### **Forward-Looking Statements**

This news release includes or may imply forward-looking statements pertaining to management's expectations regarding future events and developments such as the benefits of the business combination transaction involving Glacier and Heritage, continued success of Glacier's style of banking and the strength of the local economies in which Glacier operates. Future events are difficult to predict, and the expectations described above are necessarily subject to risk and uncertainty that may cause actual results to differ materially and adversely. In addition to discussions about risks and uncertainties set forth from time to time in Glacier's public filings, factors that may cause actual results to differ materially from those contemplated by such forward-looking statements include, among others, the following possibilities: (1) local, national and

international economic conditions are less favorable than expected or have a more direct and pronounced effect on Glacier than expected and adversely affect Glacier's ability to continue its internal growth at historical rates and maintain the quality of its earning assets; (2) projected business increases following strategic expansion or opening or acquiring new banks and/or branches are lower than expected; (3) costs or difficulties related to the integration of acquisitions are greater than expected; or (4) legislation or regulatory requirements or changes adversely affect the businesses in which Glacier is engaged.
