ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On June 9, 2020, Pacific Premier Bancorp, Inc. (the “Company”) entered into an underwriting agreement (the “Underwriting Agreement”) with Keefe, Bruyette & Woods, Inc., as representative of the underwriters named in the Underwriting Agreement, to issue and sell to the public \$150 million aggregate principal amount of its 5.375% Fixed-to-Floating Rate Subordinated Notes due June 15, 2030 (the “Notes”), at a public offering price equal to 100% of the aggregate principal amount of the Notes (the “Offering”). The Company estimates that the net proceeds from the Offering, after deducting underwriting discounts and estimated expenses, will be approximately \$147.4 million. The Offering was completed on June 15, 2020.

The Underwriting Agreement contains customary representations, warranties and agreements of the Company, customary conditions to closing, obligations of the parties and termination provisions. The foregoing description is qualified in its entirety by reference to the Underwriting Agreement, a copy of which is attached hereto as Exhibit 1.1 and incorporated herein by reference. The description of the material terms of the Underwriting Agreement and the transaction contemplated thereby is qualified in its entirety by reference to such exhibit.

The Notes were offered pursuant to a prospectus supplement, dated June 9, 2020, to the prospectus dated April 23, 2019 that forms part of the Company’s Registration Statement on Form S-3ASR (File No. 333-230993) filed by the Company with the U.S. Securities and Exchange Commission under the Securities Act of 1933, as amended.

The Notes were issued pursuant to the Indenture, dated as of May 8, 2019 (the “Indenture”), between the Company and Wilmington Trust, National Association, as trustee (the “Trustee”), as supplemented by the Second Supplemental Indenture relating to the Notes, dated as of June 15, 2020, between the Company and the Trustee (the “Second Supplemental Indenture”). The Indenture, as amended and supplemented by the Second Supplemental Indenture, governs the terms of the Notes and provides that the Notes are unsecured, subordinated debt obligations of the Company. The Notes will mature on June 15, 2030. The Company may redeem the Notes on or after June 15, 2025. From and including the issue date to, but excluding June 15, 2025, the Notes will bear interest at an initial fixed rate of 5.375% per annum, payable semi-annually. From and including June 15, 2025 to, but excluding, the maturity date or the date of earlier redemption, the Notes will bear interest at a floating rate per annum equal to a benchmark rate, which is expected to be Three-Month Term SOFR (as defined in the Notes), plus a spread of 517 basis points, payable quarterly in arrears; provided, however, in the event that the then-current benchmark rate is less than zero, then the benchmark rate will be deemed to be zero.

The Notes are unsecured subordinated obligations of the Company. There is no sinking fund for the Notes. The Notes are subordinated in right of payment to the payment of the Company’s existing and future senior indebtedness, including all of its general creditors, and they are structurally subordinated to all of the Company’s subsidiaries’ existing and future indebtedness and other obligations. The Notes are obligations of the Company only and are not obligations of, and are not guaranteed by, any of the Company’s subsidiaries. The Company may also redeem the Notes at any time, including prior to June 15, 2025, at its option, in whole but not in part, if: (a) a change or prospective change in law occurs that could prevent the Company from deducting interest payable on the Notes for U.S. federal income tax purposes; (b) a subsequent event occurs that could preclude the Notes from being recognized as Tier 2 capital for regulatory capital purposes; or (c) the Company is required to register as an investment company under the Investment Company Act of 1940, as amended; in each case, at a redemption price equal to 100% of the principal amount of the Notes plus any accrued and unpaid interest to, but excluding, the redemption date.

The foregoing descriptions are qualified in their entirety by reference to the Indenture, the Second Supplemental Indenture and the Notes, the form of which is attached as Exhibit A to the Second Supplemental Indenture. Copies of the Indenture and the Second Supplemental Indenture, including the form of Note attached as Exhibit A to the Second Supplemental Indenture, are attached hereto as Exhibits 4.1 and 4.2, respectively, and are incorporated herein by reference.

ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.

The information set forth under the fourth and fifth paragraphs of Item 1.01 above and the full text of the Indenture and the Second Supplemental Indenture, which are attached hereto as Exhibits 4.1 and 4.2, respectively, are incorporated by reference into this Item 2.03.

SECTION 1. Representations and Warranties.

(a) *Representations and Warranties by the Company.* The Company represents and warrants to each Underwriter at the date hereof, the Applicable Time and the Closing Time, and agrees with each Underwriter, as follows:

(i) Compliance of the Registration Statement, the Prospectus and Incorporated Documents. The Company meets the requirements for use of Form S-3 under the Securities Act. The Registration Statement is an automatic shelf registration statement under Rule 405, and the offer and sale of the Securities is registered by the Company on such automatic shelf registration statement. (ii) Accurate Disclosure. Neither the Registration Statement nor any post-effective amendment thereto, at its effective time and at the Closing Time contained, contains or will contain an untrue statement of a material fact or omitted, omits or will omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. At the Applicable Time, neither (A) the Pricing Disclosure Package nor (B) any individual Issuer Limited Use Free Writing Prospectus, when considered together with the Pricing Disclosure Package, included, includes or will include an untrue statement of a material fact or omitted, omits or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. There are no business relationships or related person transactions involving the Company or any Subsidiary (as defined herein) or any other person required to be described in the Registration Statement, the Pricing Disclosure Package and the Prospectus that have not been described as required.

The representations and warranties in this subsection shall not apply to statements in or omissions from the Registration Statement or any amendment thereto or the Pricing Disclosure Package or the Prospectus or any amendment or supplement thereto made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representative expressly for use therein. The Bank is the only “significant subsidiary” of the Company (as such term is defined in Rule 1-02 of Regulation S-X) and is the only depository institution subsidiary of the Company. Each subsidiary (as defined in Rule 405 under the Securities Act) of the Company (each, a “**Subsidiary**”) has been duly organized and is validly existing as a corporation or other organization in good standing under the laws of the jurisdiction of its incorporation, formation or organization, has the requisite corporate or organizational power and authority to own, lease and operate its properties and to conduct its business as described in the Registration Statement, the Pricing Disclosure Package and the Prospectus and is duly qualified as a foreign corporation or other business entity to transact business and is in good standing in each jurisdiction in which such qualification is required, whether by reason of the ownership or leasing of property or the conduct of business, except where the failure to so qualify or to be in good standing would not result in a Material Adverse Effect. Except as otherwise disclosed in the Registration Statement, the Pricing Disclosure Package and the Prospectus, all of the issued and outstanding capital stock of each such Subsidiary has been duly authorized and validly issued, is fully paid and non-assessable and is owned by the Company, directly or through Subsidiaries, free and clear of any security interest, mortgage, pledge, lien, encumbrance, claim or equity; none of the outstanding shares of capital stock of any Subsidiary was issued in violation of the preemptive or similar rights of any securityholder of such Subsidiary arising by operation of law, or under the articles of incorporation, charter, bylaws or other organizational documents of the Company or any Subsidiary or under any agreement to which the Company or any Subsidiary is a party. The only subsidiaries of the Company are (a) the subsidiaries listed on Exhibit 21 to the Company’s Annual Report on Form 10-K incorporated by reference into the Registration Statement and (b) certain other subsidiaries which, considered in the aggregate as a single subsidiary, do not constitute a “significant subsidiary” as defined in Rule 1-02 of Regulation S-X. Except for the Subsidiaries, the Company does not own beneficially, directly or indirectly, more than five percent (5%) of any class of equity securities or similar interests in any corporation, business trust, association or similar organization, and is not, directly or indirectly, a partner in any partnership or party to any joint venture.

(xi) Capitalization. The authorized, issued and outstanding capital stock of the Company and consolidated long-term debt (*i.e.*, a maturity greater than one year) as of March 31, 2020 is as set forth in the Registration Statement, the Pricing Disclosure Package and the Prospectus in the column entitled “Actual” under the caption “Capitalization” (except for subsequent issuances, if any, pursuant to this Agreement, pursuant to reservations, agreements or employee benefit plans referred to in the Registration Statement, the Pricing Disclosure Package and the Prospectus or pursuant to the exercise of convertible securities or options referred to in the Registration Statement, the Pricing Disclosure Package and the Prospectus). The shares of issued and outstanding capital stock of the Company have been duly authorized and validly issued and are fully paid and non-assessable; none of the outstanding shares of capital stock of the Company was issued in violation of the preemptive rights, rights of first refusal or other similar rights of any securityholder of the Company arising by operation of law, or under the certificate of incorporation, bylaws or other organizational documents of the Company or any Subsidiary or under any agreement to which the Company or any Subsidiary is a party. There have been no long-term borrowings by the Company or, except as described in the Registration Statement, the Pricing Disclosure Package or the Prospectus, its consolidated Subsidiaries since March 31, 2020 other than advances from the FHLB, borrowings from the Federal Reserve, or changes in other indebtedness, other than routine changes in deposits, regular short-term draws on available lines of credit, or other changes that the Company considers to be insignificant in type or immaterial in amount.

(xii) Authorization of Agreement. The Company has full right, power and authority to execute and deliver this Agreement and to perform its obligations hereunder; and all action required to be taken for the due and proper authorization, execution and delivery by it of this Agreement and the consummation by it of the transactions contemplated hereby has been duly and validly taken. This Agreement has been duly authorized, executed and delivered by the Company.

(xiii) Securities Offerings. All offers and sales of the Company's capital stock and debt or other securities prior to the date hereof were made in compliance with or were the subject of an available exemption from the Securities Act and the Securities Act Regulations and all other applicable state and federal laws or regulations, or any actions under the Securities Act and the Securities Act Regulations or any state or federal laws or regulations in respect of any such offers or sales are effectively barred by effective waivers or statutes of limitation.

(xiv) Authorization, Validity and Enforceability of Indenture and Securities. The Indenture will be duly authorized, executed and delivered by the Company and, assuming the due authorization, execution and delivery of the Indenture by the Trustee, the Indenture will constitute a valid, legal and binding agreement of the Company enforceable against the Company in accordance with its terms, except to the extent that enforceability may be limited by (a) bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer or other similar laws now or hereafter in effect relating to creditors' rights generally and (b) general principles of equity (regardless of whether enforceability is considered in a proceeding at law or in equity). The Indenture has been, and at the Closing Time will be, duly qualified under the Trust Indenture Act. The Securities to be purchased by the Underwriters from the Company have been duly authorized for issuance and sale to the Underwriters pursuant to this Agreement and, at Closing, will have been duly executed by the Company, and when authenticated and delivered by the Trustee in the manner provided for in the Indenture, and issued and delivered by the Company pursuant to this Agreement against payment of the consideration set forth herein, will constitute valid, legal and binding obligations of the Company, enforceable against the Company in accordance with their terms, except to the extent that enforceability may be limited by (a) bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer or other similar laws now or hereafter in effect relating to creditors' rights generally and (b) general principles of equity (regardless of whether enforceability is considered in a proceeding at law or in equity). The Securities will be in the form contemplated by, and will be entitled to the benefits of, the Indenture. The description of the Indenture contained in the Registration Statement, the Pricing Disclosure Package and the Prospectus conforms in all material respects to the Indenture.

(xv) Registration Rights. There are no contracts, agreements or understandings granting any person registration rights or other similar rights to have any securities registered for resale pursuant to the Registration Statement or otherwise registered for resale or sold by the Company under the Securities Act by reason of filing of the Registration Statement with the Commission or by reason of the sale of the Securities by the Company pursuant to this Agreement.

