ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On January 31, 2020, Pacific Premier Bancorp, Inc., a Delaware corporation, or PPBI, Pacific Premier Bank, a California-chartered bank and wholly-owned subsidiary of PPBI, or Pacific Premier, and Opus Bank, a California-chartered bank, or Opus, entered into an Agreement and Plan of Reorganization, referred to as the Merger Agreement, pursuant to which Opus will be merged with and into Pacific Premier, with Pacific Premier as the surviving institution, which is referred to as the Merger. A copy of the Merger Agreement is included as Exhibit 2.1 to this Current Report on Form 8-K. A summary of the material terms of the Merger Agreement follows.

Merger Consideration

The consideration payable to Opus shareholders upon completion of the Merger, which is referred to as the Merger Consideration, will consist of whole shares of PPBI common stock, par value \$0.01 per share, or PPBI Common Stock, and cash in lieu of fractional shares of PPBI Common Stock. Upon consummation of the Merger, (i) each share of Opus common stock, no par value per share, or Opus Common Stock, issued and outstanding immediately prior to the effective time of the Merger, or the Effective Time, will be canceled and exchanged for the right to receive 0.9000 shares of PPBI Common Stock, which is referred to as the Exchange Ratio, and (ii) each share of Opus Series A non-cumulative, non-voting preferred stock, or Opus Preferred Stock, issued and outstanding immediately prior to the Effective Time will be converted into and cancelled in exchange for the right to receive that number of shares of PPBI Common Stock equal to the product of (X) the number of shares of Opus Common Stock into which such share of Opus Preferred Stock is convertible in connection with, and as a result of the Merger, and (Y) the Exchange Ratio, in each case, plus cash in lieu of fractional shares of PPBI Common Stock.

Opus Options. Each outstanding and unexercised vested option to acquire shares of Opus Common Stock will be canceled in exchange for the right to receive (without interest) from Opus, immediately prior to the Effective Time, a single lump sum cash payment equal to the product of (i) the number of shares of Opus Common Stock subject to such Opus option immediately prior to the Effective Time, and (ii) the excess, if any, of (A) the PPBI Average Share Price (which is the average closing price per share of PPBI Common Stock for the five trading days ending on and including the fifth trading day prior to the closing date of the Merger) multiplied by the Exchange Ratio, over (B) the exercise price per share of such Opus option, less any applicable taxes required to be withheld with respect to such payment. If the exercise price per share of any such Opus option is equal to or greater than the PPBI Average Share Price multiplied by the Exchange Ratio, such Opus option will be canceled without any cash payment being made in respect thereof.

Opus Restricted Stock and Opus Time-Based Restricted Stock Units. Each outstanding award of restricted shares of Opus Common Stock, which we refer to as Opus Restricted Stock, and each outstanding award of time-based restricted stock units, or Opus RSUs, other than Opus RSUs awarded in 2020 to Opus employees who will become Pacific Premier employees, in each case granted pursuant to Opus's equity incentive plans, which we refer to as the Opus Equity Plans, and after taking into account applicable tax withholdings, will become fully vested immediately prior to the Effective Time and, upon the Effective Time, will be cancelled in exchange for the right to receive a number of shares of PPBI Common Stock equal to the number of shares of Opus Common Stock underlying such vested awards immediately prior to the Effective Time multiplied by the Exchange Ratio.

At the Effective Time, each Opus RSU awarded in 2020 to Opus employees who will become Pacific Premier employees will automatically cease to represent a restricted stock unit denominated in shares of Opus Common Stock and will be substituted with a restricted stock unit denominated in shares of PPBI Common Stock, which we refer to as a PPBI RSU, with terms substantially similar to the terms and conditions (including the same vesting terms) that applied to the relevant Opus RSU immediately prior to the Effective Time. The number of shares of PPBI Common Stock subject to each such PPBI RSU will be equal to the product (rounded to the nearest whole number) of (x) the number of shares of Opus Common Stock subject to such Opus RSU immediately prior to the Effective Time multiplied by (y) the Exchange Ratio.

Opus Performance-Based Restricted Stock Units. Each outstanding award of performance-based restricted stock units granted pursuant to the Opus Equity Plans, which we refer to as Opus PRSUs, other than any Opus PRSUs awarded in 2020 to Opus employees who will become Pacific Premier employees, will become vested effective immediately prior to the Effective Time in a number of units in respect of such award as determined in accordance with the applicable award agreement or Opus Equity Plan (after taking into account applicable tax withholdings) and cancelled in exchange for the right to receive a number of shares of PPBI Common Stock equal to the number of shares of Opus Common Stock underlying such vested awards immediately prior to the Effective Time multiplied by the Exchange Ratio.

At the Effective Time, each Opus PRSU awarded in 2020 to Opus employees who will become Pacific Premier employees will automatically cease to represent a performance-based restricted stock unit denominated in shares of Opus Common Stock and will be substituted with a PPBI RSU with terms substantially similar to the terms and conditions (including the same service-based vesting terms but excluding performance-based vesting terms) as were applicable to the relevant Opus PRSU immediately prior to the Effective Time. The number of shares of PPBI Common Stock subject to each such PPBI RSU will be equal to the product (rounded to the nearest whole number) of (x) the number of shares of Opus Common Stock subject to such Opus PRSU immediately prior to the Effective Time, determined based on the greater of the Shortened Period RSUs (as such term is defined in the award agreement applicable to the Opus PRSUs) and the target number of the applicable Opus PRSUs, multiplied by (y) the Exchange Ratio.

Opus Warrants. Holders of warrants to purchase shares of Opus Common Stock or Opus Preferred Stock, which we collectively refer to as Opus Warrants, may either cancel or redeem their Opus Warrants. Each outstanding Opus Warrant that is cancelled will be exchanged for the right to receive from PPBI a single lump sum cash payment equal to the product of (x) the number of shares of Opus Common Stock subject to such Opus Warrant (on an as-converted basis in the case of warrants to purchase shares of Opus Preferred Stock) immediately prior to the Effective Time, and (y) the excess, if any, of (A) the PPBI Average Share Price multiplied by the Exchange Ratio over (B) the exercise price per share of Opus Common Stock of such Opus Warrant (on an as-converted basis in the case of warrants to purchase shares of Opus Preferred Stock). If the exercise price per share of any such Opus Warrant (on an as-converted basis, in the case of warrants to purchase shares of Opus Preferred Stock) is equal to or greater than the PPBI Average Share Price multiplied by the Exchange Ratio, such Opus Warrant will be canceled without any cash payment being made in respect thereof.

Each outstanding Opus Warrant that is exercised will have the shares of Opus Common Stock and Opus Preferred Stock issued upon the exercise of such Opus Warrant immediately prior to the Effective Time. At the Effective Time, such issued shares of Opus Common Stock and Opus Preferred Stock will be converted into the right to receive the per share Merger Consideration described above.

PPBI will assume each Opus Warrant that is not canceled or exercised prior to the Effective Time in accordance with the terms of the Merger Agreement and will be obligated to pay the per share Merger Consideration described above to the holder of such Opus Warrant upon exercise in accordance with its terms.

Shareholder Agreements

As a material inducement for PPBI and Pacific Premier to enter into the Merger Agreement, Opus directors who own shares of Opus Common Stock and certain Opus executive officers and Opus shareholders, who we collectively refer to as Shareholders and who own in the aggregate approximately 19% of the outstanding shares of Opus Common Stock and approximately 98% of the outstanding shares of Opus Preferred Stock, have entered into agreements with PPBI, Pacific Premier and Opus pursuant to which such Shareholder has agreed, among other things, to vote (or cause to be voted) all shares of Opus Common Stock and Opus Preferred Stock (whether acquired before or after the Merger) beneficially owned by him, her or it (x) in favor of approval of the Merger, the Merger Agreement and the transactions contemplated thereby; (y) against any action or agreement that, to the knowledge of the Shareholder, would result in a breach of any covenant, representation or warranty or any other material obligation or agreement of Opus contained in the Merger Agreement or of the shareholder contained in the shareholder agreement; and (z) against any alternative acquisition proposal. These Shareholders also agreed to certain restrictions on their ability to transfer their shares of Opus Common Stock and Opus Preferred Stock or their voting rights of such shares while the shareholder agreement remains in effect. The shareholder agreement is substantially in the form included as Annex A to the Merger Agreement, which is attached to this Current Report on Form 8-K as Exhibit 2.1.

Assumption of Opus Subordinated Notes

In connection with the closing of the Merger, PPBI will assume, or cause Pacific Premier to assume, Opus's obligations under its 5.5% fixed-to-floating rate subordinated notes due July 1, 2026, or the Subordinated Notes, with a carrying value of \$133.28 million as of December 31, 2019.

Resignation and Appointment of Directors

Pursuant to the terms of the Merger Agreement, two (2) existing directors of the PPBI Board of Directors, or the PPBI Board, and the Pacific Premier Board of Directors, or the Pacific Premier Board, will resign, effective no later than immediately prior to the Effective Time. PPBI and Pacific Premier are required to take all actions necessary to appoint or elect, effective as of the Effective Time, two (2) individuals, each of whom must be existing Opus directors and mutually agreeable to PPBI and Opus, as directors of PPBI and Pacific Premier. Each individual will serve until the first annual meeting of the shareholders of PPBI and Pacific Premier following the Effective Time and until his or her successor is elected and qualified. Subject to the fiduciary duties of the PPBI Board, PPBI is required to include such individuals on the list of nominees for director presented by the PPBI Board and for which the PPBI Board will solicit proxies at the first annual meeting of the shareholders of PPBI following the Effective Time.

Certain Other Terms and Conditions of the Agreement

The Merger Agreement contains customary representations and warranties from Opus, PPBI and Pacific Premier, and each party has agreed to customary covenants, including, among others, covenants relating to the conduct of Opus's and PPBI's respective businesses during the interim period between the execution of the Merger Agreement and the Effective Time.

Conditions to the Merger

The consummation of the Merger is subject to a number of conditions, which include, among others:

- (i) the approval of the Merger Agreement by Opus's shareholders and the approval of the issuance of shares of PPBI Common Stock by PPBI's shareholders;
- (ii) the receipt of all necessary regulatory approvals for the Merger, without the imposition of conditions or requirements that shall require PPBI or Opus to take any action or commit to take any action that would reasonably be likely to have a material adverse effect on PPBI and its subsidiaries, taken as a whole, after giving effect to the Merger (measured on a scale relative to Opus and its subsidiaries, taken as a whole);
- (iii) the absence of any regulation, judgment, decree, injunction or other order of a governmental authority which prohibits the consummation of the Merger;
- (iv) the effective registration of the shares of PPBI Common Stock to be issued to Opus's shareholders with the Securities and Exchange Commission, or the SEC, and the approval of such shares for listing on the Nasdaq Global Market;
- (v) all representations and warranties made by PPBI and Pacific Premier, on the one hand, and Opus, on the other hand, in the Merger Agreement must remain true and correct, except for certain inaccuracies that would not have, or would not reasonably be expected to have, a material adverse effect;
- (vi) PPBI and Pacific Premier, on the one hand, and Opus, on the other hand, must have performed their respective obligations under the Merger Agreement in all material respects;
- (vii) as of the month-end prior to the closing of the Merger, Opus must have an agreed-upon minimum aggregate outstanding balance of non-maturity deposits; and
- (ix) receipt by each party of an opinion from its counsel to the effect that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended.

Termination

The Merger Agreement contains certain termination rights for both PPBI and Opus, including if (i) the Merger is not consummated by December 31, 2020, and such date is not extended to March 31, 2021 under certain circumstances set forth in the Merger Agreement, (ii) the necessary regulatory approvals are not obtained, or (iii) there has been a breach by the other party that is not cured such that the applicable closing conditions are not satisfied.

Termination Fee

Opus must pay PPBI a termination fee in the amount of \$38,658,859 if the Merger Agreement is terminated under certain circumstances set forth in the Merger Agreement.

Expenses of the Merger

Each party will bear all expenses incurred by it in connection with the Merger Agreement and the transactions contemplated thereby.

The foregoing descriptions of the Merger Agreement and the shareholder agreements does not purport to be complete and are qualified in their entirety by reference to the full text of the Merger Agreement, including the form of shareholder agreement attached as Annex A to the Merger Agreement, which is attached as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The representations, warranties and covenants of each party set forth in the Merger Agreement have been made only for purposes of, were and are solely for the benefit of the parties to, the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Accordingly, the representations and warranties may not describe the actual state of affairs at the date they were made or at any other time, and investors should not rely on them as statements of fact.

In addition, such representations and warranties (i) will not survive consummation of the Merger, and cannot be the basis for any claims under the Merger Agreement by the other party after termination of the Merger Agreement, except as a result of fraud or willful breach of the provisions of the Merger Agreement, and (ii) were made only as of the date of the Merger Agreement or such other date as is specified in the Merger Agreement. Information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the parties' public disclosures. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding PPBI, Pacific Premier, Opus, or their respective affiliates or their respective businesses. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding Opus, PPBI, Pacific Premier, their respective affiliates or their respective businesses, the Merger Agreement and the Merger that will be contained in, or incorporated by reference into, the Registration Statement on Form S-4 that will include a proxy statement of Opus and a prospectus of PPBI, as well as in the Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and other filings that Opus makes with the Federal Deposit Insurance Corporation, or the FDIC, and PPBI makes with the Securities and Exchange Commission, or the SEC.

Forward Looking Statements

This Current Report on Form 8-K contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 regarding the financial condition, results of operations, business plans and the future performance of PPBI and Opus. Words such as "anticipates," "believes," "estimates," "expects," "forecasts," "intends," "plans," "projects," "could," "may," "should," "will" or other similar words and expressions are intended to identify these forward-looking statements. These forward-looking statements are based on PPBI's and Opus's current expectations and assumptions regarding PPBI's and Opus's businesses, the economy, and other future conditions. Because forward-looking statements relate to future results and occurrences, they are subject to inherent uncertainties, risks, and changes in circumstances that are difficult to predict. Many possible events or factors could affect PPBI's or Opus's future financial results and performance and could cause actual results or performance to differ materially from anticipated results or performance. Such risks and uncertainties include, among others: the occurrence of any event, change or other circumstances that could give rise to the right of one or both of the parties to terminate the definitive agreement and plan of reorganization between PPBI and Opus, the outcome of any legal proceedings that may be instituted against PPBI or Opus, delays in completing the transaction, the failure to obtain necessary regulatory approvals (and the risk that such approvals may result in the imposition of conditions that could adversely affect the combined company or the expected benefits of the transaction) and shareholder approvals or to satisfy any of the other conditions to the transaction on a timely basis or at all, the possibility that the anticipated benefits of the transaction are not realized when expected or at all, including as a result of the impact of, or problems arising from, the integration of the two companies or as a result of the strength of the economy and competitive factors in the areas where PPBI and Opus do business, the possibility that the transaction may be more expensive to complete than anticipated, including as a result of unexpected factors or events, diversion of management's attention from ongoing business operations and opportunities, potential adverse reactions or changes to business or employee relationships, including those resulting from the announcement or completion of the transaction, the ability to complete the transaction and integration of PPBI and Opus successfully, and the dilution caused by PPBI's issuance of additional shares of its capital stock in connection with the transaction. Except to the extent required by applicable law or regulation, each of PPBI and Opus disclaims any obligation to update such factors or to publicly announce the results of any revisions to any of the forward-looking statements included herein to reflect future events or developments. Further information regarding PPBI, Opus and factors which could affect the forward-looking statements contained herein can be found in PPBI's Annual Report on Form 10-K for the fiscal year ended December 31, 2018, its Quarterly Reports on Form 10-Q for the periods ended March 31, 2019, June 30, 2019 and September 30, 2019, and its other filings with the SEC, and in Opus's Annual Report on Form 10-K for the fiscal year ended December 31, 2018, its Quarterly Reports on Form 10-Q for the periods ended March 31, 2019, June 30, 2019 and September 30, 2019, and its other filings with the FDIC.

