensure that the Company may comply with any regulatory requirement referred to in Article XV or Section 409A of the Code), or suspend or terminate it entirely, retroactively or otherwise; provided, however, that, unless otherwise required by law or specifically provided herein, the rights of a Participant with respect to Awards granted prior to such amendment, suspension or termination, may not be materially impaired without the consent of such Participant and, provided further, that without the approval of the holders of the Company’s Common Stock entitled to vote in accordance with applicable law, no amendment may be made that would (i) increase the aggregate number of shares of Common Stock that may be issued under the Plan (except by operation of Section 4.2); (ii) change the classification of individuals eligible to receive Awards under the Plan; (iii) decrease the minimum option price of any Stock Option or Stock Appreciation Right; (iv) extend the maximum option period under Section 6.3; (v) award any Stock Option or Stock Appreciation Right in replacement of a canceled Stock Option or Stock Appreciation Right with a higher exercise price than the replacement award; (vi) modify an Option or Stock Appreciation Right to reduce the exercise price of such Award or cancel for cash or another Award an outstanding Option or Stock Appreciation Right for which the exercise price is higher than the Fair Market Value of such Award (other than adjustments or substitutions in accordance with Section 4.2 or in connection with a Change in Control), (ix) require shareholder approval in order for the Plan to continue to comply with the applicable provisions of Section 422 of the Code to the extent applicable to Incentive Stock Options or (x) make any other amendment that would require shareholder approval under Financial Industry Regulatory Authority (FINRA) rules and regulations or the rules of any exchange or system on which the Company’s securities are listed or traded at the request of the Company.

Notwithstanding anything herein to the contrary, the Board may amend the Plan or any Award Agreement at any time without a Participant’s consent to comply with applicable law including Section 409A of the Code. The Committee may amend the terms of any Award theretofore granted, prospectively or retroactively, but, subject to Article IV or as otherwise specifically provided herein, no such amendment or other action by the Committee shall materially impair the rights of any holder without the holder’s consent.
ARTICLE XIV
UNFUNDED STATUS OF PLAN

The Plan is intended to constitute an “unfunded” plan for incentive and deferred compensation. With respect to any payment as to which a Participant has a fixed and vested interest but which are not yet made to a Participant by the Company, nothing contained herein shall give any such Participant any right that is greater than those of a general unsecured creditor of the Company.

ARTICLE XV
GENERAL PROVISIONS

15.1 Legend. The Committee may require each person receiving shares of Common Stock pursuant to a Stock Option or other Award under the Plan to represent to and agree with the Company in writing that the Participant is acquiring the shares without a view to distribution thereof. In addition to any legend required by the Plan, the certificates for such shares may include any legend that the Committee deems appropriate to reflect any restrictions on Transfer. All certificates for shares of Common Stock delivered under the Plan shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Common Stock is then listed or any national securities exchange system upon whose system the Common Stock is then quoted, any applicable federal or state securities law, and any applicable corporate law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

15.2 Other Plans. Nothing contained in the Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to shareholder approval if such approval is required, and such arrangements may be either generally applicable or applicable only in specific cases.

15.3 No Right to Employment/Directorship/Consultancy. Neither the Plan nor the grant of any Option or other Award hereunder shall give any Participant or other employee, Consultant or Non-Employee Director any right with respect to continuance of employment, consultancy or directorship by the Company or any Affiliate, nor shall there be a limitation in any way on the right of the Company or any Affiliate by which an employee is employed or a Consultant or Non-Employee Director is retained to terminate such employment, consultancy or directorship at any time.

15.4 Withholding of Taxes. The Company shall have the right to deduct from any payment to be made pursuant to the Plan, or to otherwise require, prior to the issuance or delivery of shares of Common Stock or the payment of any cash hereunder, payment by the Participant of, any federal, state or local taxes required by law to be withheld. Upon the vesting of Restricted Stock (or other Award that is taxable upon vesting), the settlement of Restricted Stock Units or Other Stock-Based Awards or upon making an election under Section 83(b) of the Code, a