(xvi) Summaries of Legal Matters. The statements set forth in the Registration Statement, the Pricing Disclosure Package and the Prospectus under the captions “Description of the Notes” and “Benefit Plan Investor Consideration,” under the caption “Supervision and Regulation” in the Company’s Annual Report on Form 10-K for the year ended December 31, 2019 and under the caption “Legal Proceedings” in the Company’s Annual Report on Form 10-K for the year ended December 31, 2019 or Quarterly Report on Form 10-Q for the quarter ended March 31, 2020, insofar as they purport to describe legal matters or provisions of the laws and regulations or documents referred to therein, are accurate, complete and fair in all material respects; and the statements set forth in the Pricing Disclosure Package and the Prospectus under the caption “Material U.S. Federal Income Tax Considerations”, insofar as they purport to summarize certain federal income tax laws of the United States, constitute a fair summary of the principal U.S. federal income tax consequences of an investment in the Securities.

(xvii) Absence of Defaults and Conflicts. The Company is not in violation of its Second Amended and Restated Certificate of Incorporation, as amended (the “**Charter**”), or Amended and Restated Bylaws (the “**Bylaws**”); none of the Subsidiaries is in violation of its articles of incorporation, charter, bylaws or other organizational documents; neither the Company nor any of its Subsidiaries is in default in the performance or observance of any obligation, agreement, covenant or condition contained in any contract, indenture, mortgage, deed of trust, loan or credit agreement, note, lease or other agreement or instrument to which the Company or any of its Subsidiaries is a party or by which it or any of them may be bound, or to which any of the property or assets of the Company or any Subsidiary is subject (collectively, “**Agreements and Instruments**”), or in violation of any law or statute or any judgment, order, rule or regulation of any court or arbitrator or governmental or regulatory authority, except for such violations or defaults that would not, singly or in the aggregate, result in a Material Adverse Effect; and the execution, delivery and performance of this Agreement and the Indenture and the consummation of the transactions contemplated herein and therein, and in the Registration Statement (including the issuance and sale of the Securities and the use of the proceeds from the sale of the Securities as described in the Prospectus under the caption “Use of Proceeds”) and compliance by the Company with its obligations hereunder have been duly authorized by all necessary corporate action and do not and will not, whether with or without the giving of notice or passage of time or both, conflict with or constitute a breach of, or default or Repayment Event (as defined below) under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Company or any Subsidiary pursuant to, the Agreements and Instruments (except for such conflicts, breaches or defaults or liens, charges or encumbrances that could not, singly or in the aggregate, result in a Material Adverse Effect); nor will such action result in any violation of the provisions of the Charter or Bylaws of the Company or the charter, bylaws or other organizational document of any Subsidiary; nor will such action result in any violation of any applicable law, statute, rule, regulation, judgment, order, writ or decree of any government, government instrumentality or court, domestic or foreign, having jurisdiction over the Company or any Subsidiary or any of their assets, properties or operations (except for such violations that would not, singly or in the aggregate, result in a Material Adverse Effect). As used herein, a “**Repayment Event**” means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder’s behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or any Subsidiary.

(xviii) Nasdaq Compliance. The Company is in compliance in all material respects with the requirements of The Nasdaq Global Select Market (“**Nasdaq**”) for continued listing of the Company’s common stock, par value \$0.01 per share (the “**Common Stock**”), thereon. The Company has taken no action designed to, or likely to have the effect of, terminating the registration of the Common Stock under the Exchange Act or the listing of the Common Stock on Nasdaq, nor has the Company received any notification that the Commission or Nasdaq is contemplating terminating such registration or listing. The transactions contemplated by this Agreement will not contravene the rules or regulations of Nasdaq.

(xix) Absence of Labor Dispute. No labor dispute with the employees of the Company or any Subsidiary exists or, to the knowledge of the Company, is imminent. The Company is not aware of any existing or imminent labor disturbance by the employees of any of its or any Subsidiary’s principal suppliers or vendors, which, in either case, could, singly or in the aggregate, result in a Material Adverse Effect. Neither the Company nor the Bank is engaged in any unfair labor practice. Except for matters which would not, individually or in the aggregate, have a Material Adverse Effect, (A) there is (1) no unfair labor practice complaint pending or, to the Company’s knowledge, threatened against the Company or the Bank before the National Labor Relations Board or any similar domestic or foreign body, and no grievance or arbitration proceeding arising out of or under collective bargaining agreements is pending or, to the Company’s knowledge, threatened, (2) no strike, labor dispute, slowdown or stoppage pending or, to the Company’s knowledge, threatened against the Company or the Bank and (3) no union representation dispute currently existing concerning the employees of the Company or the Bank, (B) to the Company’s knowledge, no union organizing activities are currently taking place concerning the employees of the Company or the Bank and (C) there has been no violation of any federal, state, local or foreign law relating to discrimination in the hiring, promotion or pay of employees, any applicable wage or hour laws or any provision of the Employee Retirement Income Security Act of 1974, as amended, and the regulations and published interpretations thereunder (collectively, “**ERISA**”) or any similar domestic or foreign law or the rules and regulations promulgated thereunder concerning the employees of the Company or the Bank.

(xx) Absence of Proceedings. There is no action, suit, proceeding, inquiry or investigation before or brought by any court or governmental agency or body, domestic or foreign, now pending, or, to the knowledge of the Company, threatened, against or affecting the Company or any Subsidiary, which is required to be disclosed in the Registration Statement (other than as disclosed therein), or which, if determined adversely to the Company or any Subsidiary, individually or in the aggregate, would reasonably be expected to result in a Material Adverse Effect, or which would materially and adversely affect the properties or assets thereof, nor, to the Company’s knowledge, is there any basis for any such action, suit, inquiry, proceeding or investigation; the aggregate of all pending legal or governmental proceedings to which the Company or any Subsidiary is a party or of which any of their respective property or assets is the subject which are not described in the Registration Statement, including ordinary routine litigation incidental to the business, if determined adversely to the Company or any Subsidiary, individually or in the aggregate, would not result in a Material Adverse Effect.

(xxi) Bank Holding Company Act. The Company has been duly registered as, and meets in all material respects the applicable requirements for qualification as, a bank holding company and has not elected to be treated as a “financial holding company” under the applicable provisions of the Bank Holding Company Act of 1956, as amended. The activities of the Subsidiaries are permitted of subsidiaries of a financial holding company under applicable law and the rules and regulations of the Federal Reserve set forth in Title 12 of the Code of Federal Regulations.

(xxii) Compliance with Bank Regulatory Authorities. The Company and each of its Subsidiaries are in compliance with all applicable laws, rules and regulations (including, without limitation, all applicable regulations and orders) of, or agreements with, the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation, the Consumer Financial Protection Bureau (the “CFPB”) and the California Department of Business Oversight-Division of Financial Institutions, as applicable (collectively, the “**Bank Regulatory Authorities**”), the Equal Credit Opportunity Act, the Fair Housing Act, the Truth in Lending Act, the Community Reinvestment Act (the “CRA”), the Home Mortgage Disclosure Act, the Bank Secrecy Act and Title III of the USA Patriot Act, to the extent such laws or regulations apply to the Company or the Bank, as applicable, except where the failure to so comply would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect. The Company and the Bank have no knowledge of any facts and circumstances, and have no reason to believe that any facts or circumstances exist, that could cause the Bank (A) to be deemed not to be in satisfactory compliance with the CRA and the regulations promulgated thereunder or to be assigned a CRA rating by federal or state banking regulators of lower than “satisfactory,” or (B) to be deemed to be operating in violation, in any material respect, of the Bank Secrecy Act of 1970, as amended by the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (or otherwise known as the “**Currency and Foreign Transactions Reporting Act**”), the USA Patriot Act or any order issued with respect to the Anti-Money Laundering Laws (as defined below). As of March 31, 2020, each of the Company and the Bank met or exceeded the standards necessary to be considered “well capitalized” under the FDIC’s regulatory framework for prompt corrective action. The Bank has a CRA rating of at least “Satisfactory.” The Bank has been duly chartered, is validly existing under the laws of the State of California and holds the requisite authority to do business as a state-chartered bank with banking powers under the laws of the State of California. The Bank is a member in good standing of the Federal Home Loan Bank System. The activities of the Bank are permitted under the laws and regulations of State of California. Since December 31, 2014, the Company, the Bank and each of its subsidiaries have filed all material reports, registrations and statements, together with any required amendments thereto, that they were required to file with the Federal Reserve, the FDIC and any other applicable federal or state banking authorities. All such reports and statements filed with any such regulatory body or authority are collectively referred to herein as the “**Company Reports**.” As of their respective dates, the Company Reports complied as to form in all material respects with all the rules and regulations promulgated by the Federal Reserve, the FDIC and any other applicable federal or state banking authorities, as the case may be. None of the Company, the Bank nor any of their respective subsidiaries is a party or subject to any formal or informal agreement, memorandum of understanding, consent decree, directive, cease-and-desist order, order of prohibition or suspension, written commitment, supervisory agreement or other written statement as described under 12 U.S.C. 1818(u) with, or order issued by, the Federal Reserve, the FDIC, the CFPB or any other bank regulatory authority that (i) restricts materially the conduct of its business, or in any manner relates to its capital adequacy, its credit policies or its management, and (ii) is required to be disclosed in the Registration Statement or Prospectus pursuant to the Securities Act, the Securities Act Regulations, the Exchange Act or the Exchange Act Regulations but is not so disclosed. There is no unresolved violation, criticism or exception by any Bank Regulatory Authority with respect to any examination of the Company, the Bank or any of the Company’s other Subsidiaries, which might reasonably be expected to result in a Material Adverse Effect.

(xxiii) Accuracy of Exhibits. There are no contracts or documents which are required to be described in the Registration Statement, the Pricing Disclosure Package, the Prospectus or the documents incorporated by reference therein or to be filed as exhibits thereto which have not been so described and filed as required.

(xxiv) Absence of Further Requirements. No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental agency or body is necessary or required for the performance by the Company of its obligations under this Agreement in connection with the offering, issuance or sale of the Securities or the consummation of the transactions contemplated in this Agreement prior to the Closing Time, except such as have been already obtained or as may be required under the Securities Act, the Securities Act Regulations, the securities laws of any state or non-U.S. jurisdiction or the rules of the Financial Industry Regulatory Authority, Inc. (“**FINRA**”). All of the information provided to the Underwriters or to counsel for the Underwriters by the Company, its counsel, its officers and directors and the holders of any securities (debt or equity) or options to acquire any securities of the Company in connection with the offering of the Securities is true, complete, correct and compliant with FINRA’s rules, and any letters, filings or other supplemental information provided by or at the direction of the Company to FINRA pursuant to FINRA Rules or National Association of Securities Dealers Conduct Rules are true, complete and correct.