(e) Lost or Destroyed Certificates; Issuances of Purchaser Parent Common Stock in New Names. The Exchange Agent shall not be obligated to deliver book-entry shares representing shares of Purchaser Parent Common Stock to which a holder of Seller Capital Stock would otherwise be entitled as a result of the Merger until such holder surrenders the Certificate or Certificates representing the shares of Seller Capital Stock for exchange as provided in this Section 3.02, or, in default thereof, an appropriate affidavit of loss and indemnity agreement and/or a bond in an amount as may be reasonably required in each case by Purchaser Parent. If any book entry shares of Purchaser Parent Common Stock are to be issued in a name other than that in which the Certificate evidencing Seller Capital Stock surrendered in exchange therefore is registered, it shall be a condition of the issuance thereof that the Certificate so surrendered shall be properly endorsed or accompanied by an executed form of assignment separate from the Certificate and otherwise in proper form for transfer and that the Person requesting such exchange pay to the Exchange Agent any transfer or other Tax required by reason of the issuance of book entry shares of Purchaser Parent Common Stock in any name other than that of the registered holder of the Certificate or Book-Entry Shares surrendered or otherwise establish to the satisfaction of the Exchange Agent that such Tax has been paid or is not payable.

(f) Unclaimed Merger Consideration. The exchange of shares of Seller Capital Stock for the Merger Consideration as provided in this Section 3.02 shall be administered by the Exchange Agent until such time as any unclaimed portion thereof is required to be delivered to a public official pursuant to applicable abandoned property, escheat or similar laws. Neither the Exchange Agent nor any party to this Agreement shall be liable to any holder of stock represented by any Certificate or Book-Entry Share for any consideration paid to a public official pursuant to applicable abandoned property, escheat or similar laws. The Exchange Agent shall be entitled to rely upon the stock transfer books of Seller to establish the identity of those Persons entitled to receive the consideration specified in this Agreement, which books shall be conclusive (absent manifest error) with respect thereto. In the event of a dispute with respect to ownership of stock represented by any Certificate or Book-Entry Share, the Exchange Agent shall be entitled to deposit any consideration represented thereby in escrow with an independent third party and thereafter be relieved with respect to any claims thereto.

3.03 Rights as Shareholders. At the Effective Time, holders of Seller Capital Stock shall cease to be, and shall have no rights as, shareholders of Seller other than to receive the consideration provided for under this Article III.

3.04 No Fractional Shares. Notwithstanding any other provision of this Agreement, neither certificates nor scrip for fractional shares of Purchaser Parent Common Stock shall be issued in the Merger. Each holder of Seller Capital Stock who otherwise would have been entitled to a fraction of a share of Purchaser Parent Common Stock (after taking into account all Certificates or Book-Entry Shares delivered by such holder) shall receive in lieu thereof cash (without interest) in an amount determined by multiplying the fractional share interest to which such holder would otherwise be entitled by the Purchaser Parent Average Share Price, rounded to the nearest whole cent. No such holder shall be entitled to dividends, voting rights or any other rights in respect of any fractional share.

3.05 Dissenting Shares. Each outstanding share of Seller Preferred Stock the holder of which has perfected his, her or its right to dissent pursuant to Chapter 13 of the CGCL, including making a demand of Seller to purchase his, her or its shares pursuant to Section 1301 of Chapter 13 of the CGCL and submitting his, her or its shares for endorsement pursuant to Section 1302 of Chapter 13 of the CGCL, and has not effectively withdrawn or lost such right as of the Effective Time (the “Dissenting Shares”), shall not be converted into or represent a right to receive the Merger Consideration hereunder, and the holder thereof shall be entitled only to such rights as are granted by the CGCL. Seller shall give Purchaser Parent prompt notice upon receipt by Seller of any such written demands for payment of the fair value of such shares of Seller Preferred Stock and of withdrawals of such demands and any other instruments provided pursuant to the CGCL. If any holder of Dissenting Shares shall have effectively withdrawn or lost the right to dissent (through failure to perfect or otherwise), the Dissenting Shares held by such holder shall be converted on a share by share basis into the right to receive the Merger Consideration in accordance with the applicable provisions of this Agreement. Any payments made in respect of Dissenting Shares shall be made by Purchaser Parent or the Surviving Bank within the time period set forth in the CGCL.

3.06 Anti-Dilution Provisions. If, between the date hereof and the Effective Time, the shares of Purchaser Parent Common Stock shall be increased, decreased or changed into a different number or class of shares by reason of any reclassification, recapitalization, split-up, combination, exchange of shares or readjustment, stock dividend or distribution, stock split (including a reverse stock split), issuer tender or exchange offer or other transaction in Purchaser Parent Common Stock having such an effect, the Exchange Ratio shall be adjusted accordingly; provided that a bona fide offering or sale of Purchaser Parent Common Stock for fair value received shall not be deemed a reclassification, recapitalization, split-up, combination, exchange of shares or readjustment, stock dividend or distribution, stock split (including a reverse stock split), issuer tender or exchange offer or other transaction in Purchaser Parent Common Stock having such an effect.

3.07 Withholding Rights. Purchaser Parent (through the Exchange Agent, if applicable) shall be entitled to deduct and withhold from any amounts otherwise payable pursuant to this Agreement to any holder of shares of Seller Capital Stock or Seller Equity Awards such amounts as Purchaser Parent reasonably determines is required under the Code or any state, local or foreign Tax law or regulation thereunder to deduct and withhold with respect to the making of such payment, and to collect any necessary Tax forms or other necessary information. Except for any withholding required as the result of any failure to deliver any certificates or forms requested for purposes of federal backup withholding, in the event Purchaser Parent reasonably determines that it is so required to deduct or withhold an amount for or on account of any Tax from any consideration payable or otherwise deliverable pursuant to this Agreement, Purchaser Parent shall use reasonable efforts to notify Seller of its determination and the parties shall cooperate in good faith to minimize to the extent permissible the amount of any such deduction or withholding, including providing any certificates or forms that are reasonably requested to establish and exemption from (or reduction in) any deduction or withholding. Any amounts so withheld shall be timely remitted to the applicable Governmental Authority and shall be treated for all purposes of this Agreement as having been paid to the holder of Seller Capital Stock or Seller Equity Award, as applicable, in respect of which such deduction and withholding was made by Purchaser Parent.

3.08 Seller Options, Seller Restricted Stock and Seller Restricted Stock Units.

(a) At the Effective Time, each vested Seller Option which is outstanding and unexercised immediately prior to the Effective Time shall be cancelled in exchange for the right to receive (without interest) from Seller immediately prior to the Effective Time, a single lump sum cash payment equal to the product of (i) the number of shares of Seller Common Stock subject to such Seller Option immediately prior to the Effective Time, and (ii) the excess, if any, of (A) the Purchaser Parent Average Share Price multiplied by the Exchange Ratio over (B) the exercise price per share of such Seller Option (the "Option Merger Consideration"), less any applicable Taxes required to be withheld with respect to such payment. If the exercise price per share of any such Seller Option is equal to or greater than the Purchaser Parent Average Share Price multiplied by the Exchange Ratio, such Seller Option shall be canceled without any cash payment being made in respect thereof. Seller shall use its reasonable best efforts to obtain the written acknowledgement of each holder of a then outstanding Seller Option with regard to the cancellation of such Seller Option and the payment therefor in accordance with the terms of this Agreement. Subject to the foregoing, the Seller Equity Plans and all Seller Options issued thereunder shall terminate at the Effective Time.

(b) With respect to each outstanding award of restricted shares of Seller Common Stock granted pursuant to a Seller Equity Plan (the "Seller Restricted Stock"), Seller shall take all necessary action, if any, and without any action on the part of the holder thereof and consistent with the terms of the Seller Equity Plans, to cause each such outstanding award of Seller Restricted Stock to become fully vested effective immediately prior to the Effective Time and, as a result of such vesting, a number of shares of Seller Common Stock equal to (i) the number of shares of Seller Restricted Stock (including the number of shares of Seller Common Stock contemplated by such award to cover dividends) held by such holder minus (ii) a number of shares of Seller Common Stock having a fair market value, based on the closing price of Seller Common Stock on the second trading day prior to the Closing Date, equal to any applicable Taxes required to be withheld (if any) with respect to such vesting (such amount being referred to as the "Net Vested Seller Shares"), shall be deemed issued in the name of such holder and outstanding as of the Effective Time. At the Effective Time, each Net Vested Seller Share shall be converted into, and shall be canceled in exchange for, the right to receive a number of shares of Purchaser Parent Common Stock equal to the Exchange Ratio and any accrued dividends that are payable in cash pursuant to the terms of such Seller Equity Award; provided that any fractional shares of Purchaser Parent Common Stock shall be treated as set forth in Section 3.04.

(c) (i) With respect to each outstanding award of time-based restricted stock units granted pursuant to a Seller Equity Plan (the "Seller RSUs") (other than 2020 Seller RSUs held by Continuing Employees), Seller shall take all necessary action, if any, and without any action on the part of the holder thereof and consistent with the terms of the Seller Equity Plans, to cause each such outstanding award of Seller RSUs to become fully vested effective immediately prior to the Effective Time and, as a result of such vesting, a number of shares of Seller Common Stock equal to (x) the number of shares of Seller Common Stock subject to the Seller RSUs (including the number of shares of Seller Common Stock contemplated by such award to cover dividend equivalents) held by such holder minus (y) a number of shares of Seller Common Stock having a fair market value, based on the closing price of Seller Common Stock on the second trading day prior to the Closing Date, equal to any applicable Taxes required to be withheld with respect to such vesting and settlement (such amount being referred to as the "Net Vested Seller RSU Shares"), shall be deemed issued in the name of such holder and outstanding as of the Effective Time. At the Effective Time, each Net Vested Seller RSU Share shall be converted into, and shall be canceled in exchange for, the right to receive a number of shares of Purchaser Parent Common Stock equal to the Exchange Ratio and any accrued dividend equivalents that are payable in cash pursuant to the terms of such Seller Equity Award; provided that any fractional shares of Purchaser Parent Common Stock shall be treated as set forth in Section 3.04.

(ii) With respect to each outstanding award of performance-based restricted stock units granted pursuant to a Seller Equity Plan (the “Seller PRSUs”) (other than 2020 Seller PRSUs held by Continuing Employees), Seller shall take all necessary action, if any, and without any action on the part of the holder thereof and consistent with the terms of the Seller Equity Plans, to cause (x) with respect to Seller PRSUs (excluding 2020 PRSUs) held by a Continuing Employee, a Pro Rata Portion of each outstanding Seller PRSU award held by such Continuing Employee, and (y) with respect to Seller PRSUs (including 2020 PRSUs) held by a holder who is not a Continuing Employee, the greater of the Shortened Period RSU (as such term is defined in the applicable award agreement) and the target number of Seller PRSUs subject to such outstanding Seller PRSU (in each case, the “Vested Seller PRSUs”), to become vested effective immediately prior to the Effective Time and, as a result of such vesting, a number of shares of Seller Common Stock equal to (A) the number of shares of Seller Common Stock subject to the Vested Seller PRSUs (including the number of shares of Seller Common Stock contemplated by such award to cover dividend equivalents) held by such holder minus (B) a number of shares of Seller Common Stock having a fair market value, based on the closing price of Seller Common Stock on the second trading day prior to the Closing Date, equal to any applicable Taxes required to be withheld with respect to such vesting and settlement (such amount being referred to as the “Net Vested Seller PRSU Shares”), shall be deemed issued in the name of such holder and outstanding as of the Effective Time. At the Effective Time, each Net Vested Seller PRSU Share shall be converted into, and shall be canceled in exchange for, the right to receive a number of shares of Purchaser Parent Common Stock equal to the Exchange Ratio and any accrued dividend equivalents that are payable in cash pursuant to the terms of such Seller Equity Award; provided that any fractional shares of Purchaser Parent Common Stock shall be treated as set forth in Section 3.04. For purposes of this Section 3.08(c)(ii), “Pro Rata Portion” means the pro rata portion of the total number of shares of Seller Common Stock subject to an award of Seller PRSUs (i.e., a pro rata portion of the target number of Seller PRSUs subject to the award) based on the portion of the performance period completed as of the Closing Date or, if greater, based on Seller’s actual performance based on a shortened performance period which extends through the end of the fiscal quarter immediately preceding the Closing Date.

(iii) At the Effective Time, each 2020 Seller RSU held by a Continuing Employee shall, automatically and without any action on the part of the holder thereof, cease to represent a restricted stock unit denominated in shares of Seller Common Stock and shall be substituted with a restricted stock unit denominated in shares of Purchaser Parent Common Stock (a “Purchaser Parent RSU”) with terms substantially similar to the terms and conditions (including the same vesting terms) as were applicable to the applicable 2020 Seller RSU immediately prior to the Effective Time. The number of shares of Purchaser Parent Common Stock subject to each such Purchaser Parent RSU shall be equal to the product (rounded to the nearest whole number) of (x) the number of shares of Seller Common Stock subject to such 2020 Seller RSU immediately prior to the Effective Time multiplied by (y) the Exchange Ratio.

(iv) At the Effective Time, each 2020 Seller PRSU held by a Continuing Employee shall, automatically and without any action on the part of the holder thereof, cease to represent a performance stock unit denominated in shares of Seller Common Stock and shall be substituted with a Purchaser Parent RSU with terms substantially similar to the terms and conditions (including the same service-based vesting terms but excluding performance-based vesting terms) as were applicable to the applicable 2020 Seller PRSU immediately prior to the Effective Time. The number of shares of Purchaser Parent Common Stock subject to each such Purchaser Parent RSU shall be equal to the product (rounded to the nearest whole number) of (x) the number of shares of Seller Common Stock subject to such 2020 Seller PRSU immediately prior to the Effective Time, determined based on the greater of the Shortened Period RSUs (as such term is defined in the award agreement applicable to the Seller PRSUs) and the target number of 2020 Seller PRSUs, multiplied by (y) the Exchange Ratio.

(d) At or prior to the Effective Time, Seller, the Seller Board and the Compensation Committee of the Seller Board, as applicable, shall adopt any resolutions and take any actions which are necessary to effectuate the provisions of this Section 3.08, and shall take all actions that may be necessary or required to ensure that from and after the Effective Time neither Purchaser Parent nor its Subsidiaries will be required to deliver shares of Seller Common Stock to any Person pursuant to or in settlement of Seller Equity Awards.

(e) Purchaser Parent shall take all actions reasonably necessary to issue the shares of Purchaser Parent Common Stock (and cash in lieu of fractional shares as contemplated by Section 3.04 and cash in respect of any dividends or dividend equivalents) to holders of Net Vested Seller Shares, Net Vested Seller RSU Shares, and Net Vested Seller PRSU Shares in accordance with this Section 3.08 as soon as reasonably practicable after the Effective Time (and, for the avoidance of doubt, such shares of Purchaser Parent Common Stock and cash shall be delivered through the Exchange Agent procedures contemplated by Section 3.02). Purchaser Parent shall take all actions that are necessary for the substitution of Seller Equity Awards pursuant to Section 3.08(c)(iii) and Section 3.08(c)(iv) including the reservation, issuance and listing of Purchaser Parent Common Stock as necessary to effect the transactions contemplated by such Sections. If registration of shares of Purchaser Parent Common Stock issuable under the Purchaser Parent RSUs and Purchaser Parent PRSUs is required under the Securities Act, then Purchaser Parent shall file with the SEC on the Closing Date a registration statement on Form S-8 with respect to such Purchaser Parent Common Stock, and shall use its reasonable best efforts to maintain the effectiveness of such registration statement.

3.09 Seller Warrants.

(a) Seller shall use its reasonable best efforts to obtain from each holder of a then-outstanding Seller Warrant, no later than five (5) Business Days prior to the Closing, either (x) a written acknowledgement with regard to the cancellation of such Seller Warrant immediately prior to the Effective Time and the payment therefor in accordance with the terms of Section 3.09(a)(i) below (a "Warrant Cancellation Notice"), or (y) a written notice of providing for the exercise (for cash or cashless) effective immediately prior to the Effective Time of such Seller Warrant holder's Seller Warrant in accordance with the terms of Section 3.09(a)(ii) below (a "Warrant Exercise Notice").

(i) Each outstanding Seller Warrant for which a Warrant Cancellation Notice has been received pursuant to Section 3.09(a) above shall be canceled in exchange for the right of the holder of such Seller Warrant to receive from Purchaser Parent a single lump sum cash payment, equal to the product of (x) the number of shares of Seller Common Stock subject to such Seller Warrant (on an as-converted basis in the case of Seller Preferred Stock Warrants) immediately prior to the Effective Time, and (y) the excess, if any, of (A) the Purchaser Parent Average Share Price multiplied by the Exchange Ratio over (B) the exercise price per share of Seller Common Stock of such Seller Warrant (on an as-converted basis in the case of Seller Preferred Stock Warrants), less any applicable Taxes required to be withheld with respect to such payment. If the exercise price per share of any such Seller Warrant (on an as-converted basis, in the case of Seller Preferred Stock Warrant) is equal to or greater than the Purchaser Parent Average Share Price multiplied by the Exchange Ratio, such Seller Warrant shall be canceled without any cash payment being made in respect thereof.

(ii) Each outstanding Seller Warrant for which a Warrant Exercise Notice has been received pursuant to Section 3.09(a) above shall be deemed exercised, and the shares of Seller Capital Stock issuable upon exercise of such Seller Warrant shall be deemed issued immediately prior to the Effective Time. At the Effective Time, the shares of Seller Capital Stock issued pursuant to this Section 3.09(a)(ii) shall be converted into the right to receive the Merger Consideration pursuant to Section 3.01(b).

(b) In the event that, for any outstanding Seller Warrant, Seller has not received a Warrant Cancellation Notice or a Warrant Exercise Notice at least five (5) Business Days prior to the Closing, then in accordance with the terms of such Seller Warrant, Purchaser Parent shall assume such Seller Warrant and shall be obligated to pay the Merger Consideration to the holder of such Seller Warrant upon exercise thereof in accordance with its terms.

3.10 Reservation of Shares. Prior to the Closing, the Purchaser Parent Board shall reserve for issuance a sufficient number of shares of Purchaser Parent Common Stock for the purpose of issuing its shares in exchange for shares of Seller Capital Stock in the Merger or upon the exercise of Seller Warrants, if any, assumed by Purchaser Parent in accordance with Section 3.09(b) above.

5.02 Standard. Solely for the purposes of determining whether the conditions set forth in Sections 7.02(a) or 7.03(a), as the case may be, have been satisfied (and without otherwise qualifying any representation or warranty made on the date hereof), no representation or warranty of Seller on the one hand or Purchaser Parent and Purchaser Bank on the other hand contained in Sections 5.03 or 5.04, respectively, other than the representations of Seller on the one hand or Purchaser Parent and Purchaser Bank on the other hand contained in Section 5.03(b) or 5.04(b), respectively, which shall be true in all respects, except to a de minimis extent (relative to Section 5.03(b) or 5.04(b), taken as a whole), shall be deemed untrue or incorrect for purposes of Sections 7.02(a) or 7.03(a), and no party hereto shall be deemed to have breached a representation or warranty for purposes of such Sections, as a consequence of the existence of any fact, event or circumstance unless such fact, circumstance or event, individually or taken together with all other facts, events or circumstances inconsistent with any representation or warranty contained in Sections 5.03 or 5.04, has had or is reasonably likely to have a Material Adverse Effect on the party making such representation or warranty.

(iv) Seller has provided to Purchaser Parent in Section 5.03(c)(iv) of Seller's Disclosure Schedule the summary financial statements for PENSICO Trust Company LLC and each other Seller Subsidiary that is a "significant subsidiary" within the meaning of Rule 1-02(w) of Regulation S-X.

(e) Corporate Authority. Subject to the approval of the Agreement by the holders of the outstanding Seller Common Stock and Seller Preferred Stock, this Agreement and the Transaction have been authorized by all necessary corporate action of Seller and the Seller Board on or prior to the date hereof. Seller has duly executed and delivered this Agreement and assuming due authorization, execution and delivery by Purchaser Parent, this Agreement is a valid and legally binding obligation of Seller, enforceable in accordance with its terms (except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and similar laws of general applicability relating to or affecting creditors' rights or by general equity principles).

(f) Regulatory Approvals; No Defaults.

(i) Except as set forth in Section 5.03(f) of Seller's Disclosure Schedule, no consents or approvals of, or waivers by, or notices to, or filings or registrations with, any Governmental Authority or with any third party are required to be made or obtained by Seller or any of its Subsidiaries in connection with the execution, delivery or performance by Seller of this Agreement, or to consummate the Transaction, except for (A) filings of applications or notices with, and approvals or waivers by, the FRB, the DBO, and DORA, as required and, in each case, as listed in Section 5.03(f) of Seller's Disclosure Schedule, (B) filings with the FDIC, the SEC and state securities authorities, as applicable, in connection with the issuance of Purchaser Parent Common Stock in the Merger, (C) approval of listing of such Purchaser Parent Common Stock on the Nasdaq, (D) the filing of the Agreement of Merger with the Secretary of State of the State of California and the DBO pursuant to the CGCL and the CFC, and (E) the approval of this Agreement, including the Agreement of Merger, by the holders of the outstanding shares of Seller Common Stock and Seller Preferred Stock, voting as separate classes. To the Knowledge of Seller, there is no reason why the approvals set forth above and referred to in Section 7.01(b) will not be received in a timely manner and without the imposition of a condition, restriction or requirement of the type described in Section 7.01(b).

(ii) Subject to receipt, or the making, of the consents, approvals, waivers, notices and filings referred to in the preceding paragraph and the expiration of related waiting periods, the execution, delivery and performance of this Agreement by Seller and the consummation of the Transaction do not and will not (A) constitute a breach or violation of, or a default under, or give rise to any Lien, any acceleration of remedies or any right of termination under (in each case with or without notice, lapse of time, or both), any law, code, ordinance, rule or regulation or any judgment, decree, injunction, order, governmental permit or license to which Seller or any of its Subsidiaries or any of their respective assets or properties is subject or bound, or any Material Contract, (B) constitute a breach or violation of, or a default under, the articles of incorporation or bylaws (or similar governing documents) of Seller or any of its Subsidiaries or (C) require any consent or approval under any law, code, ordinance, rule, regulation, judgment, decree, injunction, order, governmental permit or license, or Material Contract except where, in the case of clauses (A) and (C) above, any such breach, violation, default, creation, acceleration, termination or failure to obtain such consent or approval would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect with respect to Seller and its Subsidiaries, taken as a whole.

(g) Financial Reports and Securities Documents; Internal Controls.

(i) Since December 31, 2017, Seller has filed or will file, in each case on a timely basis, with the FDIC its Annual Reports on Form 10-K and its Quarterly Reports on Form 10-Q, and all other reports, registration statements, definitive proxy statements or information statements and other materials, together with any amendments required to be made with respect thereto, as required under Section 13(a), 13(c), 14 or 15 of the Exchange Act (collectively, "Seller's Securities Documents"), and, as of the date filed or to be filed, Seller's Securities Documents (A) complied or will comply in all material respects with the applicable requirements under the Exchange Act and the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act"), as the case may be, and (B) did not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, except that information as of a later date shall be deemed to modify information as of an earlier date; and each of the consolidated balance sheets contained in or incorporated by reference into any of Seller's Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q (including the related notes and schedules thereto) fairly presents, or will fairly present, in all material respects, the consolidated financial position of Seller and its Subsidiaries as of its date, and each of the consolidated statements of operations and comprehensive income, changes in stockholders' equity, and cash flows or equivalent statements in Seller's Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q (including any related notes and schedules thereto) fairly presents, or will fairly present, the consolidated results of operations, changes in stockholders' equity and other comprehensive income (loss) and cash flows, as the case may be, of Seller and its Subsidiaries for the periods to which they relate, in each case in accordance with GAAP consistently applied during the periods involved, except in each case as may be noted therein and subject, in the case of audited consolidated financial statements that are part of the Seller Quarterly Reports on Form 10-Q, to normal year-end adjustments. The books and records of Seller and its Subsidiaries have been, and are being, maintained in all material respects in accordance with GAAP and any other applicable legal and accounting requirements and reflect only actual transactions.

(ii) Except as set forth on the unaudited consolidated balance sheet of Seller dated as of September 30, 2019 and included in Seller's Securities Documents filed prior to the date hereof, neither Seller nor any of its Subsidiaries has any liability (whether absolute, contingent or accrued or otherwise and whether due or to become due) that would be required to be reflected on a balance sheet or in notes thereto prepared in accordance with GAAP, other than liabilities (A) incurred after September 30, 2019 in the ordinary course of business consistent with past practice, or (B) incurred pursuant to or provided for in this Agreement and that, individually or in the aggregate, are not and would not reasonably be expected to be material to Seller and its Subsidiaries, taken as a whole.

(iii) Since September 30, 2019, (A) Seller and its Subsidiaries have conducted their respective businesses in the ordinary course of business consistent with past practice, (B) neither Seller nor any of its Subsidiaries has taken nor permitted or entered into any contract with respect to, or otherwise agreed or committed to do or take, any action that, if taken after the date hereof, would constitute a breach of any of the covenants in Section 4.01 and (C) no event has occurred or circumstance arisen that, individually or taken together with all other facts, circumstances and events (described in any paragraph of this Section 5.03 or otherwise), has had or would reasonably be expected to have a Material Adverse Effect on Seller and its Subsidiaries, taken as a whole.

(iv) No agreement pursuant to which any Loans or other assets have been or shall be sold by Seller or its Subsidiaries entitled the buyer of such Loans or other assets, unless there is material breach of a representation or covenant by Seller or its Subsidiaries, to cause Seller or its Subsidiaries to repurchase such Loan or other asset or the buyer to pursue any other form of recourse against Seller or its Subsidiaries. Section 5.03(g)(iv) of Seller's Disclosure Schedule sets forth all cash, stock or other dividend or any other distribution with respect to the capital stock of Seller or its Subsidiaries that has been declared, set aside or paid since December 31, 2015, as well as all shares of capital stock of Seller or its Subsidiaries that have been purchased, redeemed or otherwise acquired, directly or indirectly, by Seller or any of its Subsidiaries since December 31, 2015.

(v) The records, systems, controls, data and information of Seller and its Subsidiaries are recorded, stored, maintained and operated under means (including any electronic, mechanical or photographic process, whether computerized or not) that are under the exclusive ownership and direct control of Seller or its Subsidiaries or its accountants (including all means of access thereto and therefrom), except for any non-exclusive ownership and non-direct control that, would not reasonably be expected to have a Material Adverse Effect on Seller and its Subsidiaries, taken as a whole. Seller (A) has implemented and maintains disclosure controls and procedures, as defined by Rule 13a-15 and 15d-15 under the Exchange Act, to ensure that material information relating to Seller and its Subsidiaries is made known to the Chief Executive Officer and the Chief Financial Officer of Seller by others within Seller or its Subsidiaries and (B) has disclosed, based on its most recent evaluation prior to the date hereof, to Seller's outside auditors and the audit committee of the Seller Board (x) any significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting which are reasonably likely to adversely affect Seller's ability to record, process, summarize and report financial information and (y) to the knowledge of Seller, any fraud, whether or not material, that involves management or other employees who have a significant role in Seller's internal controls over financial reporting. These disclosures, if any, were made in writing by management to Seller's auditors and audit committee and a copy has previously been made available to Purchaser Parent. The disclosure controls and procedures discussed above are effective to ensure that information required to be disclosed by Seller is recorded and reported on a timely basis to the individuals responsible for the preparation of Seller's filings with the FDIC and other public disclosure documents. Seller's internal control over financial reporting is effective in providing reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP and includes policies and procedures that (A) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of Seller, (B) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with GAAP, and that receipts and expenditures of Seller are being made only in accordance with authorizations of management and directors of Seller and (C) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of Seller's assets that could have a material effect on its financial statements.

(vi) Except as set forth in Section 5.03(g)(vi) of Seller's Disclosure Schedule, since January 1, 2017, (A) neither Seller nor any of its Subsidiaries nor, to the Knowledge of Seller, any director, officer, employee, auditor, accountant or representative of Seller or any of its Subsidiaries, has received or otherwise had or obtained Knowledge of any material complaint, allegation, assertion or claim, whether written or oral, regarding the accounting or auditing practices, procedures, methodologies or methods of Seller or any of its Subsidiaries or their respective internal accounting controls, including any material written complaint, allegation, assertion or claim that Seller or any of its Subsidiaries, has engaged in questionable accounting or auditing practices, and (B) no attorney representing Seller or any of its Subsidiaries, whether or not employed by Seller or any of its Subsidiaries, has reported evidence of a material violation of securities laws, breach of fiduciary duty or similar violation by Seller or any of its Subsidiaries or their respective officers, directors, employees or agents to the Seller Board or any committee thereof or, to the Knowledge of Seller, to any director or officer of Seller or any of its Subsidiaries.