(xxv) Possession of Licenses and Permits. The Company and its Subsidiaries possess such permits, licenses, approvals, registrations, memberships, consents and other authorizations (collectively, “**Governmental Licenses**”) issued by the appropriate federal, state, local or foreign regulatory agencies or bodies necessary to conduct the business now operated by them, except where the failure to possess any such Governmental Licenses would not, singly or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Company and its Subsidiaries are in compliance with the terms and conditions of all such Governmental Licenses, except where the failure to so comply would not, singly or in the aggregate, reasonably be expected to have a Material Adverse Effect and no event has occurred that allows, or after notice or lapse of time would allow, revocation or termination of any such Governmental License or result in any other material impairment of the rights of any such Governmental License. All of the Governmental Licenses are valid and in full force and effect, except where the failure to be so would not, singly or in the aggregate, reasonably be expected to have a Material Adverse Effect. Neither the Company nor any of its Subsidiaries has received any notice of proceedings relating to the revocation or modification of any such Governmental Licenses. Neither the Company nor any of its Subsidiaries has failed to file with applicable regulatory authorities any statement, report, information or form required by any applicable law, regulation or order, all such filings were in compliance with applicable laws when filed and no deficiencies have been asserted by any regulatory commission, agency or authority with respect to any such filings or submissions, except where the failure to so file or comply, or any such asserted deficiencies, would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

(xxvi) Title to Property. The Company and its Subsidiaries have good and marketable title in fee simple to all real property owned by the Company or any such Subsidiary, as the case may be, and good title to all other properties owned by them, in each case, free and clear of all mortgages, pledges, liens, security interests, claims, restrictions or encumbrances of any kind except such as (A) are described in the Registration Statement, the Pricing Disclosure Package and the Prospectus or (B) do not materially affect the value of such property and do not interfere with the use made and proposed to be made of such property by the Company or any Subsidiary. Except as would not, singly or in the aggregate, reasonably be expected to result in a Material Adverse Effect, all of the real property leases and subleases pursuant to which the Company or any of its Subsidiaries occupies real property or otherwise has or exercises rights with respect to such real property described in the Registration Statement, the Pricing Disclosure Package and the Prospectus, are in full force and effect and are held under valid, subsisting and enforceable leases, and neither the Company nor any Subsidiary has received any notice of any material claim of any sort that has been asserted by anyone adverse to the rights of the Company or any Subsidiary under any of the leases or subleases mentioned above, or affecting or questioning the rights of the Company or such Subsidiary to the continued possession of the leased or subleased premises under any such lease or sublease.

(xxvii) Possession of Intellectual Property. The Company and its Subsidiaries own or possess, or can acquire on reasonable terms, adequate patents, patent rights, licenses, inventions, copyrights, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures and excluding generally commercially available “off the shelf” software programs licensed pursuant to shrink wrap or “click and accept” licenses), systems, technology, trademarks, service marks, trade names or other intellectual property (collectively, “**Intellectual Property**”) necessary to carry on the business now operated by them. Neither the Company nor any of its Subsidiaries has received any notice or is otherwise aware of any infringement or misappropriation of or conflict with asserted rights of others with respect to any Intellectual Property or of any facts or circumstances which could render any Intellectual Property invalid or inadequate to protect the interest of the Company or any of its Subsidiaries therein.

(xxviii) Environmental Laws. Except as described in the Registration Statement and except as would not, singly or in the aggregate, reasonably be expected to result in a Material Adverse Effect, (A) neither the Company nor any of its Subsidiaries is in violation of any federal, state, local or foreign statute, law, rule, regulation, ordinance, code, policy or rule of common law or any judicial or administrative interpretation thereof, including any judicial or administrative order, consent, decree or judgment, relating to pollution or protection of human health, the environment (including, without limitation, ambient air, surface water, groundwater, land surface or subsurface strata) or wildlife, including, without limitation, laws and regulations relating to the release or threatened release of chemicals, pollutants, contaminants, wastes, toxic substances, hazardous substances, petroleum or petroleum products, asbestos-containing materials or mold (collectively, “**Hazardous Materials**”) or to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Materials (collectively, “**Environmental Laws**”), (B) the Company and its Subsidiaries have all permits, authorizations and approvals required under any applicable Environmental Laws and are each in compliance with their requirements, (C) there are no pending or, to the knowledge of the Company, threatened administrative, regulatory or judicial actions, suits, demands, demand letters, claims, liens, notices of noncompliance or violation, investigation or proceedings relating to any Environmental Law against the Company or any of its Subsidiaries, (D) there are no events or, to the knowledge of the Company, circumstances that would reasonably be expected to result in forming the basis of an order for clean-up or remediation, or an action, suit or proceeding by any private party or governmental body or agency, against or affecting the Company or any of its Subsidiaries relating to Hazardous Materials or any Environmental Laws, and (E) none of the Company or any of its Subsidiaries anticipate material capital expenditures relating to Environmental Laws.

(xxix) ERISA. Except as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect: (A) each employee benefit plan, within the meaning of Section 3(3) of ERISA, that is maintained, administered or contributed to by the Company or any Subsidiary or any member of the Company’s “control group” (within the meaning of Section 414 of the Internal Revenue Code of 1986, as amended (the “**Code**”), for employees or former employees of the Company and its affiliates (“**Plan**”) has been maintained in material compliance with its terms and the requirements of any applicable statutes, orders, rules and regulations, including but not limited to ERISA and the Code; (B) no “prohibited transaction,” within the meaning of Section 406 of ERISA or Section 4975 of the Code has occurred with respect to any such Plan excluding transactions effected pursuant to a statutory or administrative exemption; (C) no “reportable event” (as defined under ERISA) has occurred or is reasonably expected to occur with respect to any “employee benefit plan” established or maintained by the Company, the Subsidiaries or any of their ERISA Affiliates; (D) no “employee benefit plan” (as defined under ERISA) established or maintained by the Company, the Subsidiaries or any of their ERISA Affiliates, if such employee benefit plan were terminated, could have any “amount of unfunded benefit liabilities” (as defined under ERISA); and (E) neither the Company, the Subsidiaries nor any of their ERISA Affiliates has incurred or reasonably expects to incur any liability under (i) Title IV of ERISA with respect to termination of, or withdrawal from, any “employee benefit plan,” or (ii) Sections 412, 4971, 4975 or 4980B of the Code. Each employee benefit plan established or maintained by the Company, the Subsidiaries or any of their ERISA Affiliates that is intended to be qualified under Section 401(a) of the Code is so qualified and, to the Company’s knowledge, nothing has occurred, whether by action or failure to act, which could cause the loss of such qualification. With respect to each Plan subject to Title IV of ERISA, the minimum funding standard of Section 302 of ERISA or Section 412 of the Code, as applicable, has been satisfied (without taking into account any waiver thereof or extension of any amortization period) and is reasonably expected to be satisfied in the future (without taking into account any waiver thereof or extension of any amortization period) and the fair market value of the assets under each Plan exceeds the present value of all benefits accrued under such Plan (determined based on those assumptions used to fund such Plan). There is no pending audit or investigation by the Internal Revenue Service, the U.S. Department of Labor, the Pension Benefit Guaranty Corporation or any other governmental agency or any foreign agency with respect to any employee benefit plan established or maintained by the Company, its Subsidiaries or any of their ERISA Affiliates.

(xxx) Internal Control Over Financial Reporting. The Company and each of its Subsidiaries maintain a system of internal control over financial reporting (as such term is defined in Rule 13a-15(f) of the Exchange Act Regulations) that complies with the requirements of the Exchange Act and the Exchange Act Regulations and has been designed by the Company's principal executive officer and principal financial officer and is sufficient to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP, including that (A) transactions are executed in accordance with management's general or specific authorizations; (B) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain asset accountability; (C) access to assets is permitted only in accordance with management's general or specific authorization; (D) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences; and (E) the interactive data in eXtensible Business Reporting Language included or incorporated by reference in the Registration Statement is accurate and fairly presents the information called for in all material respects and has been prepared in accordance with the Commission's rules and guidelines applicable thereto. The systems of internal control over financial reporting of the Company and its Subsidiaries are overseen by the Audit Committee of the Board of Directors of the Company in accordance with Nasdaq rules and regulations. Except as described in the Registration Statement, the Pricing Disclosure Package and the Prospectus, since the end of the Company's most recent audited fiscal year, (i) there has been no material weakness in the Company's internal control over financial reporting (whether or not remediated), (ii) there has been no change in the Company's internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting and (iii) the Company has not been advised of (a) any significant deficiencies in the design or operation of internal controls that could adversely affect the ability of the Company or any Subsidiary to record, process, summarize and report financial data, or any material weakness in internal controls, or (b) any fraud, whether or not material, that involves management or other employees who have a significant role in the internal controls of the Company and each of the Subsidiaries.

(xxxi) Disclosure Controls and Procedures. The Company and its Subsidiaries employ disclosure controls and procedures (as such term is defined in Rule 13a-15 of the Exchange Act Regulations), which (A) are designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the Commission's rules and forms and that material information relating to the Company and its Subsidiaries is made known to the Company's principal executive officer and principal financial officer by others within the Company and its Subsidiaries to allow timely decisions regarding disclosure and (B) have been evaluated by management of the Company for effectiveness as of March 31, 2020 and were then effective in all material respects to perform the functions for which they were established. Based on the evaluation of the Company's and each Subsidiary's disclosure controls and procedures described above, the Company is not aware of (1) any significant deficiency in the design or operation of internal controls which could adversely affect the Company's or its Subsidiaries' ability to record, process, summarize and report financial data or any material weakness in internal controls or (2) any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's or its Subsidiaries' internal controls. Since the most recent evaluation of the Company's disclosure controls and procedures described above, there have been no changes in internal controls or in other factors that could significantly affect internal controls. The Company does not reasonably expect to publicly disclose or report to the Audit Committee or the Board of Directors within the next 90 days a material weakness, change in internal control over financial reporting or fraud involving management or other employees who have a significant role in internal control over financial reporting, any violation of, or failure to comply with, the Sarbanes-Oxley Act or the Exchange Act, or any matter related to internal control over financial reporting which, if determined adversely, would result in a Material Adverse Effect.

(xxxii) Compliance with the Sarbanes-Oxley Act. There is and has been no failure on the part of the Company or any of the Company's directors or officers, in their capacities as such, to comply with any provision of the Sarbanes-Oxley Act and the rules and regulations promulgated in connection therewith, including Section 402 related to loans and Sections 302 and 906 related to certifications.

(xxxiii) Pending Procedures and Examinations. The Registration Statement is not the subject of a pending proceeding or examination under Section 8(d) or 8(e) of the Securities Act, and the Company is not the subject of a pending proceeding under Section 8A of the Securities Act in connection with the offering of the Securities.

(xxxiv) Payment of Taxes. All United States federal income tax returns of the Company and the Subsidiaries required by law to be filed have been timely filed and all taxes shown by such returns or otherwise assessed, which are due and payable, have been paid, except assessments against which have been or will be promptly contested in good faith and as to which adequate reserves have been provided in the Company's financials in accordance with GAAP. The Company and the Subsidiaries have filed all other tax returns that are required to have been filed by them pursuant to applicable foreign, state, local or other law, except insofar as the failure to file such returns, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, and have paid all taxes due pursuant to such returns or pursuant to any assessment received by the Company or any Subsidiary except for such taxes, if any, as are being contested in good faith and as to which adequate reserves have been provided. The charges, accruals and reserves on the books of the Company and the Subsidiaries in respect of any income and corporation tax liability for any years not finally determined are adequate to meet any assessments or re-assessments for additional income tax for any years not finally determined, except to the extent of any inadequacy that would not, singly or in the aggregate, result in a Material Adverse Effect. Except as otherwise disclosed in the Registration Statement, the Pricing Disclosure Package and the Prospectus, there is no material tax deficiency that has been or would reasonably be expected to be asserted against the Company or any of its Subsidiaries or any of their respective properties or assets.

(xxxv) Insurance. The Company and each Subsidiary is insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are prudent and customary in the businesses in which they are engaged including, but not limited to, policies covering real and personal property owned or leased by the Company and each Subsidiary against theft, damage, destruction, acts of vandalism and earthquakes; neither the Company nor any of its Subsidiaries has been refused any insurance coverage sought or applied for; and the Company has no reason to believe that it or any Subsidiary will not be able to renew their existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not have a Material Adverse Effect. All such insurance is fully in force as of the date hereof.