(h) Legal Proceedings. Section 5.03(h) of Seller's Disclosure Schedule lists all litigation, arbitration, claims or other proceedings before any court or Governmental Authority that is pending against Seller or any of its Subsidiaries as of the date hereof and with respect to which the amount in controversy exceeds \$100,000. Except as set forth in Section 5.03(h) of Seller's Disclosure Schedule, no litigation, arbitration, claim or other proceeding before any Governmental Authority is pending against Seller or any of its Subsidiaries and, to Seller's Knowledge, no such litigation, arbitration, claim or other proceeding has been threatened in each case where the amount in controversy exceeds \$100,000. Neither Seller nor any of its Subsidiaries nor any of their respective properties is a party to or subject to any order, judgment, decree or regulatory restriction that, individually or in the aggregate, has had or would reasonably be expected to have a Material Adverse Effect on Seller and its Subsidiaries, taken as a whole.

(i) Regulatory Matters.

(i) Except as set forth in Section 5.03(i)(i) of Seller's Disclosure Schedule, since January 1, 2017, Seller and its Subsidiaries have duly filed with the appropriate regulatory authorities in substantially correct form the quarterly or annual reports required to be filed under applicable law, regulations or policies imposed by any Governmental Authority, and such reports were in all material respects complete and accurate and in compliance in all material respects with the requirements of applicable law, regulations or policies imposed by any Governmental Authority, and Seller has previously delivered or made available to Purchaser Parent accurate and complete copies of all such reports. In connection with the most recent examination of Seller and its Subsidiaries by the appropriate regulatory authorities, neither Seller nor any of its Subsidiaries was required to correct or change any action, procedure or proceeding which Seller believes in good faith has not been now corrected or changed, other than corrections or changes which, if not made, would not have or would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect on Seller and its Subsidiaries, taken as a whole.

(ii) Neither Seller nor any of its Subsidiaries nor any of their respective properties is a party to or is subject to any order, decree, directive, agreement, memorandum of understanding or similar arrangement with, or a commitment letter or similar submission to, or, a recipient of an extraordinary supervisory letter from, nor has Seller or any of its Subsidiaries, since January 1, 2017, adopted any policies, procedures or board resolutions at the request or suggestion of, any Governmental Authority, that, in each case, individually or in the aggregate, would reasonably be expected to result in a Material Adverse Effect with respect to Seller and its Subsidiaries, taken as a whole. Seller and its Subsidiaries have paid all assessments made or imposed by any Governmental Authority.

(iii) Neither Seller nor any of its Subsidiaries has been advised by, nor does it have any Knowledge that, any Governmental Authority is currently contemplating issuing or requesting (or is considering the appropriateness of issuing or requesting) any such order, decree, directive, agreement, memorandum of understanding, commitment letter, supervisory letter or similar submission or any request for the adoption of any policy, procedure or board resolution.

(iv) (A) Except as set forth in Section 5.03(i)(iv) of Seller's Disclosure Schedule, no Governmental Authority has initiated since January 1, 2017 or has pending any proceeding, enforcement action or, to the Knowledge of Seller, investigation or inquiry into the business, operations, policies, practices or disclosures of Seller or any of its Subsidiaries (other than normal examinations conducted by a Governmental Authority in the ordinary course of the business of Seller and its Subsidiaries), or, to the Knowledge of Seller, threatened any of the foregoing, and (B) there is no unresolved violation, criticism, comment or exception by any Governmental Authority with respect to any report or statement relating to any examinations or inspections of Seller or any of its Subsidiaries, other than, in each case, which would not reasonably be expected to result in a Material Adverse Effect on Seller and its Subsidiaries, taken as a whole.

(v) The most recent regulatory rating given to Seller as to compliance with the Community Reinvestment Act is at least "satisfactory." Since the last regulatory examination of Seller with respect to Community Reinvestment Act compliance, Seller has not received any material complaints from consumers, community groups or similar organizations as to Community Reinvestment Act compliance.

(j) Compliance with Laws. Except as set forth in Section 5.03(j) of Seller's Disclosure Schedule, each of Seller and its Subsidiaries:

(i) is, and at all times since January 1, 2017, has been, in material compliance with all applicable federal, state, local and foreign statutes, laws, codes, regulations, ordinances, rules, judgments, injunctions, orders, decrees or policies and/or guidelines of any Governmental Authority applicable thereto or to the employees conducting such business, including, without limitation, Sections 23A and 23B of the Federal Reserve Act and FRB and FDIC regulations pursuant thereto, the Equal Credit Opportunity Act, the Fair Housing Act, the Community Reinvestment Act, the Home Mortgage Disclosure Act, the Bank Secrecy Act, the USA PATRIOT Act, the Electronic Fund Transfer Act and Regulation E of the FRB, all other applicable fair lending laws and other laws relating to discriminatory business practices and all posted and internal policies of Seller and its Subsidiaries related to customer data, privacy and security;

(ii) has, and at all times since January 1, 2017, has had, all material permits, licenses, franchises, authorizations, orders and approvals of, and has made all filings, applications and registrations with, all Governmental Authorities (and has paid all fees and assessments due and payable in connection therewith) that are required in order to permit them to own or lease their properties and to conduct their business as presently conducted in all material respects; all such permits, licenses, franchises, certificates of authority, orders and approvals are in full force and effect and, to Seller's Knowledge, no suspension or cancellation of any of them is threatened; and

(iii) has received no written notification or communication from any Governmental Authority (A) asserting that Seller or any of its Subsidiaries is not in compliance with any of the statutes, regulations or ordinances which such Governmental Authority enforces or (B) threatening to revoke any license, franchise, permit or governmental authorization (nor, to Seller's Knowledge, do any grounds exist that would reasonably be expected to result in any of the foregoing).

(k) Material Contracts; Defaults.

True, correct and complete copies of all such Material Contracts have been made available to Purchaser Parent as of the date hereof.

No power of attorney or similar authorization given directly or indirectly by Seller of any of its Subsidiaries is currently outstanding. With respect to the Material Contracts, to Seller's Knowledge, no event has occurred, and no circumstance or condition exists that (with or without notice or lapse of time, or both) will, or would reasonably be expected to, (A) give any Person the right to declare a default with respect to, or exercise any remedy under any material provision of, any Material Contract, (B) give any Person the right to accelerate the performance of any material provision of, or the maturity of, any Material Contract, or (C) give any Person the right to cancel or terminate, or modify any material provision of, any Material Contract.

(iii) Section 5.03(k)(iii) of Seller's Disclosure Schedule sets forth a schedule of all holders of five percent or more of Seller Common Stock (including any Seller Warrants and Seller Preferred Stock held on an as-exercised and as-converted basis) and executive officers and directors of Seller and its Subsidiaries who have outstanding loans from Seller or any of its Subsidiaries, and there has been no default on, or forgiveness or waiver of, in whole or in part, any such loan during the two years immediately preceding the date hereof.

(l) No Brokers. No action has been taken by Seller or any of its Subsidiaries that would give rise to any valid claim against any party hereto for a brokerage commission, finder's fee or other like payment with respect to the Transaction, other than fees to be paid to Piper Sandler & Co., which are set forth in Section 5.03(l) of Seller's Disclosure Schedule. Copies of all agreements with Piper Sandler & Co. have been previously provided or made available to Purchaser Parent.

True and complete copies of the following documents have been provided or made available to Purchaser Parent: (A) all Benefit Plans documents and all written agreements underlying a funding medium for or relating to the administration of any Benefit Plan including, but not limited to, any trust instruments, group annuity contracts, investment management and insurance contracts, certificates of coverage and all amendments thereto; (B) the most recent annual report (Form 5500), together with all schedules, as required, filed with the Internal Revenue Service ("IRS") or Department of Labor (the "DOL") and a copy of any "top hat" filings with the DOL, as applicable, and any financial statements and opinions required by Section 103(e)(3) of ERISA with respect to each Benefit Plan; (C) the most recent determination or opinion or advisory letter issued by the IRS for each Benefit Plan that is intended to be "qualified" under Section 401(a) of the Code; (D) the most recent summary plan description and any summary of material modifications, as required, for each Benefit Plan; (E) the most recent actuarial report, if any, relating to each Benefit Plan; and (F) the most recent summary annual report for each Benefit Plan required to provide summary annual reports by Section 104 of ERISA.

(ii) Each Benefit Plan has been established and administered to date in all material respects in accordance with the applicable provisions of ERISA, the Code and applicable law and with the terms and provisions of all documents, contracts or agreements pursuant to which such Benefit Plan is maintained. Each Benefit Plan that is intended to qualify under Section 401(a) of the Code, has received a current determination letter (or is the subject of a current opinion letter in the case of any prototype plan) from the IRS on which Seller can rely that it is so qualified, and nothing has occurred with respect to the operation of any such plan which would cause the loss of such qualification or exemption or the imposition of any material liability. There is no pending or, to Seller's Knowledge, threatened proceeding, lawsuit or claim (other than a routine claim for benefits) as of the date hereof and with respect to which the amount in controversy exceeds \$100,000 relating to the Benefit Plans. Neither Seller nor its Subsidiaries have received any correspondence from a Governmental Authority or any participant or beneficiary of a Benefit Plan that brings into questions the qualification of any such plan. Neither Seller nor any of its Subsidiaries is subject to or could reasonably be likely to be subject to a material liability, fine or penalty of any kind with respect to any Benefit Plan under either the Code or ERISA. No assets of Seller or any Subsidiary are subject to an encumbrance or lien that may be imposed under ERISA or the Code with respect to the operation, administration or funding of any Benefit Plan. Since January 1, 2017, no Benefit Plan or related trust has been the subject of an audit, investigation or examination or other proceeding by the IRS, the DOL or other Governmental Authority. There have been no nonexempt "prohibited transactions" within the meaning of Section 4975 of the Code or Section 406 of ERISA and no breach of fiduciary duty has occurred with respect to any Benefit Plan in connection with which Seller or any Subsidiary reasonably could be subject to either a civil penalty assessed pursuant to Section 409 or 502(i) of ERISA or a tax imposed pursuant to Section 4975, 4976, 4980D, 4980H or 49801 of the Code or under any applicable provision of the Health Care and Education Reconciliation Act of 2010 (the "ACA"). With respect to each Benefit Plan, as applicable, all reports and disclosures required to be filed or delivered under ERISA and the Code have been accurate in all material respects as of the date filed, have been filed or distributed in a timely manner, and any Taxes due in connection with such filings have been paid. Seller and any ERISA Affiliate that sponsors, maintains or contributes to a group health plan (within the meaning of Section 5000(b) of the Code) has complied with the Patient Protection and Affordable Care Act, the ACA and the requirements of Section 4980B of the Code and the regulations promulgated under each such law, including applicable reporting, tax deposits and fee payment obligations.

(iii) Neither Seller nor any entity considered to be a single employer with Seller under Section 4001(b)(1) of ERISA or Section 414(b), (c), (m) or (o) of the Code ("ERISA Affiliate") maintains or contributes, or has, within the past six (6) years, maintained or contributed to, any pension plan subject to Title IV of ERISA, any multiple employer plan (as defined in Section 413(c) of the Code), any multiemployer plan (as defined in 4001(a)(3) of ERISA), any "voluntary employee's beneficiary association" within the meaning of Section 501(c)(9) of the Code, any "multiple employer welfare arrangement" within the meaning of Section 3(40) of ERISA or any Retiree Welfare Plan.

(iv) Except as set forth in Section 5.03(m)(iv) of Seller's Disclosure Schedule, all contributions required to be made under the terms of any Benefit Plan (including any amounts withheld from employees' paychecks with respect to a Benefit Plan) and premiums required to be paid have been timely made or paid when due in accordance with the terms of the applicable Benefit Plan and applicable law. All contributions for any period ending on or before the Closing Date that are not yet due have been made or have been reflected appropriately in the Seller's financial statements included in Seller's Securities Documents. Benefits under each Benefit Plan that is an "employee welfare benefit plan" (within the meaning of Section 3(1) of ERISA), with the exception of any flexible spending arrangements subject to Sections 125 and 105 of the Code and health savings accounts, are provided exclusively through insurance contracts or policies issued by an insurance company, health maintenance organization, or similar organization unrelated to Seller or any of its Subsidiaries, the premiums for which are paid directly by Seller or any of its Subsidiaries, from its general assets or partly from its general assets and partly from contributions by its employees. No insurance policy or contract relating to a Benefit Plan requires or permits a retroactive increase to premiums or payments due thereunder. No event has occurred or condition exists that would reasonably be likely to result in a material increase in the level of amounts paid or accrued or benefits or premiums paid by the Seller under the Seller's health and welfare benefit plans for 2020 as compared to 2019.

(v) Except as set forth in Section 5.03(m)(v) of Seller's Disclosure Schedule, none of the execution of this Agreement, Seller shareholder approval of the Agreement or consummation of the Transaction, either alone or in connection with any other event, (A) entitle any Employees or any current or former director or independent contractor of Seller or any of its Subsidiaries to severance pay or any increase in severance pay upon any termination of employment or service after the date hereof, (B) accelerate the time of payment or vesting or trigger any payment or funding (through a grantor trust or otherwise) of compensation or benefits under, increase the amount payable under, or trigger any other material obligation pursuant to, any of the Benefit Plans, (C) result in any breach or violation of, or a default under, any of the Benefit Plans or (D) result in the payment of any "excess parachute payments" within the meaning of Section 280G of the Code. Seller will provide to Purchaser Parent within ten (10) Business Days of the date of this Agreement Seller's calculations under Section 280G of the Code and all related underlying back-up information and agreements taken into account in the performance of such calculations or deemed necessary by Purchaser Parent, in its discretion, including, without limitation, pertinent Form W-2 information for any "disqualified individuals" determined in accordance with Q&A-15 of Treasury Regulation § 280G-1. Neither Seller nor any of its Subsidiaries has any liability or is a party with respect to any gross-up provision or agreement in connection with Section 280G of the Code or excise Taxes under Section 409A or Section 4999 of the Code.

(vi) Neither Seller nor any of its Subsidiaries has now, nor has had, the obligation to maintain, establish, sponsor, participate in or contribute to any Benefit Plan or other similar arrangement that is subject to any law or applicable custom or rule of any jurisdiction outside of the United States.

(vii) Each Benefit Plan which is a "nonqualified deferred compensation plan" (within the meaning of Section 409A of the Code) (hereinafter referred to as a "Seller NQDP") has been maintained, as to both form and operation, in material compliance with Section 409A of the Code. Neither Seller nor any ERISA Affiliate has any liability or is a party with respect to any gross-up provision or agreement in connection with any income inclusion, interest or additional Tax payable in accordance with Section 409A(a)(1) of the Code.