(xxxvi) Investment Company Act. The Company is not, and upon the issuance and sale of the Securities as herein contemplated and the application of the net proceeds therefrom as described in the Registration Statement, the Pricing Disclosure Package and the Prospectus will not be, an “investment company” or an entity “controlled” by an “investment company” as such terms are defined in the Investment Company Act of 1940, as amended (the “**Investment Company Act**”).

Until the completion of the distribution of the Securities as contemplated in this Agreement, the Company will use its best efforts to prevent the issuance of any stop, prevention or suspension order and, if any such order is issued, to obtain the lifting thereof at the earliest possible moment. If, before all the Securities have been sold by the Underwriters, the Company receives from the Commission a notice pursuant to Rule 401(g)(2) or otherwise ceases to be eligible to use the automatic shelf registration statement form, the Company will (A) promptly notify the Underwriters, (B) promptly file a new registration statement or post-effective amendment on the proper form relating to the Securities in such form as is reasonably satisfactory to the Underwriters, (C) use its best efforts to cause such registration statement or post-effective amendment to be declared effective as soon as practicable, and (D) promptly notify the Underwriters of such effectiveness. (c) *Continued Compliance with Securities Laws.* The Company will comply with the Securities Act, the Securities Act Regulations, the Exchange Act and the Exchange Act Regulations so as to permit the completion of the distribution of the Securities as contemplated in this Agreement and in the Registration Statement, the Pricing Disclosure Package and the Prospectus. If at any time when a prospectus relating to the Securities is (or, but for the exception afforded by Rule 172 of the Securities Act Regulations, would be) required by the Securities Act (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act Regulations) to be delivered in connection with sales of the Securities ending no later than nine months from the date hereof (the “**Delivery Period**”) any event shall occur or condition shall exist as a result of which it is necessary, in the opinion of counsel for the Underwriters or for the Company, to (i) amend the Registration Statement in order that the Registration Statement will not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (ii) amend or supplement the Pricing Disclosure Package or the Prospectus in order that the Pricing Disclosure Package or the Prospectus, as the case may be, will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading in the light of the circumstances existing at the time it (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act Regulations) is delivered to a purchaser or (iii) amend the Registration Statement or amend or supplement the Pricing Disclosure Package or the Prospectus, as the case may be, including, without limitation, any document incorporated therein by reference, in order to comply with the requirements of the Securities Act, the Securities Act Regulations, the Exchange Act or the Exchange Act Regulations, the Company will promptly (A) give the Representative written notice of such event or condition, (B) prepare any amendment or supplement as may be necessary to correct such statement or omission or to make the Registration Statement, the Pricing Disclosure Package or the Prospectus comply with such requirements and, a reasonable amount of time prior to any proposed filing or use, furnish the Representative with copies of any such amendment or supplement and (C) file with the Commission any such amendment or supplement and use its best efforts to have any amendment to the Registration Statement declared effective by the Commission as soon as possible if the Company is no longer eligible to file an automatic shelf registration statement, provided that the Company shall not file or use any such amendment or supplement to which the Representative or counsel for the Underwriters shall object.

(d) *Filing or Use of Amendments or Supplements.* During the Delivery Period, the Company (A) will furnish to the Representative for review, a reasonable period of time prior to the proposed time of filing of any proposed amendment or supplement to the Registration Statement, a copy of each such amendment or supplement, and (B) will not amend or supplement the Registration Statement without the Representative’s prior written consent. Prior to amending or supplementing any preliminary prospectus or the Prospectus, the Company shall furnish to the Representative for review, a reasonable amount of time prior to the time of filing or use of the proposed amendment or supplement, a copy of each such proposed amendment or supplement. The Company will furnish to each Underwriter, without charge, during the Delivery Period, such number of copies of the Prospectus (as amended or supplemented) as such Underwriter may reasonably request. The Prospectus and any amendments or supplements thereto furnished to the Underwriters will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(g) *Blue Sky Qualifications.* The Company will take such actions as the Representative reasonably requests to qualify the Securities for offering and sale under the applicable securities laws of such states and non-U.S. jurisdictions as the Representative may designate and to maintain such qualifications in effect during the Delivery Period; provided, that the Company shall not be obligated to file or take any action that would constitute a general consent to service of process or to qualify as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject.

In that event, the Company shall pay such additional amounts as may be necessary in order that the net amounts received after such withholding or deduction shall equal the amounts that would have been received if no withholding or deduction had been made.

(t) *Trademarks.* Upon request of any Underwriter, to furnish, or cause to be furnished, to such Underwriter an electronic version of the Company's trademarks, servicemarks and corporate logo for use on the website, if any, operated by such Underwriter for the purpose of facilitating the on-line offering of the Securities (the "**License**"); provided that the License shall be used solely for the purpose described above, is granted without any fee and may not be assigned or transferred.

(b) *Termination of Agreement.* If this Agreement is terminated by the Representative in accordance with the provisions of Section 6, Section 10(a) or Section 11 hereof, the Company shall reimburse the Underwriters for all of their out-of-pocket expenses, including the reasonable fees and disbursements of counsel for the Underwriters.

SECTION 5. Use of Free Writing Prospectuses by Underwriters. Each Underwriter represents and agrees that, unless it obtains the prior consent of the Company and the Representative, it has not made and will not make any offer relating to the Securities that would constitute an Issuer Free Writing Prospectus, or that would otherwise constitute a “free writing prospectus,” as defined in Rule 405, required to be filed with the Commission.

SECTION 6. Conditions of Underwriters’ Obligations. The obligations of the several Underwriters hereunder are subject to the accuracy of the representations and warranties of the Company contained herein or in certificates of any officer of the Company or any of its Subsidiaries delivered pursuant to the provisions hereof, to the performance by the Company of its covenants and other obligations hereunder, and to the following further conditions:

(a) *Effectiveness of Registration Statement, etc.* The Registration Statement was filed by the Company with the Commission and became effective upon filing in accordance with Rule 462(e) not earlier than three years prior to the date hereof. Each preliminary prospectus, each Issuer Free Writing Prospectus and the Prospectus shall have been filed as required by Rule 424(b) (without reliance on Rule 424(b)(8)) and Rule 433, as applicable, within the time period prescribed by, and in compliance with, the Securities Act Regulations. No stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto shall have been issued under the Securities Act or proceedings therefor initiated or threatened by the Commission, no notice of objection to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) has been received by the Company, no order preventing or suspending the use of any preliminary prospectus or the Prospectus or any amendment or supplement thereto has been issued and no proceedings for any of those purposes have been instituted or are pending or, to the Company’s knowledge, contemplated. The Company has complied with each request (if any) from the Commission for additional information. The Company shall have paid the required Commission filing fees relating to the Securities within the time period required by Rule 456(b)(1)(i) of the Securities Act Regulations without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) of the Securities Act Regulations and, if applicable, shall have updated the “Calculation of Registration Fee” table in accordance with Rule 456(b)(1)(ii) either in a post-effective amendment to the Registration Statement or on the cover page of a prospectus filed pursuant to Rule 424(b).

(b) *Opinion of Counsel for Company.* At the Closing Time, the Representative shall have received the favorable opinion, dated the Closing Time, of Holland & Knight LLP, counsel for the Company, in form and substance satisfactory to the Representative and substantially in the form of Exhibit A hereto, respectively, together with signed or reproduced copies of such letters for each of the other Underwriters, in form and substance reasonably satisfactory to the Representative.

(c) *Opinion of Counsel for Underwriters.* At the Closing Time, the Representative shall have received the favorable opinion, dated the Closing Time, of Covington & Burling LLP, counsel for the Underwriters, in form and substance satisfactory to the Representative, together with signed or reproduced copies of such letter for each of the other Underwriters, and the Company shall have furnished to such counsel such documents as they may request for the purpose of enabling them to pass upon such matters. In giving such opinion, such counsel may rely, as to all matters governed by the laws of jurisdictions other than the law of the State of New York and the federal securities laws of the United States, upon the opinions of counsel satisfactory to the Representative. Such counsel may also state that, insofar as such opinion involves factual matters, they have relied, to the extent they deem proper, upon certificates of officers and other representatives of the Company and its Subsidiaries and certificates of public officials.

(d) *Officers' Certificate.* At the Closing Time, the Representative shall have received a certificate of the Chief Executive Officer or the President of the Company and of the Chief Financial Officer of the Company, dated as of Closing Time, to the effect that (i) there has been no Material Adverse Effect, (ii) the representations and warranties of the Company in this Agreement are true and correct with the same force and effect as though expressly made at and as of the Closing Time, (iii) the Company has complied with all agreements and satisfied all conditions on its part to be performed or satisfied at or prior to the Closing Time, and (iv) the conditions specified in Section 6(a) hereof have been satisfied.

(e) *Comfort Letters.* At the time of the execution of this Agreement, the Representative shall have received from each of (A) Crowe LLP, with respect to the Company, (B) RSM US LLP, with respect to Opus Bank, and (C) KPMG LLP, with respect to Opus Bank, a letter dated such date, in form and substance satisfactory to the Representative, together with signed or reproduced copies of such letter for each of the other Underwriters, confirming that they are a registered public accounting firm and independent registered public accountants as required by the Securities Act and containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and financial information contained in the Registration Statement, the Pricing Disclosure Package and the Prospectus.

(f) *Bring-down Comfort Letters.* At the Closing Time, the Representative shall have received from each of (A) Crowe LLP, with respect to the Company, (B) RSM US LLP, with respect to Opus Bank, and (C) KPMG LLP, with respect to Opus Bank, a letter dated as of the Closing Time, to the effect that each reaffirms the statements made in their respective letter furnished pursuant to Section 6(e) hereof, except that the specified date referred to shall be a date not more than three business days prior to the Closing Time.

(g) *Certificate of the Chief Financial Officer.* At the time of execution of this Agreement and at the Closing Time, the Representative shall have received a certificate executed by the Chief Financial Officer of the Company, in form and substance satisfactory to the Representative.

(h) *Beneficial Ownership Certificate.* On or before the date of this Agreement, the Representative shall have received a certificate satisfying the beneficial ownership due diligence requirements of the Financial Crimes Enforcement Network from the Company in form and substance satisfactory to the Representative.

(i) *Other Documents.* The Underwriters shall have received such other documents as they may reasonably request with respect to other matters related to the sale of the Securities.

(j) *Absence of Rating Downgrade.* Subsequent to the execution and delivery of this Agreement and prior to the Closing Time, there shall not have occurred any downgrading, nor shall any notice have been given of (i) any downgrading, (ii) any intended or potential downgrading, or (iii) any review or possible change that does not indicate an improvement, in the rating accorded to the Securities by Kroll Bond Rating Agency, Inc.

(k) *No Objection.* If applicable, FINRA shall have not raised any objection with respect to the fairness and reasonableness of the underwriting terms and arrangements relating to the offering of the Securities.

(l) *No Important Changes.* Since the execution of this Agreement, (i) in the judgment of the Representative, since the respective date hereof or the respective dates of which information is given in the Registration Statement, the Pricing Disclosure Package or the Prospectus, there shall not have occurred any Material Adverse Effect, and (ii) there shall not have been any decrease in or withdrawal of the rating of any debt securities or preferred securities of the Company or any of its subsidiaries by any “nationally recognized statistical rating organization” (as defined for purposes of Section 3(a)(62) of the Exchange Act) or any notice given of any intended or potential decrease in or withdrawal of any such rating or of a possible change in any such rating that does not indicate the direction of the possible change.

(m) *Delivery of Prospectus.* The Company shall have complied with the provisions hereof with respect to the furnishing of prospectuses, in electronic or printed format, on the New York business day next succeeding the date of this Agreement.

(n) *No Termination Event.* On or after the date hereof, there shall not have occurred any of the events, circumstances or occurrences set forth in Section 10(a).