(viii) Except as set forth in Section 6.11(d), each Benefit Plan may be amended or terminated without the consent of the participants and without the imposition of any additional liability or penalties upon Seller or its ERISA Affiliates. Neither Seller nor any Subsidiary has (A) announced its intention, made any amendment or any binding commitment, or given written or oral notice providing that it will increase benefits under any Benefit Plan, (B) created or adopted any arrangement that would be considered a Benefit Plan once established, or (C) agreed not to exercise any right or power to amend, suspend or terminate any Benefit Plan.

(ix) Each Seller Option (i) currently has an exercise price that is the same as when first issued and such exercise price is at least equal to the fair market value of the underlying shares of Seller Common Stock as of the grant date; and (ii) has been issued in compliance in all material respects with applicable laws.

(n) Labor Matters.

(i) Section 5.03(n)(i) of Seller's Disclosure Schedule sets forth (A) the name, title and total compensation of each current officer of Seller and each of its Subsidiaries as of the date hereof and each other current employee of Seller and each of its Subsidiaries as of the date hereof, (B) all bonuses and other incentive compensation received by or projected to be received by such officers, employees, independent contractors and consultants that are natural persons in 2018, 2019 and 2020 and any accrual for such bonuses and incentive compensation and (C) all contracts, agreements, commitments or arrangements by Seller and each of its Subsidiaries regarding compensation with any of its respective current officers, employees, independent contractors and consultants including those to increase the compensation or to modify the conditions or terms of employment.

(iii) Since January 1, 2017, each individual who has provided services to Seller or any of its Subsidiaries who was classified as an "independent contractor" or similar status was properly classified and treated as such for purposes of applicable law, rule or regulation. Since January 1, 2017, neither Seller nor any of its Subsidiaries has incurred any liability for improperly excluding any Person from participating in any Benefit Plan who provides or provided services to Seller or any of its Subsidiaries, in any capacity.

(iv) Except as set forth in Section 5.03(n)(iv) of Seller's Disclosure Schedule, as of the date hereof, no current officer, employee or group of employees of Seller or any of its Subsidiaries has informed Seller or such Subsidiary in writing, or to Seller's Knowledge, verbally, of his, her or their intent, to terminate employment with Seller or any of its Subsidiaries during the next twelve (12) months.

(d) During the period from the date of this Agreement to the Effective Time, Purchaser Parent shall, upon the request of Seller, cause one or more of its designated representatives to confer on a monthly or more frequent basis with representatives of Seller regarding its consolidated financial condition, operations and business and matters relating to the completion of the Transaction. Subject to applicable law, as soon as reasonably available, but in no event more than 15 calendar days after the end of each calendar quarter ending after the date of this Agreement (other than the last quarter of each fiscal year ending December 31), Purchaser Parent will deliver to Seller its consolidated balance sheet and consolidated statements of income, comprehensive income, equity and cash flows, in each case, on a preliminary basis and without related notes, for such quarter prepared in accordance with GAAP, and, as soon as reasonably available, but in no event more than 30 calendar days after the end of each fiscal year, Purchaser Parent will deliver to Seller its consolidated balance sheet and consolidated statements of income, comprehensive income, equity and cash flows for such year prepared in accordance with GAAP, in each case, on a preliminary basis. Subject to applicable law, within 15 calendar days after the end of each month, Purchaser Parent will deliver to Seller a consolidated balance sheet and consolidated statements of income, without related notes, for such month prepared in accordance with GAAP, in each case, on a preliminary basis.

(e) All information furnished pursuant to this Section 6.06 shall be subject to the provisions of the letter agreements, dated as of December 2, 2019, by and between Purchaser Parent and Seller (the "Confidentiality Agreement").

(f) No investigation by any of the parties or their respective representatives shall affect the representations, warranties, covenants or agreements of the other parties set forth herein.

6.07 Acquisition Proposals.

(a) Seller agrees that it shall, and shall direct and use its reasonable best efforts to cause its Affiliates, directors, officers, employees, agents and representatives (including, without limitation, any investment banker, financial advisor, attorney, accountant or other representative retained by it) (all of the foregoing, collectively, “Representatives”) to, immediately cease any discussions or negotiations with any other parties that may be ongoing with respect to the possibility or consideration of any Acquisition Proposal, and will use its reasonable best efforts to enforce any confidentiality or similar agreement relating to any Acquisition Proposal, including by requesting the other party to promptly return or destroy any confidential information previously furnished by or on behalf of Seller or any of its Subsidiaries thereunder and by specifically enforcing the terms thereof in a court of competent jurisdiction. From the date of this Agreement through the Effective Time, neither Seller nor any of its Subsidiaries shall, and each of the foregoing shall cause their respective directors, officers or employees or any Representative retained by them not to, directly or indirectly through another Person, (i) solicit, initiate or knowingly encourage (including by way of furnishing information or assistance), or take any other action designed to facilitate or that is likely to result in, any inquiries or the making of any proposal or offer that constitutes, or is reasonably likely to lead to, any Acquisition Proposal, (ii) provide any confidential information or data to any Person relating to any Acquisition Proposal, (iii) participate in any discussions or negotiations regarding any Acquisition Proposal, (iv) waive, terminate, modify or fail to enforce any provision of any contractual “standstill” or similar obligations of any Person other than Purchaser Parent or its Affiliates, (v) approve or recommend, propose to approve or recommend, or execute or enter into, any letter of intent, agreement in principle, merger agreement, asset purchase agreement or share exchange agreement, option agreement or other similar agreement related to any Acquisition Proposal or propose to do any of the foregoing, or (vi) make or authorize any statement, recommendation or solicitation in support of any Acquisition Proposal; provided, however, that at any time prior to the date of the Seller Meeting, if the Seller Board determines in good faith, after consulting with its outside legal and financial advisors, that the failure to do so would be more likely than not to be inconsistent with the Seller Board’s fiduciary duties under applicable law, Seller may, in response to a bona fide, written Acquisition Proposal not solicited in violation of this Section 6.07(a) that the Seller Board determines in good faith constitutes a Superior Proposal (1) furnish information with respect to itself to any Person making such a Superior Proposal pursuant to a confidentiality agreement on terms that are in all material respects no less restrictive to such Person than the terms contained in the Confidentiality Agreements are to Purchaser Parent, and (2) participate in discussions or negotiations regarding such a Superior Proposal. Seller agrees that it shall concurrently provide to Purchaser Parent any information (whether such information is confidential, nonpublic or otherwise) concerning Seller that may be provided to any other Person in connection with any Superior Proposal which has not previously been provided to Purchaser Parent. For purposes of this Agreement, the term “Acquisition Proposal” means any inquiry, proposal or offer, filing of any regulatory application or notice or disclosure of an intention to do any of the foregoing from any Person relating to any (w) direct or indirect acquisition or purchase of a business that constitutes 25% or more of the total revenues, net income, assets or deposits of Seller and its Subsidiaries taken as a whole, (x) direct or indirect acquisition or purchase of any class of Equity Securities representing 25% or more of the voting power of Seller, (y) tender offer or exchange offer that if consummated would result in any person beneficially owning 25% or more of any class of Equity Securities of Seller or (z) merger, consolidation, business combination, recapitalization, liquidation, dissolution or similar transaction involving Seller, other than the Transaction contemplated by this Agreement. For purposes of this Agreement, the term “Superior Proposal” means any bona fide written proposal made by a third party to acquire, directly or indirectly, including pursuant to a tender offer, exchange offer, merger, consolidation, business combination, recapitalization, liquidation, dissolution or similar transaction, for consideration consisting of cash and/or securities, more than 50% of the combined voting power of the shares of Seller Common Stock then outstanding or all or substantially all of Seller’s consolidated assets, which the Seller Board determines in good faith, after taking into account all legal, financial, regulatory and other aspects of the proposal and the person making the proposal (including any break-up fees, expense reimbursement provisions and conditions to consummation), and after consulting with Seller’s financial advisor (which shall be a recognized investment banking firm) and outside counsel, (i) is more favorable from a financial point of view to its shareholders than the Merger, (ii) is reasonably likely to be consummated on the terms set forth, and (iii) for which financing, to the extent required, is then committed or which, in the good faith judgment of the Seller Board, is reasonably likely to be obtained by such third party.

(b) In addition to the obligations of Seller set forth in this Section 6.07, Seller shall promptly (within 24 hours) advise Purchaser Parent orally and in writing of its receipt of any Acquisition Proposal.

(c) Seller agrees that any violation of the restrictions set forth in this Section 6.07 by any Representative of Seller or its Subsidiaries shall be deemed a breach of this Section 6.07 by Seller.

(d) Nothing contained in this Agreement shall prevent Seller or the Seller Board from complying with Rule 14e-2 under the Exchange Act with respect to an Acquisition Proposal.

6.08 Certain Policies. Effective as of the Effective Time, and provided that each party has confirmed in writing that all conditions to its obligations to effect the Merger have been satisfied or waived and that it is prepared to effect the Merger, upon the request of Purchaser Parent, Seller shall, and shall cause its Subsidiaries to, consistent with GAAP and applicable banking laws, regulations or policies imposed by any Governmental Authority, use their commercially reasonable efforts to modify or change their Loan, OREO, accrual, reserve, Tax, litigation and real estate valuation policies and practices (including loan classifications and levels of reserves) so as to be applied on a basis that is consistent with that of Purchaser Parent; provided, however, no such modification or change made by Seller or any of its Subsidiaries pursuant to this Section 6.08 shall constitute or be deemed to be a breach, violation of or failure to satisfy any representation, warranty, covenant, agreement, condition or other provision of this Agreement or otherwise be considered in determining whether any such breach, violation or failure to satisfy shall have occurred. The recording of any such adjustments shall not be deemed to imply any misstatement of previously furnished financial statements or information and shall not be construed as concurrence of Seller or its management with any such adjustments.

6.09 Nasdaq Listing. Purchaser Parent shall, as promptly as practicable, file all documents, take all actions reasonably necessary and otherwise use its reasonable best efforts to cause the shares of Purchaser Parent Common Stock to be issued to the Seller shareholders and holders of Net Vested Seller Shares, Net Vested Seller RSU Shares, and Net Vested PRSU Shares as the Merger Consideration in the Merger to be approved for quotation on Nasdaq prior to the Effective Date.

6.10 Indemnification.

(a) From and after the Effective Time through the sixth anniversary of the Effective Time, the Surviving Bank (the “Indemnifying Party”) shall indemnify and hold harmless each present and former director, officer and employee of Seller or a Seller Subsidiary, as applicable, determined as of the Effective Time (the “Indemnified Parties”) against any and all costs or expenses (including reasonable attorneys’ fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of matters existing or occurring at or prior to the Effective Time, whether asserted or claimed prior to, at or after the Effective Time, arising in whole or in part out of or pertaining to the fact that he or she was a director, officer, employee, fiduciary or agent of Seller or any Seller Subsidiary or is or was serving at the request of Seller or any Seller Subsidiary as a director, officer, employee, fiduciary or agent of another corporation, partnership, joint venture, trust or other enterprise, including, without limitation, matters related to the negotiation, execution and performance of this Agreement or consummation of the Transaction, to the fullest extent which such Indemnified Parties would be entitled under the Seller Articles and the Seller Bylaws or any agreement, arrangement or understanding which has been set forth in Section 6.10 of Seller’s Disclosure Schedule, in each case as in effect on the date hereof. The Surviving Bank shall advance expenses as incurred by such Indemnified Parties to the same extent as such persons are entitled to advancement of expenses as of the date of this Agreement by Seller pursuant to the Seller Articles and the Seller Bylaws or any agreement, arrangement or understanding which has been set forth in Section 6.10 of Seller’s Disclosure Schedule, in each case as in effect on the date hereof.

(b) Any Indemnified Party wishing to claim indemnification under this Section 6.10, upon learning of any such claim, action, suit, proceeding or investigation, shall promptly notify the Indemnifying Party, but the failure to so notify shall not relieve the Indemnifying Party of any liability it may have to such Indemnified Party except to the extent such failure actually and materially prejudices the Indemnifying Party. In the event of any such claim, action, suit, proceeding or investigation (whether arising before or after the Effective Time), (i) the Indemnifying Party shall have the right to assume the defense thereof and the Indemnifying Party shall not be liable to such Indemnified Parties for any legal expenses of other counsel or any other expenses subsequently incurred by such Indemnified Parties in connection with the defense thereof, except that if the Indemnifying Party elects not to assume such defense or counsel for the Indemnified Parties advises that there are issues which raise conflicts of interest between the Indemnifying Party and the Indemnified Parties that make joint representation inappropriate, the Indemnified Parties may retain counsel which is reasonably satisfactory to the Indemnifying Party, and the Indemnifying Party shall pay, promptly as statements therefor are received, the reasonable fees and expenses of such counsel for the Indemnified Parties (which may not exceed one firm in any jurisdiction unless the Indemnified Parties have conflicts of interest), (ii) the Indemnified Parties will reasonably cooperate in the defense of any such matter, (iii) the Indemnifying Party shall not be liable for any settlement effected without its prior written consent, which shall not be unreasonably withheld, conditioned or delayed and (iv) the Indemnifying Party shall have no obligation hereunder in the event that a federal or state banking agency or a court of competent jurisdiction shall determine by final, non-appealable written order that indemnification of an Indemnified Party in the manner contemplated hereby is prohibited by applicable law, regulation or policies imposed by any Governmental Authority.

(c) Prior to the Effective Time, Seller shall, and if Seller is unable to, Purchaser Parent (and the Surviving Bank) shall as of the Effective Time obtain and fully pay for a “tail” liability insurance policy (or provide a policy providing comparable coverage and amounts on terms no less favorable to the persons currently covered by Seller’s existing policy, including Purchaser Parent’s existing policy if it meets the foregoing standard) covering persons who are currently covered by such insurance for a period of six (6) years after the Effective Time from an insurance carrier with the same or better credit rating as Seller’s current insurance carrier with respect to directors’ and officers’ liability insurance and fiduciary liability insurance with benefits and levels of coverage at least as favorable as Seller’s existing policies with respect to matters existing or occurring at or prior to the Effective Time (including in connection with this Agreement and the Transaction); provided, however, that in no event shall Seller be permitted nor shall Purchaser Parent be obligated to expend, in order to maintain or provide insurance coverage pursuant to this Section 6.10(c), an amount in excess of 300% of the annual premiums paid by Seller as of the date hereof for such insurance (“Maximum Insurance Amount”); provided further, that if the amount of the annual premiums necessary to maintain or procure such insurance coverage exceeds the Maximum Insurance Amount, Purchaser Parent shall obtain the most advantageous coverage obtainable for an annual premium equal to the Maximum Insurance Amount. Purchaser Parent shall provide proof of such coverage to Seller no later than three (3) Business Days prior to the Effective Time.