(o) *No Legal Impediment to Issuance and/or Sale.* No action shall have been taken and no statute, rule, regulation or order shall have been enacted, adopted or issued by any federal, state or foreign governmental or regulatory authority that would, as of the Closing Time, prevent the issuance or sale of the Securities by the Company.

(p) *Good Standing.* The Representative shall have received on and as of the Closing Time satisfactory evidence of the good standing of the Company and the Bank in their respective jurisdictions of organization, in each case in writing or any standard form of telecommunication from the appropriate governmental authorities of such jurisdictions.

(q) *Additional Documents.* At the Closing Time, counsel for the Underwriters shall have been furnished with such documents and opinions as they may require for the purpose of enabling them to pass upon the issuance and sale of the Securities as herein contemplated, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained; and all proceedings taken by the Company in connection with the issuance and sale of the Securities as herein contemplated shall be in form and substance satisfactory to the Representative and counsel for the Underwriters.

If any condition specified in this Section shall not have been fulfilled when and as required to be fulfilled, this Agreement may be terminated by the Representative by notice to the Company at any time at or prior to Closing Time and such termination shall be without liability of any party to any other party except as provided in Section 4 and except that Section 1, Section 6, Section 7, Section 8, Section 9, Section 14, Section 15, Section 16 and Section 17 shall survive any such termination and remain in full force and effect.

SECTION 7. Indemnification.

(a) *Indemnification of Underwriters.* The Company agrees to indemnify and hold harmless each Underwriter, its affiliates (as such term is defined in Rule 501(b) of the Securities Act Regulations (each, an “**Affiliate**”)), selling agents, officers and directors and each person, if any, who controls any Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), including any information deemed to be a part thereof pursuant to Rule 430B, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or arising out of any untrue statement or alleged untrue statement of a material fact included in any preliminary prospectus, any Issuer Free Writing Prospectus, any “road show,” the Pricing Disclosure Package or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission in any preliminary prospectus, any Issuer Free Writing Prospectus, the Pricing Disclosure Package or the Prospectus (or any amendment or supplement thereto) of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided that (subject to Section 7(d) hereof) any such settlement is effected with the written consent of the Company;

(iii) against any and all expense whatsoever, as incurred (including the fees and disbursements of counsel chosen by the Representative), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above;

provided, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in the Registration Statement (or any amendment thereto), including any information deemed to be a part thereof pursuant to Rule 430B, or in any preliminary prospectus, any Issuer Free Writing Prospectus, the Pricing Disclosure Package or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with the Underwriter Information.

(b) *Indemnification of Company, Directors and Officers.* Each Underwriter severally agrees to indemnify and hold harmless the Company, its directors, each of its officers who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in Section 7(a) hereof, as incurred, but only with respect to, arising out of or based on untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto), including any information deemed to be a part thereof pursuant to Rule 430B, or in any preliminary prospectus, any Issuer Free Writing Prospectus, the Pricing Disclosure Package or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with the Underwriter Information.

(c) *Actions against Parties; Notification.* Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. In the case of parties indemnified pursuant to Section 7(a) hereof, counsel to the indemnified parties shall be selected by the Representative, and, in the case of parties indemnified pursuant to Section 7(b) hereof, counsel to the indemnified parties shall be selected by the Company. An indemnifying party may participate at its own expense in the defense of any such action; provided, that counsel to the indemnifying party shall not (except with the prior written consent of the indemnified party) also be counsel to the indemnified party. In no event shall the indemnifying parties be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 7 or Section 8 hereof (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) *Settlement without Consent if Failure to Reimburse.* If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by Section 7(a)(ii) effected without its written consent if (i) such settlement is entered into more than 60 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 45 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement.

SECTION 8. Contribution. If the indemnification provided for in Section 7 hereof is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and the Underwriters, on the other hand, in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations.

The relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company, on the one hand, and the total underwriting discount received by the Underwriters, on the other hand, in each case as set forth on the cover of the Prospectus, bear to the aggregate initial public offering price of the Securities as set forth on the cover of the Prospectus.

The relative fault of the Company, on the one hand, and the Underwriters, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 8 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 8. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section 8 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

Notwithstanding the provisions of this Section 8, no Underwriter shall be required to contribute any amount in excess of the underwriting discount received by such Underwriter in connection with the Securities underwritten by it and distributed to the public.

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' respective obligations to contribute pursuant to this Section 8 are several in proportion to the aggregate principal amount of Securities set forth opposite their respective names in Schedule A hereto and not joint.

For purposes of this Section 8, each person, if any, who controls an Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act and each Underwriter's Affiliates, officers, directors and selling agents shall have the same rights to contribution as such Underwriter, and each director of the Company, each officer of the Company who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act shall have the same rights to contribution as the Company.

SECTION 9. Representations, Warranties and Agreements to Survive. The indemnity and contribution provisions contained in Section 7 and Section 8, and all representations, warranties and agreements contained in this Agreement or in certificates of officers of the Company or any of its Subsidiaries submitted pursuant hereto, shall remain operative and in full force and effect regardless of (i) any investigation made by or on behalf of any Underwriter or its Affiliates, officers, directors and or selling agents, any person controlling any Underwriter or the Company's officers or directors or any person controlling the Company and (ii) delivery of and payment for the Securities.

SECTION 10. Termination of Agreement.

(a) *Termination.* The Representative may terminate this Agreement, by notice to the Company, at any time at or prior to the Closing Time, (i) if there has been, in the judgment of the Representative, since the time of execution of this Agreement or since the respective dates as of which information is given in the Registration Statement, the Pricing Disclosure Package or the Prospectus, any Material Adverse Effect, (ii) if there has occurred any material adverse change in the financial markets in the United States or the international financial markets, any outbreak of hostilities or escalation thereof or other calamity or crisis, including a widespread outbreak of epidemic illnesses (including the novel coronavirus COVID-19 to the extent that there is a material worsening of such outbreak after the date hereof), or any change or development involving a prospective change in national or international political, financial or economic conditions, including without limitation as a result of terrorist activities, in each case the effect of which is such as to make it, in the judgment of the Representative, impracticable or inadvisable to market the Securities or to enforce contracts for the sale of the Securities, (iii) if trading in any securities of the Company has been suspended or materially limited by the Commission, or Nasdaq, (iv) if trading generally on the New York Stock Exchange or Nasdaq has been suspended or materially limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by any of said exchanges or by order of the Commission, FINRA or any other governmental agency or body, (v) if a material disruption has occurred in commercial banking or securities settlement or clearance services in the United States or with respect to Clearstream or Euroclear systems in Europe, or (vi) if a general moratorium on commercial banking activities has been declared by either federal, New York or State of California authorities or if there is a material disruption in commercial banking or securities settlement or clearance services in the United States.

(b) *Liabilities.* If this Agreement is terminated pursuant to this Section, such termination shall be without liability of any party to any other party except as provided in Section 4 hereof, and provided further that Section 1, Section 6, Section 7, Section 8, Section 9, Section 14, Section 15, Section 16 and Section 17 shall survive such termination and remain in full force and effect.

SECTION 11. Default by One or More of the Underwriters. If one or more of the Underwriters shall fail at the Closing Time to purchase the Securities which it or they are obligated to purchase under this Agreement (the “**Defaulted Securities**”), the Representative shall have the right, within 36 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth; if, however, the Representative shall not have completed such arrangements within such 36-hour period, then:

(i) if the number of Defaulted Securities does not exceed 10% of the number of Securities to be purchased at the Closing Time, each of the non-defaulting Underwriters shall be obligated, severally and not jointly, to purchase the full amount thereof in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all non-defaulting Underwriters, or

(ii) if the number of Defaulted Securities exceeds 10% of the number of Securities to be purchased at the Closing Time, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter.

No action taken pursuant to this Section shall relieve any defaulting Underwriter from liability in respect of its default.

In the event of any such default which does not result in a termination of this Agreement, either the Representative or the Company shall have the right to postpone the Closing Time for a period not exceeding seven days in order to effect any required changes in the Registration Statement, the Pricing Disclosure Package or the Prospectus or in any other documents or arrangements. As used herein, the term "Underwriter" includes any person substituted for an Underwriter under this Section 11.

SECTION 12. Notices. All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard form of telecommunication. Notices to the Underwriters shall be directed to the Representative care of KBW at 787 Seventh Avenue, 4th Floor, New York, New York 10019, attention of Michael C. Garea, Managing Director, Capital Markets e-mail: mgarea@KBW.com; and notices to the Company shall be directed to it at 17901 Von Karman Avenue, Suite 1200, Irvine, California 92614, attention of Ronald J. Nicolas, Senior Executive Vice President and Chief Financial Officer, email: rnicolas@ppbi.com.

SECTION 13. No Advisory or Fiduciary Relationship. The Company acknowledges and agrees that (a) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the initial public offering price of the Securities and any related discounts and commissions, is an arm's-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other hand, (b) in connection with the offering of the Securities and the process leading thereto, each Underwriter is and has been acting solely as a principal and is not the agent or fiduciary of the Company or any of its Subsidiaries or its stockholders, creditors, employees or any other party, (c) no Underwriter has assumed or will assume an advisory or fiduciary responsibility in favor of the Company in connection with the offering of the Securities or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company or any of its Subsidiaries on other matters) or any other obligation to the Company in connection with the offering of the Securities except the obligations expressly set forth in this Agreement, (d) the Underwriters and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company, and (e) the Underwriters have not provided any legal, accounting, financial, regulatory or tax advice in connection with the offering of the Securities and the Company has consulted its own respective legal, accounting, financial, regulatory and tax advisors to the extent it deemed appropriate. The Company waives to the fullest extent permitted by applicable law any claims that it may have against the Underwriters arising from an alleged breach of fiduciary duty in connection with the offering of the Securities.

SECTION 14. Parties. This Agreement shall each inure to the benefit of and be binding upon the Underwriters and the Company and their respective successors. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person, firm or corporation, other than the Underwriters and the Company and their respective successors and the indemnified parties referred to in Section 7 and Section 8 and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the Underwriters and the Company and their respective successors, and said controlling persons, Affiliates, selling agents, officers and directors and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Securities from any Underwriter shall be deemed to be a successor by reason merely of such purchase.

SECTION 15. Trial by Jury. Each of the Company (on its behalf and, to the extent permitted by applicable law, on behalf of its stockholders and affiliates) and the Underwriters hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

SECTION 16. GOVERNING LAW. THIS AGREEMENT, ANY TRANSACTION CONTEMPLATED HEREUNDER AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAWS OF THE STATE OF NEW YORK.

SECTION 17. Consent to Jurisdiction. Each of the parties hereto agrees that any legal suit, action or proceeding arising out of or based upon this Agreement or the transactions contemplated hereby shall be instituted in (i) the federal courts of the United States of America located in the City and County of New York, Borough of Manhattan or (ii) the courts of the State of New York located in the City and County of New York, Borough of Manhattan (collectively, the “**Specified Courts**”), and irrevocably submits to the exclusive jurisdiction (except for proceedings instituted in regard to the enforcement of a judgment of any Specified Court, as to which such jurisdiction is non-exclusive) of the Specified Courts in any such suit, action or proceeding. Service of any process, summons, notice or document by mail to such party’s address set forth above shall be effective service of process for any suit, action or proceeding brought in any Specified Court. Each of the parties hereto irrevocably and unconditionally waives any objection to the laying of venue of any suit, action or proceeding in the Specified Courts and irrevocably and unconditionally waive and agree not to plead or claim in any Specified Court that any such suit, action or proceeding brought in any Specified Court has been brought in an inconvenient forum.

SECTION 18. TIME. TIME SHALL BE OF THE ESSENCE OF THIS AGREEMENT. EXCEPT AS OTHERWISE SET FORTH HEREIN, SPECIFIED TIMES OF DAY REFER TO NEW YORK CITY TIME.

SECTION 19. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same Agreement. The exchange of copies of this Agreement and of signature pages by facsimile or other electronic means shall constitute effective execution and delivery of this Agreement by the parties hereto and may be used in lieu of the original signature pages to this Agreement for all purposes.

SECTION 20. Effect of Headings. The Section headings herein are for convenience only and shall not affect the construction hereof.

SECTION 21. Entire Agreement; Amendments. This Agreement constitutes the entire Agreement of the parties to this Agreement and supersedes all prior written or oral and all contemporaneous oral agreements, understandings and negotiations with respect to the subject matter hereof. This Agreement may not be amended or modified unless in writing by all of the parties hereto, and no condition herein (express or implied) may be waived unless waived in writing by each party that the condition is meant to benefit.

NOW, THEREFORE, in consideration of the covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

ARTICLE 1
DEFINITIONS

Section 1.1. Relation to Base Indenture. This Second Supplemental Indenture constitutes an integral part of the Base Indenture.

Section 1.2. Definition of Terms. For all purposes of this Second Supplemental Indenture:

(a) Capitalized terms used herein without definition shall have the meanings set forth in the Base Indenture, provided that, if the definition of a capitalized term defined in this Second Supplemental Indenture conflicts with the definition of that capitalized term in the Base Indenture, the definition of that capitalized term in this Second Supplemental Indenture shall control for purposes of this Second Supplemental Indenture and the Notes and (in respect of the Notes but not any other series of Securities) the Base Indenture;

(b) a term defined anywhere in this Second Supplemental Indenture has the same meaning throughout;

(c) the singular includes the plural and vice versa;

(d) headings are for convenience of reference only and do not affect interpretation;

(e) unless otherwise specified or unless the context requires otherwise, (i) all references in this Second Supplemental Indenture to Sections refer to the corresponding Sections of this Second Supplemental Indenture, and (ii) the terms “herein,” “hereof,” “hereunder” and any other word of similar import refer to this Second Supplemental Indenture; and

(f) for purposes of this Second Supplemental Indenture and the Notes, the following terms have the meanings given to them in this Section 1.2(f):

“*1940 Act Event*” means an event requiring the Company to register as an investment company pursuant to the Investment Company Act of 1940, as amended.

“*Benchmark*” means, initially, Three-Month Term SOFR; provided that if the Calculation Agent determines on or prior to the Reference Time that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to Three-Month Term SOFR or the then-current Benchmark, then “*Benchmark*” means the applicable Benchmark Replacement.

“*Benchmark Replacement*” means the Interpolated Benchmark with respect to the then-current Benchmark, plus the Benchmark Replacement Adjustment for such Benchmark; provided that if (a) the Calculation Agent cannot determine the Interpolated Benchmark as of the Benchmark Replacement Date or (b) the then-current Benchmark is Three-Month Term SOFR and a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to Three-Month Term SOFR (in which event no Interpolated Benchmark with respect to Three-Month Term SOFR shall be determined), then

“*Benchmark Replacement*” means the first alternative set forth in the order below that can be determined by the Calculation Agent as of the Benchmark Replacement Date:

- (a) Compounded SOFR;
- (b) The sum of: (i) the alternate rate that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark for the applicable Corresponding Tenor and (ii) the Benchmark Replacement Adjustment;
- (c) the sum of: (i) the ISDA Fallback Rate, and (ii) the Benchmark Replacement Adjustment;
- (d) the sum of: (i) the alternate rate that has been selected by the Calculation Agent as the replacement for the then-current Benchmark for the applicable Corresponding Tenor, giving due consideration to any industry-accepted rate as a replacement for the then-current Benchmark for U.S. dollar-denominated floating rate securities at such time, and (ii) the Benchmark Replacement Adjustment.

“*Benchmark Replacement Adjustment*” means the first alternative set forth in the order below that can be determined by the Calculation Agent as of the Benchmark Replacement Date:

- (a) the spread adjustment, or method for calculating or determining such spread adjustment (which may be a positive or negative value or zero), that has been selected or recommended by the Relevant Governmental Body for the applicable Unadjusted Benchmark Replacement;
- (b) if the applicable Unadjusted Benchmark Replacement is equivalent to the ISDA Fallback Rate, then the ISDA Fallback Adjustment; and
- (c) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Calculation Agent giving due consideration to any industry-accepted spread adjustment or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar-denominated floating rate securities at such time.

“*Benchmark Replacement Adjustment Conforming Changes*” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of “interest period,” timing and frequency of determining rates with respect to each interest period and making payments of interest, rounding of amounts or tenors, and other administrative matters) that the Calculation Agent decides may be appropriate to reflect the adoption of such Benchmark Replacement in a manner substantially consistent with market practice (or, if the Calculation Agent decides that adoption of any portion of such market practice is not administratively feasible or if the Calculation Agent determines that no market practice for use of the Benchmark Replacement exists, in such other manner as the Calculation Agent determines is reasonably necessary).

“*Benchmark Replacement Date*” means the earliest to occur of the following events with respect to the then-current Benchmark:

(a) in the case of clause (a) of the definition of “Benchmark Transition Event,” the relevant Reference Time in respect of any determination;

(b) in the case of clause (b) or (c) of the definition of “Benchmark Transition Event,” the later of (i) the date of the public statement or publication of information referenced therein and (ii) the date on which the administrator of the Benchmark permanently or indefinitely ceases to provide the Benchmark; or

(c) in the case of clause (d) of the definition of “Benchmark Transition Event,” the date of the public statement or publication of information referenced therein.

For the avoidance of doubt, for purposes of the definitions of Benchmark Replacement Date and Benchmark Transition Event, references to the Benchmark also include any reference rate underlying the Benchmark (for example, if the Benchmark becomes Compounded SOFR, references to the Benchmark would include SOFR).

For the avoidance of doubt, if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination.

“*Benchmark Transition Event*” means the occurrence of one or more of the following events with respect to the then-current Benchmark:

(a) if the Benchmark is Three-Month Term SOFR, (i) the Relevant Governmental Body has not selected or recommended a forward-looking term rate for a tenor of three months based on SOFR, (ii) the development of a forward-looking term rate for a tenor of three months based on SOFR that has been recommended or selected by the Relevant Governmental Body is not complete or (iii) the Company determines that the use of a forward-looking rate for a tenor of three months based on SOFR is not administratively feasible;

(b) a public statement or publication of information by or on behalf of the administrator of the Benchmark announcing that such administrator has ceased or will cease to provide the Benchmark, permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark;

(c) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark, the central bank for the currency of the Benchmark, an insolvency official with jurisdiction over the administrator for the Benchmark, a resolution authority with jurisdiction over the administrator for the Benchmark or a court or an entity with similar insolvency or resolution authority over the administrator for the Benchmark, which states that the administrator of the Benchmark has ceased or will cease to provide the Benchmark permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark; or

(d) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark announcing that the Benchmark is no longer representative.

“*Business Day*”, when used with respect to any Place of Payment, means each Monday, Tuesday, Wednesday, Thursday and Friday which is not a day on which banking institutions in that Place of Payment are authorized or obligated by law or executive order to close.

“*Calculation Agent*” means the Company, or any other successor appointed by the Company, acting as calculation agent. The Company may appoint itself, or any of its affiliates, as the Calculation Agent.

“*Compounded SOFR*” means the compounded average of SOFRs for the applicable Corresponding Tenor, with the rate, or methodology for this rate, and conventions for this rate being established by the Calculation Agent in accordance with:

(a) the rate, or methodology for this rate, and conventions for this rate selected or recommended by the Relevant Governmental Body for determining Compounded SOFR; provided that:

(b) if, and to the extent that, the Calculation Agent determines that Compounded SOFR cannot be determined in accordance with clause (a) above, then the rate, or methodology for this rate, and conventions for this rate that have been selected by the Calculation Agent giving due consideration to any industry-accepted market practice for U.S. dollar-denominated floating rate securities at such time.

For the avoidance of doubt, the calculation of Compounded SOFR shall exclude the Benchmark Replacement Adjustment (if applicable) and the spread of 517 basis points per annum.

“*Corporate Trust Office*” means the office of the Trustee at which at any particular time this Second Supplemental Indenture shall be administered, which office, at the date of the execution of this Second Supplemental Indenture, is located at 1100 North Market Street, Wilmington, Delaware 19890, Attention: Pacific Premier Bancorp, Inc. Section 2.2. Payment of Principal; Issue Price. Except as earlier redeemed in accordance with this Second Supplemental Indenture, the date upon which the entire principal amount of the Notes shall become due and payable, together with any accrued and unpaid interest then owing, shall be June 15, 2030 (the “*Stated Maturity Date*”). The Notes issued on the date hereof will be issued at a price equal to 100% of the principal amount thereof.

Section 2.3. Form, Payment and Appointment. Except as provided in Section 305 of the Base Indenture, the Notes will be issued only in book-entry form, will be represented by one or more Global Notes registered in the name of or held by The Depository Trust Company or any successor thereto (“DTC”) or its nominee as the Depository therefor. So long as DTC or its nominee is the registered owner of Global Notes, DTC or its nominee, as the case may be, will be considered the Holder of the Notes represented by such Global Notes for all purposes under the Indenture. The Company will make payments of principal of, and premium, if any, and interest on the Global Notes to DTC or its nominee, as the case may be, as the registered Holder of the Notes.

The terms and conditions contained in the Notes shall constitute, and are hereby expressly made, a part of the Indenture, and the Company and the Trustee, by their execution and delivery of this Second Supplemental Indenture, expressly agree to such terms and conditions and to be bound thereby.

The Security Registrar and Paying Agent for the Notes shall initially be the Trustee.

The Place of Payment for the Notes shall be an office or agency of the Company maintained for such purpose, which shall initially be the Corporate Trust Office.

The Notes will be issuable and may be transferred only in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The amounts payable with respect to the Notes shall be payable in U.S. Dollars.

Section 2.4. Global Note. The Notes shall be issued initially in the form of one or more fully registered Global Securities (each such Global Security, a “Global Note”) registered in the name of DTC or its nominee and deposited with DTC or its designated custodian or such other Depository as any officer of the Company may from time to time designate. Unless and until a Global Note is exchanged for Notes in certificated form, such Global Note may be transferred, in whole but not in part, and any payments on the Notes shall be made, only to DTC or a nominee of DTC, or to a successor Depository selected or approved by the Company or to a nominee of such successor Depository as provided in the Indenture.

Section 2.5. Interest.

(a) Interest payable on any Interest Payment Date, the Stated Maturity Date or the Redemption Date, if any, with respect to the Notes shall be the amount of interest accrued from, and including, the immediately preceding Interest Payment Date in respect of which interest has been paid or duly provided for (or from and including the original issue date of Notes if no interest has previously been paid or duly provided for with respect to the Notes) to, but excluding, such Interest Payment Date, Stated Maturity Date or the Redemption Date, if any, as the case may be.