(d) The obligations of Purchaser Parent and the Surviving Bank under this Section 6.10 shall not be terminated or modified by such parties in a manner adverse to any Indemnified Party or any other Person entitled to the benefits of this Section 6.10, or to whom this Section 6.10 applies, without the written consent of the affected Indemnified Party or Parties and/or such other Person, as the case may be. If Purchaser Parent or the Surviving Bank or any of their respective successors or assigns shall consolidate with or merge into any other entity and shall not be the continuing or surviving entity of such consolidation or merger or shall transfer all or substantially all of its assets to any other entity, then and in each case, proper provision shall be made so that the successors and assigns of Purchaser Parent or the Surviving Bank shall assume the obligations set forth in this Section 6.10.

(e) The provisions of this Section 6.10 are (i) intended to be for the benefit of, and will be enforceable by, each Indemnified Party and his or her heirs and his or her Representatives, as set forth in Section 9.07 herein, and (ii) in addition to, and not in substitution for, any other rights to indemnification or contribution that any such Person may have by contract or otherwise.

6.11 Benefit Plans.

(a) As soon as administratively practicable after the Effective Time, Purchaser Parent shall transition each employee of Seller and its Subsidiaries at the Effective Time who continues to remain employed with Seller or its Subsidiaries (collectively, the “Continuing Employees”) from the Benefit Plans of Seller and its Subsidiaries to the corresponding Purchaser Parent Benefit Plans (and any other Purchaser Parent Benefit Plans in which similarly situated employees of Purchaser Parent and its Subsidiaries participate) and take all reasonable action so that such Continuing Employee of Seller and its Subsidiaries shall be entitled to participate in each Purchaser Parent Benefit Plan to the same extent as similarly-situated employees of Purchaser Parent and its Subsidiaries (it being understood that inclusion of the Continuing Employees of Seller and its Subsidiaries in the Purchaser Parent Benefit Plans may occur at different times with respect to different plans), provided that coverage shall be continued under the corresponding Benefit Plans of Seller and its Subsidiaries until such Continuing Employees are permitted to participate in the Purchaser Parent Benefit Plans and provided further, however, that nothing contained herein shall require Purchaser Parent or any of its Subsidiaries to make any grants to any former employee of Seller and its Subsidiaries under any discretionary equity compensation plan of Purchaser Parent. Purchaser Parent shall cause each Purchaser Parent Benefit Plan in which employees of Seller and its Subsidiaries are eligible to participate to recognize, for purposes of determining eligibility to participate in, the vesting of benefits and for all other purposes (but not for accrual of pension benefits) under the Purchaser Parent Benefit Plans, the service of such Continuing Employees with Seller and its Subsidiaries to the same extent as such service was credited for such purpose by Seller and its Subsidiaries, provided, however, that such service shall not be recognized to the extent that such recognition would result in a duplication of benefits. Nothing herein shall limit the ability of Purchaser Parent to amend or terminate any of the Purchaser Parent Benefit Plans or the Seller Benefit Plans in accordance with their terms at any time.

(b) At and following the Effective Time, Purchaser Parent shall honor, and the Surviving Bank shall continue to be obligated to perform, in accordance with their terms, all agreements and plans of Seller and its Subsidiaries to the extent that each of the foregoing (including amounts accrued or otherwise payable pursuant thereto) are expressly set forth in Section 6.11(b) of Seller’s Disclosure Schedule.

(c) In the event Purchaser Parent transitions Continuing Employees of Seller and its Subsidiaries from the group medical, dental, health, life or long-term disability plan of Seller and its Subsidiaries to the corresponding Purchaser Parent Benefit Plan at any time prior to the end of the applicable plan year of the group medical, dental, health, life or long-term disability plan of Seller and its Subsidiaries, at such time as Continuing Employees become eligible to participate in such corresponding Purchaser Parent Benefit Plan, Purchaser Parent shall use commercially reasonable efforts to cause each such Purchaser Parent Benefit Plan to (i) waive any preexisting condition limitations to the extent such conditions are covered under the applicable Purchaser Parent Benefit Plan, (ii) provide full credit under medical, health and dental plans for any deductibles, co-payment and out-of-pocket expenses incurred by the Continuing Employees and their beneficiaries during the portion of the calendar year prior to such participation and (iii) waive any waiting period limitation or evidence of insurability requirement which would otherwise be applicable to such employee on or after the Effective Time to the extent such employee had satisfied any similar limitation or requirement under a corresponding Seller Benefit Plan prior to the Effective Time, provided, however, that such waiver shall not be required to the extent that such waiver would result in a duplication of benefits.

(d) Seller and Purchaser Parent shall cooperate in good faith to determine a mutually agreed communications plan with respect to employment decisions regarding current Employees. Within forty-five (45) calendar days from the date of this Agreement (or such later date as mutually agreed among the Parties), Purchaser Parent shall identify the Continuing Employees. On or before the Effective Date, Seller shall, or shall cause a Subsidiary to, extinguish and pay in full any remaining obligations of Seller or its Subsidiaries under an existing severance agreement to cover, reimburse a former service provider for, or otherwise pay for premiums for continued health coverage. Effective as of, and subject to, the Closing, Seller and its Subsidiaries shall terminate the employment of those Employees who are not Continuing Employees and Seller and its Subsidiaries, or Purchaser Parent and its Subsidiaries, as applicable, shall pay when due any severance, retention, change in control, accrued and unused paid time off, the Option Merger Consideration payable pursuant to Section 3.08(a) hereof, or other similar payments, in each case, which have been Previously Disclosed by Seller to Purchaser Parent, obtain an executed general release of claims that has not been revoked (to the extent required as a condition to any such payments), and pay to the proper taxing authorities any income and employment Tax withholding as well as the employer portions of any applicable employment Taxes. For the avoidance of doubt, the Option Merger Consideration will be paid by Seller to all Employees (including Employees who are not Continuing Employees) with respect to all outstanding vested Seller Options in accordance with Section 3.08 of this Agreement. Purchaser Parent shall remain responsible for payment (x) to any Continuing Employee of any severance or similar compensation and benefits payable following a termination of employment and (y) of the Merger Consideration to all holders of Net Vested Seller Shares, Net Vested Seller RSU Shares and Net Vested Seller PRSU Shares. Those employees of Seller and its Subsidiaries who do not continue their employment with Purchaser Parent or its Subsidiaries following the Effective Time who are not a party to an employment agreement or other severance agreement and are not otherwise entitled to severance benefits under Seller's existing severance plan as described on Section 6.11(d) of Seller's Disclosure Schedule, and who sign and deliver a release of claims (in a form to be agreed by Purchaser Parent and Seller), shall be entitled to receive a single lump sum payment of severance equal to (a) two weeks of base salary (based on a 52-week year) for those employees who have completed less than one year of service, and (b) two weeks of salary (based on a 52-week year) for each completed year of service, up to a maximum of 26 weeks, for those employees who have completed at least one year of service. For purposes of the foregoing, any severance benefits payable in accordance with the immediately preceding sentence pursuant to a timely delivered release of claims shall be paid on the later to occur of (i) the Purchaser Parent payroll date for the Purchaser Parent payroll period during which the former employee delivers to the Surviving Bank his or her executed release, or (ii) the Purchaser Parent payroll date for the Purchaser Parent payroll period during which the former employee's release becomes effective following the expiration of any revocation period afforded under applicable law, in each case taking into consideration administrative cutoff dates for payroll processing purposes. If Seller or any of its Subsidiaries has any other severance pay plan or arrangement, then any amounts paid to an employee pursuant to that plan or arrangement shall reduce the amount that such employee will receive under this Section 6.11(d) and in no event shall there be any duplication of severance pay. Nothing contained in this Section 6.11(d) hereof shall be construed or interpreted to limit or modify in any way Purchaser Parent's or its Subsidiaries' at will employment policy or provide any third party beneficiary rights to employees of Seller or any of its Subsidiaries. In no event shall severance pay be taken into account in determining the amount of any other benefit (including but not limited to, an individual's benefit under any retirement plan or policy).

(e) Prior to the Closing, Seller and its Subsidiaries shall have timely paid into the Opus Bank 401(K) Plan (the “Seller Retirement Plan”) all employer contributions, including any employer matching contributions, profit sharing contributions or other non-elective contributions relating to any employee deferrals or with respect to any service accrued prior to the Closing. Prior to the Closing, Seller shall provide adequate notice to any service provider to the Seller Retirement Plan of such termination to the extent required by applicable law and in accordance with the applicable service provider agreement and shall pay any associated termination fees to the extent then due and not otherwise satisfied by the Seller Retirement Plan in accordance with applicable law. Prior to the Closing, Seller shall (i) adopt written resolutions (or take such other necessary or appropriate action), in form and substance reasonably acceptable to Purchaser Parent, to terminate the Seller Retirement Plan in compliance with its terms and requirements of applicable law, effective no later than the Business Day preceding the Closing Date and (ii) provide for full vesting of all non-elective contributions under the Seller Retirement Plan for all participants who currently maintain an account under the Seller Retirement Plan, such termination and vesting to be effective no later than the Business Day preceding the Closing Date. Seller shall provide Purchaser Parent with evidence of the termination of the Seller Retirement Plan and Seller shall use commercially reasonable efforts to cooperate with Purchaser Parent in preparing a determination letter request to the IRS with respect to the termination of the Seller Retirement Plan.

(f) Each of Seller and Purchaser Parent acknowledges and agrees that all provisions contained within this Section 6.11 with respect to Employees are included for the sole benefit of Seller and nothing contained in this Section 6.11 shall confer upon any other Person any rights or remedies of any nature whatsoever under or by reason of this Section 6.11. Nothing contained herein (i) shall be construed to establish, amend or modify any benefit plan, program or arrangement or (ii) alter or limit the ability of Purchaser Parent to amend, modify or terminate any benefit plan, program or arrangement at any time established, sponsored or maintained by Purchaser Parent or any of its Subsidiaries. Each of Seller and Purchaser Parent agrees that the terms of this Section 6.11 do not and shall not create any right in any Person to continued employment with Seller, Purchaser Parent or any of their respective Subsidiaries or to any compensation or benefit.

6.12 Resignation and Appointment of Directors; Officers. Purchaser Parent and Purchaser Bank agree that effective no later than immediately prior to the Effective Time, Purchaser Parent and Purchaser Bank shall cause two existing directors of Purchaser Parent and Purchaser Bank to resign and Purchaser Parent and Purchaser Bank agree to take all action necessary to appoint or elect, effective as of the Effective Time, two new directors, each of whom shall be selected from Seller’s existing directors and mutually agreeable to Seller, Purchaser Parent and Purchaser Bank, as directors of Purchaser Parent and Purchaser Bank. Each individual shall serve until the first annual meeting of shareholders of Purchaser Parent following the Effective Time and until his or her successor is elected and qualified. Purchaser Parent shall include such individuals on the list of nominees for director presented by the Purchaser Parent Board and for which the Purchaser Parent Board shall solicit proxies at the first annual meeting of stockholders of Purchaser Parent following the Effective Time, provided, that such nomination and solicitation would not violate the fiduciary duties of the Purchaser Parent Board. The executive officers of the Surviving Bank immediately after the Merger shall be the executive officers of Purchaser Bank immediately prior to the Merger.

6.13 Notification of Certain Matters. Each of Seller and Purchaser Parent shall give prompt written notice to the other of any fact, event or circumstance known to it that (a) is reasonably likely, individually or taken together with all other facts, events and circumstances known to it, to result in any Material Adverse Effect with respect to it or (b) would cause or constitute a failure of any of the conditions provided for in Article VII.

6.14 Estoppel Letters. Seller shall use its commercially reasonable efforts to take the actions set forth on Section 6.14 of Seller's Disclosure Schedule with respect to the real estate (i) owned or leased by Seller or a Seller Subsidiary (ii) leased by Seller or a Seller Subsidiary.

6.15 Assumption of Subordinated Debt Obligations. As of the Effective Time, Purchaser Parent shall have assumed or caused one of its Subsidiaries to assume the obligations under the Subordinated Notes. In connection therewith, Purchaser Parent and Purchaser Bank, on the one hand, and Seller, on the other hand, shall execute and deliver any documents reasonably required to make such assumption effective.

6.16 Antitakeover Statutes. Each of Purchaser Parent and Seller and their respective Boards of Directors shall, if any state antitakeover statute or similar statute becomes applicable to this Agreement and the Transaction, take all action reasonably necessary to ensure that the Transaction may be consummated as promptly as practicable on the terms contemplated hereby and otherwise to minimize the effect of such statute or regulation on this Agreement and the Transaction.

6.17 Consents. Seller shall, and shall cause its Subsidiaries to, use their commercially reasonable efforts to obtain all consents, approvals, waivers, non-objections and to deliver any notices necessary or advisable pursuant to the terms of the Material Contracts as a result of the Transaction.

6.18 Exemption from Liability Under Section 16(b). Prior to the Effective Time, each of Purchaser Parent and Seller shall take all steps as may be necessary or appropriate to exempt the conversion of shares of Seller Common Stock into shares of Purchaser Parent Common Stock pursuant to the terms of this Agreement by employees of Seller who may become an officer or director of Purchaser Parent subject to the reporting requirements of Section 16(a) of the Exchange Act.

ARTICLE VII

(b) Regulatory Approvals. All regulatory approvals required to consummate the Merger shall have been obtained and shall remain in full force and effect and all statutory waiting periods in respect thereof shall have expired and no such approvals shall contain any conditions, restrictions or requirements that shall require Purchaser Parent or Seller to take any action or commit to take any action that would reasonably be likely to have a Material Adverse Effect on Purchaser Parent and its Subsidiaries, taken as a whole, after giving effect to the Merger (measured on a scale relative to Seller and its Subsidiaries, taken as a whole).

(c) No Injunction. No Governmental Authority of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any statute, rule, regulation, judgment, decree, injunction or other order which is in effect and prohibits consummation of the Transaction.

In rendering any such opinion, such counsel may require and rely upon representations and covenants, including those contained in certificates of officers of Purchaser Parent, Seller and others, reasonably satisfactory in form and substance to such counsel and as of the date of such opinion.

(f) Other Actions. Seller shall have furnished Purchaser Parent with such certificates of its officers or others and such other documents to evidence fulfillment of the conditions set forth in Sections 7.01 and 7.03 as Purchaser Parent may reasonably request.

ARTICLE VIII

TERMINATION

8.01 Termination. This Agreement may be terminated, and the Transaction may be abandoned, at any time prior to the Effective Time:

(a) Mutual Consent. By the mutual consent in writing of Purchaser Parent and Seller.

(b) Breach. Provided that the terminating party is not then in material breach of any representation, warranty, covenant or agreement contained herein, by Purchaser Parent or Seller in the event of a breach by the other party of any representation, warranty, covenant or agreement contained herein, which breach (i) cannot be or has not been cured prior to the earlier of (A) 30 calendar days after the giving of written notice to the breaching party of such breach and (B) the Outside Date and (ii) would entitle the non-breaching party not to consummate the Transaction contemplated hereby under Sections 7.02(a) or (b) or 7.03(a) or (b), as the case may be.