(b) i) From, and including, the original issue date of the Notes to, but excluding, June 15, 2025, unless redeemed prior to such date pursuant to Article 3 hereof, the Notes will bear interest at the annual rate of 5.375%, computed on the basis of a 360-day year consisting of twelve 30-day months, and payable semi-annually in arrears on each June 15 and December 15, beginning on December 15, 2020 and ending on June 15, 2025 (each such payment date, a “Fixed Rate Interest Payment Date,” with the period from, and including, the original issue date of the Notes to, but excluding, the first Fixed Rate Interest Payment Date and each successive period from, and including, a Fixed Rate Interest Payment Date to, but excluding, the next Fixed Rate Interest Payment Date being a “Fixed Rate Period”). In the event that any scheduled Fixed Rate Interest Payment Date for the Notes falls on a day that is not a Business Day, then payment of interest payable on such Fixed Rate Interest Payment Date will be postponed to the next succeeding day that is a Business Day (and no interest on such payment will accrue for the period from and after such scheduled Fixed Rate Interest Payment Date).

ii) From, and including June 15, 2025 to, but excluding, the Stated Maturity Date, unless redeemed subsequent to June 15, 2025 but prior to the Stated Maturity Date pursuant to Article 3 hereof, the Notes will bear interest at an annual rate equal to the then-current Three-Month Term SOFR, reset quarterly, plus 517 basis points (5.17%), payable quarterly in arrears on March 15, June 15, September 15, and December 15 of each year, beginning on June 15, 2025 (each such payment date, a “*Floating Rate Interest Payment Date*,” and, together with the Fixed Rate Interest Payment Dates, collectively the “*Interest Payment Dates*,” with the period from, and including, June 15, 2025 to, but excluding, the first Floating Rate Interest Payment Date and each successive period from, and including, a Floating Rate Interest Payment Date to, but excluding, the next Floating Rate Interest Payment Date being a “*Floating Rate Period*”). Interest payable on the Notes for a Floating Rate Period shall be computed on the basis of a 360-day year and the actual number of days in such Floating Rate Period. The Calculation Agent shall notify the Trustee (if the Trustee is not the Calculation Agent) in writing of the interest rate for each Floating Rate Period promptly after the Reference Time (or such other date of determination for the applicable Benchmark). In the event that any scheduled Floating Rate Interest Payment Date for the Notes falls on a day that is not a Business Day, then payment of interest payable on such Floating Rate Interest Payment Date will be postponed to the next succeeding day that is a Business Day, unless such day falls in the next succeeding calendar month, in which case such Floating Rate Interest Payment Date will be accelerated to the immediately preceding day that is a Business Day, and, in each such case, the amounts payable on such Business Day will include interest accrued to, but excluding, such Business Day. Notwithstanding the foregoing, if Three-Month Term SOFR (or other applicable Benchmark) is less than zero, then Three-Month Term SOFR (or other such Benchmark) shall be deemed to be zero.

(c) The interest payable, and punctually paid or duly provided for, on any Fixed Rate Interest Payment Date shall be paid to the Person in whose name the Note is registered at the close of business on the Fixed Rate Interest Record Date for such interest through June 15, 2025, and thereafter, the interest so payable, and punctually paid or duly provided for on any Floating Rate Interest Payment Date shall be paid to the Person in whose name this Note is registered at the close of business on the Floating Rate Interest Record Date for such interest on any Floating Rate Interest Payment Date. Notwithstanding the foregoing, interest due on the Stated Maturity Date (whether or not an Interest Payment Date) of the Notes will be paid to the Person to whom principal of the Notes is payable, subject to DTC’s applicable procedures.

(d) The Company shall take such actions as are necessary to ensure that from the commencement of the Floating Rate Period for so long as any of the Notes remain outstanding there will at all times be a Calculation Agent appointed to calculate Three-Month Term SOFR in respect of each Floating Rate Period. The calculation of Three-Month Term SOFR for each applicable Floating Rate Period by the Calculation Agent will (in the absence of manifest error) be final and binding. The Calculation Agent's determination of any interest rate and its calculation of interest payments for any period will be maintained on file at the Calculation Agent's principal offices, will be made available to any Holder of the Notes upon request and will be provided to the Trustee. The Calculation Agent (if the Trustee is not the Calculation Agent) shall have all the rights, protections and indemnities afforded to the Trustee under the Indenture and hereunder. The Calculation Agent may be removed by the Company at any time. If the Calculation Agent is unable or unwilling to act as Calculation Agent or is removed by the Company, the Company will promptly appoint a replacement Calculation Agent. The Calculation Agent may not resign its duties without a successor having been duly appointed; provided, that if a successor Calculation Agent has not been appointed by the Company and such successor accepted such position within 30 days after the giving of notice of resignation by the Calculation Agent, then the resigning Calculation Agent may petition, at the expense of the Company, any court of competent jurisdiction for the appointment of a successor Calculation Agent with respect to such series. The Trustee shall not be under any duty to succeed to, assume or otherwise perform, any duties of the Calculation Agent, or to appoint a successor or replacement in the event of the Calculation Agent's resignation or removal or to replace the Calculation Agent in the event of a default, breach or failure of performance on the part of the Calculation Agent with respect to the Calculation Agent's duties and obligations hereunder. For the avoidance of doubt, if at any time there is no Calculation Agent appointed by the Company, then the Company shall be the Calculation Agent.

(e) Effect of Benchmark Transition Event

i) If the Calculation Agent determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred on or prior to the Reference Time in respect of any determination of the Benchmark on any date, then the Benchmark Replacement will replace the then-current Benchmark for all purposes relating to the Notes during the Floating Rate Period in respect of such determination on such date and all determinations on all subsequent dates. In connection with the implementation of a Benchmark Replacement, the Calculation Agent will have the right to make Benchmark Replacement Conforming Changes from time to time.

ii) Notwithstanding anything set forth in Section 2.5(b)(ii) above, if the Calculation Agent determines on or prior to the relevant Reference Time that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to Three-Month Term SOFR, then the provisions set forth in this Section 2.5(e) will thereafter apply to all determinations of the interest rate on the Notes during the Floating Rate Period. After a Benchmark Transition Event and its related Benchmark Replacement Date have occurred, the interest rate on the Notes for each interest period during the Floating Rate Period will be an annual rate equal to the Benchmark Replacement plus 517 basis points.

iii) The Calculation Agent is expressly authorized to make certain determinations, decisions and elections under the terms of the Notes, including with respect to the use of Three-Month Term SOFR as the Benchmark and under this Section 2.5(e). Any determination, decision or election that may be made by the Calculation Agent under the terms of the Notes, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or selection (A) will be conclusive and binding on the Holders of the Notes and the Trustee absent manifest error, (B) if made by the Company as Calculation Agent, will be made in the Company's sole discretion, (C) if made by a Calculation Agent other than the Company, will be made after consultation with the Company, and the Calculation Agent will not make any such determination, decision or election to which the Company reasonably objects and (D) notwithstanding anything to the contrary herein or in the Indenture, shall become effective without consent from the Holders of the Notes, the Trustee or any other party. If the Calculation Agent fails to make any determination, decision or election that it is required to make under the terms of the Notes, then the Company will make such determination, decision or election on the same basis as described above.

iv) The Company (or its Calculation Agent, if the Trustee is not the Calculation Agent) shall notify the Trustee in writing (i) upon the occurrence of the Benchmark Transition Event or the Benchmark Replacement Date, and (ii) of any Benchmark Replacements, Benchmark Replacement Conforming Changes and other items affecting the interest rate on the Notes after a Benchmark Transition Event.

v) The Trustee (including in its capacity as Paying Agent) shall have no (i) responsibility or liability for the (A) Three-Month Term SOFR Conventions, (B) selection of an alternative reference rate to Three-Month Term SOFR (including, without limitation, whether the conditions for the designation of such rate have been satisfied or whether such rate is a Benchmark Replacement or an Unadjusted Benchmark Replacement), (C) determination or calculation of a Benchmark Replacement, or (D) determination of whether a Benchmark Transition Event or Benchmark Replacement Date has occurred, and in each such case under clauses (A) through (D) above shall be entitled to conclusively rely upon the selection, determination, and/or calculation thereof as provided by the Company or its Calculation Agent, as applicable, and (ii) liability for any failure or delay in performing its duties hereunder as a result of the unavailability of a Benchmark rate as described in the definition thereof, including, without limitation, as a result of the Company's or Calculation Agent's failure to select a Benchmark Replacement or the Calculation Agent's failure to calculate a Benchmark. The Trustee shall be entitled to rely conclusively on all notices from the Company or its Calculation Agent regarding any Benchmark or Benchmark Replacement, including, without limitation, in regards to Three-Month Term SOFR Conventions, a Benchmark Transition Event, Benchmark Replacement Date, and Benchmark Replacement Conforming Changes. The Trustee shall not be responsible or liable for the actions or omissions of the Calculation Agent, or any failure or delay in the performance of the Calculation Agent's duties or obligations, nor shall it be under any obligation to monitor or oversee the performance of the Calculation Agent. The Trustee shall be entitled to conclusively rely on any determination made, and any instruction, notice, Officers' Certificate or other instruction or information provided by the Calculation Agent without independent verification, investigation or inquiry of any kind. The Trustee shall not be obligated to enter into any amendment or supplement hereto that adversely impacts its rights, duties, obligations, immunities or liabilities (including, without limitation, in connection with the adoption of any Benchmark Replacement Conforming Changes).

vi) If the then-current Benchmark is Three-Month Term SOFR, the Calculation Agent will have the right to establish the Three-Month Term SOFR Conventions, and if any of the foregoing provisions concerning the calculation of the interest rate and the payment of interest during the Floating Rate Period are inconsistent with any of the Three-Month Term SOFR Conventions determined by the Calculation Agent, then the relevant Three-Month Term SOFR Conventions will apply.

Section 2.6. Subordination Provisions.

(a) Except as otherwise specified, the Company agrees, and each Holder of the Notes by accepting the Notes agrees, that the indebtedness evidenced by the Notes is subordinated in right of payment, to the extent and in the manner provided in this Section 2.6, to the prior payment in full of all Senior Indebtedness and that the subordination is for the benefit of the holders of Senior Indebtedness.

(b) In the event of (a) any insolvency or bankruptcy case or proceeding, or any receivership, liquidation, reorganization or other similar case or proceeding in connection therewith, relative to the Company or to its creditors, as such, or to its assets, or (b) any liquidation, dissolution or other winding up of the Company, whether voluntary or involuntary and whether or not involving insolvency or bankruptcy, or (c) any assignment for the benefit of creditors or any other marshalling of assets and liabilities of the Company:

i) holders of Senior Indebtedness shall be entitled to receive payment in full in cash of the principal thereof, and premium, if any, additional amounts owing in respect thereof, if any, and interest thereon (including interest accruing after the commencement of any such proceeding) to the date of payment on the Senior Indebtedness before Holders shall be entitled to receive any payment of principal of or interest on Notes;

ii) until the Senior Indebtedness is paid in full in cash, any indebtedness to which Holders of the Notes or the Trustee would be entitled but for this Section 2.6 shall be made to holders of Senior Indebtedness as their interests may appear for the application to the payment thereof, except that Holders of the Notes may receive securities that are subordinated to Senior Indebtedness to at least the same extent as the Notes; and

iii) the Trustee is entitled to conclusively rely upon an order or decree of a court of competent jurisdiction or a certificate of a bankruptcy trustee or other similar official for the purpose of ascertaining the persons entitled to participate in such distribution, the holders of Senior Indebtedness and other Company debt, the amount thereof or payable thereon and all other pertinent facts relating to the Trustee's obligations under this Section 2.6.