(c) Delay. By Purchaser Parent or Seller in the event the Merger is not consummated by December 31, 2020 (the “Outside Date”), except to the extent that the failure of the Merger to be consummated by such date shall be due to the failure of the party seeking to terminate pursuant to this Section 8.01(c) to perform or observe the covenants and agreements of such party set forth in this Agreement or the failure of any of the Shareholders (if Seller is the party seeking to terminate) to perform or observe their respective covenants and agreements under the relevant Shareholder Agreement; provided, that the Outside Date may be extended to March 31, 2021 by either Purchaser Parent or Seller by written notice to the other party if the Closing shall not have occurred by December 31, 2020, and on such date, the condition set forth in Section 7.01(b) has not been satisfied or waived and each of the other conditions set forth in Article VII has been satisfied or waived (other than those conditions that by their nature are to be satisfied at the Closing; provided, that such conditions would have been capable of being satisfied on the Outside Date).

(d) No Regulatory Approval. By Purchaser Parent or Seller in the event the approval of any Governmental Authority required for consummation of the Merger shall have been denied by final non-appealable action of such Governmental Authority, or any such Governmental Authority shall have issued a final, non-appealable injunction permanently enjoining or otherwise prohibiting the consummation of the Merger, or an application therefor shall have been permanently withdrawn by mutual agreement of Purchaser Parent and Seller at the formal or informal request of a Governmental Authority, provided, however, that no party shall have the right to terminate this Agreement pursuant to this Section 8.01(d) due to the failure of the party seeking to terminate this Agreement to perform or observe the covenants of such party set forth herein.

(e) Seller Failure to Recommend; Etc. By Purchaser Parent if (i) Seller shall have materially breached the provisions of Section 6.07 in any respect adverse to Purchaser Parent prior to the Seller Meeting, (ii) the Seller Board shall have failed to make its recommendation referred to in Section 6.02, withdrawn such recommendation or modified or changed such recommendation in a manner adverse in any respect to the interests of Purchaser Parent, or (iii) Seller shall have materially breached its obligations under Section 6.02 by failing to call, give notice of, convene and hold the Seller Meeting in accordance with Section 6.02.

(f) Superior Proposal. Prior to the approval of the shareholders of Seller of this Agreement at the Seller Meeting or any adjournment or postponement thereof, by Seller in accordance with Section 6.07 if (i) the Seller Board authorizes Seller to enter into a binding written agreement with respect to such Superior Proposal and (ii) Seller pays to Purchaser Parent the Termination Fee, in each case, substantially concurrently with the termination of this Agreement.

(g) No Seller Shareholder Approval. By Purchaser Parent, if approval of the shareholders of Seller contemplated by this Agreement shall not have been obtained by reason of the failure to obtain the required vote at the Seller Meeting or any adjournment or postponement thereof prior to the Outside Date.

(h) No Purchaser Parent Shareholder Approval. By Purchaser Parent or Seller, if the issuance of the shares of Purchaser Parent Common Stock in the Transaction and any other matters required to be approved by Purchaser Parent's shareholders for consummation of the Transaction shall not have been duly approved by holders of a majority of shares of Purchaser Parent Common Stock voting at the Purchaser Parent Meeting duly called and held for such purpose.

(i) Purchaser Parent Failure to Recommend; Etc. By Seller if prior to the Purchaser Parent Meeting, the Purchaser Parent Board shall have failed to make its recommendation referred to in Section 6.02, withdrawn such recommendation or modified or changed such recommendation in a manner adverse in any respect to the interests of Seller, or Purchaser Parent shall have materially breached its obligations under Section 6.02 by failing to call, give notice of, convene and hold the Purchaser Parent Meeting in accordance with Section 6.02.

8.02 Effect of Termination and Abandonment.

(a) In the event of termination of this Agreement and the abandonment of the Merger pursuant to this Article VIII, no party to this Agreement shall have any liability or further obligation to any other party hereunder except that (i) this Section 8.02, Section 6.06(e) and Article IX shall survive any termination of this Agreement and (ii) notwithstanding anything to the contrary, neither Purchaser Parent nor Seller shall be relieved or released from any liabilities or damages to the other party hereto resulting from any knowing and intentional breach of this Agreement.

(b) In the event that (i) an Acquisition Proposal has been made (whether or not conditional) to Seller or its shareholders or any Person has publicly announced an intention (whether or not conditional) to make an Acquisition Proposal (and such Acquisition Proposal or publicly announced intention shall not have been publicly withdrawn without qualification) and thereafter (A) this Agreement is terminated by Purchaser Parent pursuant to Section 8.01(b), by Purchaser Parent or Seller pursuant to Section 8.01(c) or by Purchaser Parent pursuant to Section 8.01(g) and (B) prior to the date that is 12 months after such termination, (1) Seller or any of its Subsidiaries enters into a binding and definitive agreement with respect to any Acquisition Proposal (an “Acquisition Agreement”) or (2) any Acquisition Proposal is consummated (solely for purposes of this Section 8.02(b)(i)(B), the term “Acquisition Proposal” shall have the meaning set forth in the definition of Acquisition Proposal contained in Section 6.07(a) except that all references to 25% shall be deemed references to 50%), then Seller shall pay to Purchaser Parent a fee equal to \$38,658,859 (the “Termination Fee”) by wire transfer of next day funds on the earlier of the date of execution of such Acquisition Agreement and the consummation of such Acquisition Proposal. In the event that (i) this Agreement is terminated by Purchaser Parent pursuant to Section 8.01(e) or (ii) this Agreement is terminated by Seller pursuant to Section 8.01(f), then, in each such case, Seller shall pay Purchaser Parent the Termination Fee by wire transfer of same-day funds (x) in the case of a termination by Purchaser Parent pursuant to Section 8.01(e), within two Business Days after such termination, and (y) in the case of a termination by Seller pursuant to Section 8.01(f), no later than the time of such termination. If the Termination Fee becomes payable pursuant to the terms of this Agreement, payment of the Termination Fee shall be the sole and exclusive remedy of Purchaser Parent against Seller and any of its Subsidiaries and their respective Representatives with respect to the breach of any covenant or agreement giving rise to such payment. Notwithstanding anything to the contrary herein, the maximum aggregate amount of fees, liabilities or damages payable by Seller under this Agreement shall be equal to the Termination Fee and any amounts payable under this Section 8.02(b). In no event shall Seller be obligated to pay the Termination Fee on more than one occasion.

(c) Each party acknowledges that the agreements contained in this Section 8.02 are an integral part of the transactions contemplated by this Agreement and that, without these agreements, the other party would not have entered into this Agreement. Accordingly, if Seller fails promptly to pay the amounts due pursuant to this Section 8.02 and, in order to obtain such payment, Purchaser Parent commences a suit that results in a judgement against Seller for the amounts set forth in this Section 8.02, Seller shall pay to Purchaser Parent its reasonable costs and expenses (including attorneys’ fees and expenses) in connection with such suit and any appeal relating thereto, together with interest on the amounts set forth in this Section 8.02 at the prime lending rate as published in the Wall Street Journal in effect on the date such payment was required to be made.

ARTICLE IX

MISCELLANEOUS

9.01 Survival. No representations, warranties, agreements and covenants contained in this Agreement shall survive the Effective Time (other than agreements or covenants contained herein that by their express terms are to be performed after the Effective Time) or the termination of this Agreement if this Agreement is terminated prior to the Effective Time (other than Sections 6.06(e), 8.02 and this Article IX, which shall survive any such termination).

9.02 Waiver; Amendment. Prior to the Effective Time, any provision of this Agreement may be (i) waived, by the party benefited by the provision or (ii) amended or modified at any time, by an agreement in writing among the parties hereto executed in the same manner as this Agreement; provided, however, that after the approval of the principal terms of this Agreement by the Seller shareholders, there may not be, without further approval of Seller's shareholders, any amendment of this Agreement that requires further approval under applicable law. For purposes of clarification, an amendment of any date in Section 8.01(c) shall not require further approval by any shareholders and if such amendment were deemed by law to require further approval by the shareholders of Seller, the approval of the principal terms of this Agreement by the Seller shareholders will be deemed to have granted Seller the authority to amend such dates without such further approval.

9.03 Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be deemed to constitute one and the same original agreement.

9.04 Governing Law and Venue; Waiver of Jury Trial; Specific Performance.

(a) This Agreement shall be governed by, and interpreted in accordance with, the laws of the State of Delaware applicable to contracts made and to be performed entirely within such State, without regard to the conflict of law principles thereof to the extent that such principles would direct a matter to another jurisdiction. The parties hereby irrevocably submit to the personal jurisdiction of the courts of the State of Delaware and the Federal courts of the United States of America located in the State of Delaware solely in respect of the interpretation and enforcement of the provisions of this Agreement and of the documents referred to in this Agreement, and in respect of the transactions contemplated by this Agreement, and hereby waive, and agree not to assert, as a defense in any litigation, arbitration, claim or other proceeding for the interpretation or enforcement of this Agreement or of any such document, that it is not subject thereto or that such litigation, arbitration, claim or other proceeding may not be brought or is not maintainable in said courts or that the venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such courts, and the parties hereto irrevocably agree that all litigation, arbitration, claims or other proceedings shall be heard and determined in such a Delaware State or Federal court. The parties hereby consent to and grant any such court jurisdiction over the Person of such parties and, to the extent permitted by law, over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such litigation, arbitration, claim or other proceeding in the manner provided in Section 9.06 or in such other manner as may be permitted by law shall be valid and sufficient service thereof.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH PARTY MAKES THIS WAIVER VOLUNTARILY AND (iv) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.04.

9.05 Expenses. Each party hereto will bear all expenses incurred by it in connection with this Agreement and the transactions contemplated hereby, including fees and expenses of its own financial consultants, accountants and counsel.

9.06 Notices. All notices, requests and other communications hereunder to a party shall be in writing and shall be deemed given if personally delivered, telecopied (with confirmation) or mailed by registered or certified mail (return receipt requested) or delivered by an overnight courier (with confirmation) to such party at its address set forth below or such other address as such party may specify by notice to the parties hereto.

9.07 Entire Understanding; Limited Third Party Beneficiaries. This Agreement, the Agreement of Merger, the Shareholder Agreements and the Confidentiality Agreements represent the entire understanding of the parties hereto and thereto with reference to the Transaction, and this Agreement, the Agreement of Merger, the Shareholder Agreements and the Confidentiality Agreements supersede any and all other oral or written agreements heretofore made. Except for the Indemnified Parties' right to enforce Purchaser Parent's obligation under Section 6.10, which are expressly intended to be for the irrevocable benefit of, and shall be enforceable by, each Indemnified Party and his or her heirs and Representatives, nothing in this Agreement, expressed or implied, is intended to confer upon any Person, other than the parties hereto or their respective successors, any rights, remedies, obligations or liabilities under or by reason of this Agreement.

9.08 Severability. Except to the extent that application of this Section 9.08 would have a Material Adverse Effect on Seller or Purchaser Parent, any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as is enforceable. In all such cases, the parties shall use their reasonable best efforts to substitute a valid, legal and enforceable provision which, insofar as practicable, implements the original purposes and intents of this Agreement.

9.09 Enforcement of the Agreement. The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Except as provided in Section 8.02, it is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the Court of Chancery of the State of Delaware and the federal courts of the United States of America located in the State of Delaware, this being in addition to any other remedy to which they are entitled at law or in equity. In the event attorneys' fees or other costs are incurred to secure performance of any of the obligations herein provided for, or to establish damages for the breach thereof, or to obtain any other appropriate relief, whether by way of prosecution or defense, the prevailing party shall be entitled to recover reasonable attorneys' fees and costs incurred therein.

9.10 Interpretation. When a reference is made in this Agreement to Sections, Exhibits or Schedules, such reference shall be to a Section of, or Exhibit or Schedule to, this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement are for reference purposes only and are not part of this Agreement. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” Whenever the words “as of the date hereof” are used in this Agreement, they shall be deemed to mean the day and year first above written.

9.11 Assignment. No party may assign either this Agreement or any of its rights, interests or obligations hereunder without the prior written approval of the other party. Subject to the preceding sentence, this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns.

9.12 Alternative Structure. Subject to the proviso in the first sentence of Section 9.02, Purchaser Parent may at any time modify the structure of the acquisition of Seller set forth herein, provided that (a) the Merger Consideration to be paid to the holders of Seller Capital Stock is not thereby changed in kind or reduced in amount as a result of such modification, (b) such modifications will not adversely affect the tax treatment to Seller’s shareholders, including holders of Net Vested Seller Shares, Net Vested Seller RSU Shares and Net Vested Seller PRSU Shares, as a result of receiving the Merger Consideration and (c) such modification will not and, are not reasonably expected to, jeopardize, impede or delay any (1) receipt of any required approvals of Governmental Authorities, (2) approval by the requisite vote of the holders of outstanding shares of Seller Common Stock and outstanding shares of Seller Preferred Stock, voting as separate classes, of the Merger, and of the holders of outstanding shares of Purchaser Parent Common Stock of the issuance of the shares of Purchaser Parent Common Stock in the Merger or (3) consummation of the Transactions contemplated by this Agreement.

9.13 Confidential Supervisory Information. Notwithstanding any other provision of this Agreement, no disclosure, representation or warranty shall be made (or other action taken) pursuant to this Agreement that would involve the disclosure of confidential supervisory information (including confidential supervisory information as defined in 12 C.F.R. § 261.2(c) and as identified in 12 C.F.R. § 309.5(g)(8)) of a Governmental Authority by any party to this Agreement to the extent prohibited by applicable law. For purposes of clarity, a representation relating to receipt of regulatory approvals on a timely basis shall not be given, or continue to be given, to the extent the reason for it no longer continuing to be accurate involves such confidential supervisory information. To the extent legally permissible, appropriate substitute disclosures or actions shall be made or taken under circumstances in which the limitations of the preceding sentences apply.

FORM OF SHAREHOLDER AGREEMENT

SHAREHOLDER AGREEMENT (this "Agreement"), dated as of January 31, 2020, between the Person(s) executing this Agreement as a "Shareholder" or "Shareholders" on the signature pages hereto (collectively, the "Shareholders"), Pacific Premier Bancorp, Inc., a Delaware corporation ("Purchaser Parent"), Pacific Premier Bank, a California-chartered commercial bank and wholly-owned bank subsidiary of Purchaser Parent ("Purchaser Bank"), and, solely for purposes of the last sentence of Section 9, Opus Bank, a California-chartered commercial bank ("Seller"). All terms used herein and not defined herein shall have the meanings assigned thereto in the Merger Agreement (defined below).

WHEREAS, Seller, Purchaser Parent and Purchaser Bank are simultaneously herewith entering into an Agreement and Plan of Reorganization, dated as of the date hereof (the "Merger Agreement"), pursuant to which Seller will merge with and into Purchaser Bank on the terms and conditions set forth therein (the "Merger") and, in connection therewith, outstanding shares of Seller Capital Stock will be converted into shares of Purchaser Parent Common Stock and cash in lieu of fractional shares in the manner set forth therein;

WHEREAS, each Shareholder owns the shares of Seller Capital Stock identified on Exhibit I hereto (such shares, together with all shares of Seller Capital Stock subsequently acquired by Shareholder during the term of this Agreement (as contemplated in Section 8), being referred to as the "Shares"); and

WHEREAS, in order to induce Purchaser Parent and Purchaser Bank to enter into the Merger Agreement, each Shareholder, solely in such Shareholder's capacity as a shareholder of Seller and not in any other capacity, has agreed to enter into and perform its obligations arising under this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby acknowledged, the parties hereto agree as follows:

1. Agreement to Vote Shares. Each Shareholder agrees during the term of this Agreement (as contemplated in Section 8) that at any meeting of the shareholders of Seller, or in connection with any written consent of the shareholders of Seller, to the extent that the matters set forth in Section 1(b)(x)-(z) are presented at a meeting of Seller's shareholders and such Shareholder is entitled to vote on such matters, each such Shareholder shall:

(a) appear at each such meeting or otherwise cause the Shares to be counted as present thereat for purposes of calculating a quorum; and

(b) vote (or cause to be voted), in person or by proxy, or deliver a written consent (or cause a consent to be delivered) covering, all the Shares (whether acquired heretofore or hereafter) that are beneficially owned by such Shareholder or as to which such Shareholder has, directly or indirectly, the right to vote or direct the voting, (x) in favor of approval of the Merger, the Merger Agreement and the transactions contemplated thereby; (y) against any action or agreement that, to the knowledge of such Shareholder, would result in a breach of any covenant, representation or warranty or any other material obligation or agreement of Seller contained in the Merger Agreement or of the Shareholder contained in this Agreement; and (z) against any Acquisition Proposal or any other action, agreement or transaction that is intended, or, to the knowledge of the Shareholder, would reasonably be expected, to materially and adversely impede, interfere or be inconsistent with, or materially and adversely delay, postpone, discourage or affect the consummation of the Merger or the performance by Seller of its obligations under the Merger Agreement; provided, that if there is any amendment, waiver or modification to the Merger Agreement that is effected after the date hereof that (x) reduces or has the effect of reducing the Exchange Ratio, (y) changes the form of all or any portion of the Merger Consideration and/or (z) imposes any material condition to the receipt of Merger Consideration (any such amendment, waiver or modification, a “Material Merger Agreement Change”), this Section 1 shall be inapplicable.

2. Transfer of Shares.

(a) Prohibition on Transfers of Shares; Other Actions. Each Shareholder hereby agrees that, during the term of this Agreement (as contemplated in Section 8), such Shareholder shall not, (i) sell, transfer, pledge, encumber, distribute by gift or donation, or otherwise dispose of any of the Shares (or any securities convertible into or exercisable or exchangeable for Shares) or any interest therein, whether by actual disposition, physical settlement or effective economic disposition through hedging transactions, derivative instruments or other means, (ii) enter into any agreement, arrangement or understanding with any Person, or take any other action, that violates or conflicts with or would reasonably be expected to violate or conflict with such Shareholder’s representations, warranties, covenants and obligations under this Agreement, or (iii) except as otherwise permitted by this Agreement or by order of a court of competent jurisdiction, take any other action that would reasonably be expected to adversely impair or otherwise affect, in any material respect, such Shareholder’s power, authority and ability to comply with and perform his, her or its covenants and obligations under this Agreement.

(b) Transfer of Voting Rights. Each Shareholder hereby agrees that such Shareholder shall not deposit any Shares in a voting trust, grant any proxy or enter into any voting agreement or similar agreement or arrangement with respect to any of the Shares.

(c) Notwithstanding the terms of Section 2(a) and 2(b), no Shareholder shall be prohibited from engaging in any hedging, derivative, securities lending or similar agreements, arrangements and understandings with respect to the Shares, including those pursuant to any sale of any option or contract to purchase, purchase of any option or contract to sell, grant of any option, right or warrant to purchase, or entry into any swap or other agreement that transfers, in whole or in part, any of the economic consequences of ownership of the Shares, whether any such transaction is settled by delivery of Shares, in cash or otherwise, so long as such agreements, arrangements and understandings do not limit such Shareholder’s ability to comply with its obligations under Section 1.

3. Representations and Warranties of Shareholders. Each Shareholder represents and warrants to and agrees with Purchaser Parent as follows:

(a) Capacity. Such Shareholder has all requisite capacity and authority to enter into and perform his, her or its obligations under this Agreement.

(b) Binding Agreement. This Agreement has been duly executed and delivered by such Shareholder and, assuming this Agreement constitutes a valid and legally binding obligation of the other parties hereto (other than the other Shareholders), constitutes the valid and legally binding obligation of such Shareholder, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

(c) Non-Contravention. The execution and delivery of this Agreement by such Shareholder does not, and the performance by such Shareholder of his, her or its obligations hereunder and the consummation by such Shareholder of the transactions contemplated hereby will not, violate or conflict with, or constitute a default under, any agreement, instrument, contract or other obligation or any order, arbitration award, judgment or decree to which such Shareholder is a party or by which such Shareholder is bound, or any statute, rule or regulation to which such Shareholder is subject or, in the event that such Shareholder is a corporation, partnership, trust or other entity, any charter, bylaw or other organizational document of such Shareholder, in each case, except for any of the foregoing as would not reasonably be expected, either individually or in the aggregate, to materially impair the ability of such Shareholder to perform his, her or its obligations under this Agreement or to consummate the transactions contemplated hereby on a timely basis.

(d) Ownership. Such Shareholder's Shares are, and, except as otherwise provided for in Section 2 hereof, during the term of this Agreement (as contemplated in Section 8) will be, owned beneficially and of record solely by such Shareholder, except as (x) otherwise disclosed on Exhibit I hereto or (y) to the extent such Shares are transferred after the date hereof to any other shareholder of Seller who has executed a copy of this Agreement on the date hereof or a separate agreement with Purchaser Parent, Purchaser Bank and Seller with terms substantially similar to those contained herein. Shareholder has title to the Shares, free and clear of any lien, pledge, mortgage, security interest or other encumbrance, except as otherwise disclosed on Exhibit I hereto or arising under applicable securities Laws. As of the date hereof, the Shares identified on Exhibit I hereto constitute all of the shares of Seller Capital Stock owned beneficially or of record by Shareholder. Shareholder has and, except as otherwise provided for in Section 2 and Section 9, will have at all times during the term of this Agreement (as contemplated in Section 8) (i) sole voting power and sole power to issue instructions with respect to the matters set forth in Section 1 hereof, (ii) sole power of disposition and (iii) sole power to agree to all of the matters set forth in this Agreement, in each case, with respect to all of the Shares owned by such Shareholder on the date of this Agreement and all of the Shares hereafter acquired by such Shareholder and owned beneficially or of record by him, her or it during the term of this Agreement (as contemplated in Section 8). For purposes of this Agreement, the term "beneficial ownership" shall be interpreted in accordance with Rule 13d-3 under the Exchange Act, provided that a Person shall be deemed to beneficially own any securities which may be acquired by such Person pursuant to any binding agreement, arrangement or understanding or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise (irrespective of whether the right to acquire such securities is exercisable immediately or only after the passage of time, including the passage of time within 60 calendar days, the satisfaction of any conditions, the occurrence of any event or any combination of the foregoing).

(e) Consents and Approvals. The execution and delivery of this Agreement by such Shareholder does not, and the performance by such Shareholder of his, her or its obligations under this Agreement and the consummation by him, her or it of the transactions contemplated hereby will not, require such Shareholder to obtain any consent, approval, authorization or permit of, or to make any filing with or notification to, any Governmental Authority.

(f) Absence of Litigation. As of the date hereof, there is no suit, action, investigation (in the case of investigations, to the knowledge of such Shareholder) or proceeding pending or, to the knowledge of such Shareholder, threatened against such Shareholder or any of his, her or its affiliates before or by any Governmental Authority that would reasonably be expected to materially impair the ability of such Shareholder to perform his, her or its obligations hereunder or to consummate the transactions contemplated hereby on a timely basis.

4. Representations and Warranties of Purchaser Parent and Purchaser Bank. Purchaser Parent represents and warrants to and agrees with the Shareholders as follows:

(a) Capacity. Each of Purchaser Parent and Purchaser Bank has all requisite capacity and authority to enter into and perform his, her or its obligations under this Agreement.

(b) Binding Agreement. This Agreement has been duly executed and delivered by Purchaser Parent and Purchaser Bank and, assuming this Agreement constitutes a valid and legally binding obligation of the other parties hereto (other than Purchaser Parent and Purchaser Bank), constitutes the valid and legally binding obligation of Purchaser Parent and Purchaser Bank, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

(c) Non-Contravention. The execution and delivery of this Agreement by Purchaser Parent and Purchaser Bank does not, and the performance by each of Purchaser Parent and Purchaser Bank of his, her or its obligations hereunder and the consummation by each of Purchaser Parent and Purchaser Bank of the transactions contemplated hereby will not, violate or conflict with, or constitute a default under, any agreement, instrument, contract or other obligation or any order, arbitration award, judgment or decree to which Purchaser Parent or Purchaser Bank is a party or by which Purchaser Parent or Purchaser Bank is bound, or any statute, rule or regulation to which Purchaser Parent or Purchaser Bank is subject or any charter, bylaw or other organizational document of Purchaser Parent or Purchaser Bank, in each case, except for any of the foregoing as would not reasonably be expected, either individually or in the aggregate, to materially impair the ability of Purchaser Parent or Purchaser Bank to perform his, her or its obligations under this Agreement or to consummate the transactions contemplated hereby on a timely basis.

5. No Solicitation. Each Shareholder hereby agrees that during the term of this Agreement (as contemplated in Section 8) he, she or it shall not, and shall not knowingly instruct any investment banker, financial advisor, attorney, accountant or other representative retained by him, her or it to (on its behalf), (a) meet or otherwise communicate with any Person that makes or is considering making an Acquisition Proposal after becoming aware that the Person has made or is considering making an Acquisition Proposal, or (b) participate in, directly or indirectly, a “solicitation” of “proxies” (as such terms are used in the rules of the SEC) or powers of attorney or similar rights to vote, or knowingly and intentionally seek to influence any Person to vote, any shares of Seller Capital Stock (x) against the adoption or approval of the Merger Agreement and the Merger or (y) in favor of any Acquisition Proposal or proposal that would reasonably be expected to lead to an Acquisition Proposal, unless in the case of clause (b) above, the Shareholder is a director of Seller’s Board of Directors or an officer of Seller and Seller’s Board of Directors has effected a Change in Recommendation (as defined in the Merger Agreement), in accordance with the terms of the Merger Agreement, and in such case, such Shareholder’s activities are solely in his or her capacity as a director or officer of Seller. Each Shareholder agrees immediately to cease and cause to be terminated any activities, discussions or negotiations conducted before the date of this Agreement with any Persons (other than Seller, Purchaser Parent, Purchaser Bank and any of their respective representatives) with respect to any Acquisition Proposal and will take all reasonably necessary steps to inform any investment banker, financial advisor, attorney, accountant or other representative retained by him, her or it of the obligations undertaken by Shareholder pursuant to this Section 5. Nothing contained in this Section 5 shall prevent any officer of Seller or a member of the Seller Board from discharging his or her fiduciary duties solely in his or her capacity as an officer of Seller or a member of the Seller Board.

6. Notice of Acquisitions: Proposals Regarding Prohibited Transactions. Each Shareholder hereby agrees to notify Purchaser Parent promptly (and in any event within two (2) Business Days) in writing of the number of any additional shares of Seller Capital Stock or other securities of Seller of which Shareholder acquires beneficial or record ownership on or after the date hereof. Each Shareholder shall promptly advise Seller of each contact such Shareholder may receive from any Person relating to any Acquisition Proposal or proposal that would reasonably be expected to lead to an Acquisition Proposal.

7. Specific Performance and Remedies. Each party hereto acknowledges that (a) it will be impossible to measure in money the damage to the other parties hereto if such first party fails to comply with its obligations imposed by this Agreement and (b) in the event of any such failure, the other parties hereto will not have an adequate remedy at law. Accordingly, each party hereto agrees that injunctive relief or other equitable remedy, in addition to remedies at law or in damages, is the appropriate remedy for any such failure and will not oppose the granting of such relief on the basis that the other parties hereto may have an adequate remedy at law. Each party hereto agrees that it will not seek, and agrees to waive any requirement for, the securing or posting of a bond in connection with the other parties hereto seeking or obtaining such equitable relief.

8. Term of Agreement; Termination.

(a) The term of this Agreement shall commence on the date hereof.

(b) This Agreement shall terminate upon the earlier to occur of (i) the date, if any, of termination of the Merger Agreement in accordance with its terms, (ii) the Effective Time of the Merger, (iii) the date, if any, of any Material Merger Agreement Change and (iv) the date the Shares have been voted at the Seller Meeting as provided for in Section 1(b)(x), and provided that at least a majority of all of the issued and outstanding shares of Seller Common Stock and Seller Preferred Stock, voting as separate classes, have been irrevocably voted in favor of the Merger, the Merger Agreement and the transactions contemplated thereby at the Seller Meeting. Upon such termination, no party shall have any further obligations or liabilities hereunder; provided, however, such termination shall not relieve any party from liability for any willful and intentional breach of this Agreement prior to such termination.

9. Stop Transfer Order. In furtherance of this Agreement, each Shareholder hereby authorizes and instructs Seller to enter a stop transfer order with respect to all of such Shareholder's Shares for the period from the date hereof through the term of this Agreement (as contemplated in Section 8), except as otherwise provided for in Section 2(a) hereof. Seller agrees that it shall comply with such stop transfer instructions.

10. Entire Agreement. This Agreement supersedes all prior agreements, written or oral, among the parties hereto with respect to the subject matter hereof and contains the entire agreement among the parties with respect to the subject matter hereof. This Agreement may not be amended, supplemented or modified, and no provisions hereof may be modified or waived, except by an instrument in writing signed by each party hereto. If any amendment, supplement, modification, or waiver is provided to any Shareholder (as defined in the Merger Agreement) such amendment, supplement, modification or waiver shall be offered to the Shareholder. No waiver of any provisions hereof by any party shall be deemed a waiver of any other provisions hereof by any such party, nor shall any such waiver be deemed a continuing waiver of any provision hereof by such party.

11. Notices. All notices, requests, claims, demands or other communications hereunder shall be in writing and shall be deemed given when delivered personally, upon receipt of a transmission confirmation if sent by telecopy or like transmission and on the next Business Day when sent by a reputable overnight courier service to the parties at the following addresses (or at such other address for a party as shall be specified by like notice):