In the event that, notwithstanding the foregoing provisions of this Section, the Trustee or the Holder of any of the Notes shall have received any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, including by way of set-off or any such payment or distribution which may be payable or deliverable by reason of the payment of any other indebtedness of the Company being subordinated to the payment of the Notes, before all Senior Indebtedness is paid in full or payment thereof provided for, and if such fact shall, at or prior to the time of such payment or distribution, have been made known to a Responsible Officer of the Trustee in writing or, as the case may be, such Holder of the Notes, then and in such event such payment or distribution shall be paid over or delivered forthwith to the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee, agent or other Person making payment or distribution of assets of the Company for application to the payment of all Senior Indebtedness remaining unpaid, to the extent necessary to pay all Senior Indebtedness in full, after giving effect to any concurrent payment or distribution to or for the holders of Senior Indebtedness. Any taxes that have been withheld or deducted from any payment or distribution in respect of the Notes, or any taxes that ought to have been withheld or deducted from any such payment or distribution that have been remitted to the relevant taxing authority, shall not be considered to be an amount that the Trustee or the Holder of any of the Notes receives for purposes of this Section.

(c) The Company may not pay principal of, or premium, if any or interest on the Notes and may not acquire any Notes for cash or property other than capital stock of the Company if:

i) any default in the payment of principal, premium, if any, or interest on any Senior Indebtedness beyond any applicable grace period with respect thereto occurs and is continuing;

ii) a default on Senior Indebtedness occurs and is continuing that permits holders of such Senior Indebtedness (or a trustee on their behalf) to accelerate its maturity, or

iii) a default under any Senior Indebtedness is the subject of judicial proceedings or the Trustee or the Paying Agent receives a notice of the default from a person who may give it pursuant to Section 2.6(k) hereof.

The Company may resume payments on the Notes and may acquire them when:

i) the default is cured or waived; or

ii) this Section 2.6 otherwise permits the payments or acquisition at that time.

(d) In the event that any Notes are declared due and payable before their Stated Maturity Date, then and in such event the holders of Senior Indebtedness shall be entitled to receive payment in full of all amounts due or to become due on or in respect of all Senior Indebtedness or provision shall be made for such payment in cash, before the Holders of the Notes are entitled to receive any payment (including any payment which may be payable by reason of the payment of any other indebtedness of the Company being subordinated to the payment of the Notes) by the Company on account of the principal of, or premium, if any or interest on the Notes or on account of the purchase or other acquisition of Notes; provided, that any money deposited pursuant to Articles Four and Thirteen of the Base Indenture not in violation of the Indenture shall not be subject to the claims of holders of Senior Indebtedness, unless, in avoidance of doubt, it was deposited in connection with any declaration of acceleration under Article Five of the Base Indenture.

In the event that, notwithstanding the foregoing, the Company shall make any payment to the Trustee or the Holder of any Note prohibited by the foregoing provisions of this Section, and if such fact shall, at or prior to the time of such payment, have been made known to a Responsible Officer of the Trustee in writing or, as the case may be, such Holder, then and in such event such payment shall be paid over and delivered forthwith to the Representative with respect to such Senior Indebtedness.

(e) If payment or distribution on account of the Notes of any character or security, whether in cash, securities or other property, is received by Holder, including any applicable Trustee, in contravention of any of the terms of this Section 2.6 and before all Senior Indebtedness has been paid in full, such payment or distribution or security will be received in trust for the benefit of holders of Senior Indebtedness or their Representatives, and must be paid over or delivered and transferred to the Representative with respect to such Senior Indebtedness for application, in accordance with the priorities then existing among those holders of Senior Indebtedness for application to the payment of all Senior Indebtedness remaining unpaid to the extent necessary to pay all Senior Indebtedness in full.

(f) The Company shall promptly notify the Trustee, in writing, and any Paying Agent of any facts known to the Company that would cause a payment on the Notes to violate this Section 2.6. The Company shall provide all relevant contact, wiring and other information as the Trustee may require in order to pay over or deliver to the Representative representing the Senior Indebtedness any funds or other payment or distribution in accordance with this Section 2.6. The Trustee shall be entitled to conclusively rely on any such information provided by the Company.

(g) After all Senior Indebtedness is paid in full and until the Notes are paid in full, Holders shall be subrogated to the rights of holders of Senior Indebtedness to receive payments or distributions applicable to Senior Indebtedness to the extent that distributions otherwise payable to such Holders have been applied to the payment of Senior Indebtedness. A payment or distribution made under this Section 2.6 to holders of Senior Indebtedness which otherwise would have been made to Holders is not, as among the Company, its creditors other than the holders of Senior Indebtedness and Holders, a payment or distribution by the Company on account of the Senior Indebtedness.

(h) This Section 2.6 is intended solely to define the relative rights of Holders on the one hand and the holders of Senior Indebtedness on the other hand. Nothing in the Indenture or in the Notes shall:

i) impair, as among the Company, its creditors other than holders of Senior Indebtedness and the Holders of the Notes, the obligation of the Company, which is absolute and unconditional, to pay to the Holders of the Notes the principal of, premium, if any and interest on the Notes as and when the same shall become due and payable in accordance with their terms;

ii) affect the relative rights of Holders and creditors of the Company other than holders of Senior Indebtedness; or

iii) prevent the Trustee or any Holder from exercising its available remedies upon an Event of Default, subject to the rights of holders of Senior Indebtedness to receive payments or distributions otherwise payable to Holders or the Trustee.

If the Company fails because of this Section 2.6 to pay principal of, or premium, if any or interest on any of the Notes on the due date, such failure shall constitute a default under the Indenture.

(i) No right of any holder of Senior Indebtedness to enforce the subordination of the indebtedness evidenced by the Notes shall be impaired by any act or failure to act by the Company or by its failure to comply with the Indenture.

(j) Whenever a distribution is to be made or a notice is given to holders of Senior Indebtedness, the distribution may be made and the notice may be given to their Representative.

(k) The Trustee or any Paying Agent may continue to make payments on the Notes until it receives written notice of facts that would cause a payment of principal of or interest on the Notes to violate this Section 2.6. Only the Company, a Representative or a holder of an issue of Senior Indebtedness that has no Representative may give the written notice. The Trustee has no fiduciary duty to the holders of Senior Indebtedness. The Trustee in its individual or any other capacity may hold Senior Indebtedness with the same rights it would have if it were not Trustee. Notwithstanding anything herein to the contrary, the Company's obligation to pay, and the Company's payment of, the amounts required by Section 607 of the Base Indenture are excluded from the operation of this Section 2.6. For the sake of clarity, such payments are not subordinated to the Company's Senior Indebtedness.

(l) Nothing contained in this Section 2.6 or elsewhere in the Indenture or in any of the Notes shall prevent (a) the Company, at any time except during the pendency of any case, proceeding, dissolution, liquidation or other winding up, assignment for the benefit of creditors or other marshalling of assets and liabilities of the Company referred to in Section 2.6(b) hereof or under the conditions described in Section 2.6(c) or 2.6(d) hereof, from making payments at any time of or on account of the principal of, or premium, if any or interest on the Notes or on account of the purchase or other acquisition of the Notes, or (b) the application by the Trustee of any money deposited with it under the Indenture to the payment of or on account of the principal of, or premium, if any or interest on the Notes or the retention of such payment by the Holders of the Notes, if, at the time of such application by the Trustee, it did not have knowledge (in accordance with Section 2.6(f) hereof) that such payment would have been prohibited by the provisions of this Section 2.6.

(m) Each Holder of a Note by his acceptance thereof authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to effectuate the subordination provided in this Section 2.6 and appoints the Trustee his attorney-in-fact for any and all such purposes.

(n) Upon any payment or distribution of assets of the Company referred to in this Section 2.6, the Trustee, subject to the provisions of Section 602 of the Base Indenture, and the Holders of the Notes shall be entitled to conclusively rely upon any order or decree entered by any court of competent jurisdiction in which such insolvency, bankruptcy, receivership, liquidation, reorganization, dissolution, winding up or similar case or proceeding is pending, or a certificate of the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee for the benefit of creditors, agent or other Person making such payment or distribution, delivered to the Trustee or to the Holders of the Notes, for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of Senior Indebtedness and other indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Section 2.6.

(o) In case at any time any Paying Agent other than the Trustee shall have been appointed by the Company and be then acting hereunder, the term “Trustee” as used in this Section 2.6 shall in such case (unless the context otherwise requires) be construed as extending to and including such Paying Agent within its meaning as fully for all intents and purposes as if such Paying Agent were named in this Section 2.6 in addition to or in place of the Trustee.

Section 2.7. Events of Default; Acceleration. Neither the Trustee nor the Holders of the Notes shall have the right to accelerate the Stated Maturity Date unless there is an Event of Default specified under clause (6) or (7) of Section 501 of the Base Indenture. If an Event of Default specified in clause (6) or (7) of Section 501 of the Base Indenture occurs, then the principal amount of all of the Outstanding Notes, including any accrued and unpaid interest and premium, if any, on the Notes shall become and be immediately due and payable without any declaration or other act on the part of the Trustee or the Holders of the Notes in accordance with the provisions of Section 502 of the Base Indenture.

Section 2.8. No Sinking Fund. The Notes are not entitled to the benefit of any sinking fund.

Section 2.9. No Conversion or Exchange Rights. The Notes shall not be convertible into or exchangeable for any other securities or property of the Company or any Subsidiary of the Company.

Section 2.10. Defeasance; No Covenant Defeasance. Section 1302 of the Base Indenture shall be applicable to the Notes. Section 1303 of the Base Indenture shall not be applicable to the Notes.

ARTICLE 3 REDEMPTION OF THE NOTES

Section 3.1. Optional Redemption. The Company may, at its option, redeem the Notes, in whole or in part, on any Interest Payment Date on or after June 15, 2025, at a Redemption Price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to, but excluding, the Redemption Date fixed by the Company; *provided* that, for the avoidance of doubt, the payment of such accrued and unpaid interest paid as a part of the Redemption Price shall satisfy in full the obligation of the Company to pay accrued and unpaid interest on the Notes redeemed from and including the most recent Interest Payment Date on which all accrued and unpaid interest on the Notes was paid or provided for to, but excluding, the Redemption Date. Any partial redemption will be made in accordance with the Base Indenture. The Company’s election to redeem any Notes shall be evidenced by a Board Resolution and provided to the Trustee in the form of an Officers’ Certificate at least 60 days prior to the Redemption Date, or such shorter notice as may be acceptable to the Trustee.

Section 3.2. Redemption Upon Special Events. The Company may also, at its option, redeem the Notes before the Stated Maturity Date in whole, but not in part, at any time, upon the occurrence of a Tier 2 Capital Event, a Tax Event or a 1940 Act Event. Any such redemption will be at a Redemption Price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to, but excluding, the Redemption Date fixed by the Company; *provided* that, for the avoidance of doubt, the payment of such accrued and unpaid interest paid as a part of the Redemption Price shall satisfy in full the obligation of the Company to pay accrued and unpaid interest on the Notes redeemed from and including the most recent Interest Payment Date on which all accrued and unpaid interest on the Notes was paid or provided for through, but excluding, the Redemption Date. The Company's election to redeem any Notes shall be evidenced by a Board Resolution, and in case of any redemption at the election of the Company of less than all the Notes, such election must be provided to the Trustee in the form of an Officers' Certificate at least 60 days prior to the Redemption Date, or such shorter notice as may be acceptable to the Trustee. If any conditions precedent to such optional redemption have not been satisfied, the Company shall provide written notice to the Trustee and each Holder of the Notes prior to the close of business prior to the Redemption Date fixed by the Company in the same manner in which the notice of redemption was given. Upon receipt of such notice, the notice of redemption shall be rescinded or delayed as provided in such notice. In no event shall the Trustee be responsible to satisfy any such conditions precedent, including making a deposit of money required to effectuate the redemption.

Section 3.3. Redemption Approval. No redemption of the Notes by the Company prior to the Stated Maturity Date pursuant to this Article 3 shall be made without the prior approval of the Federal Reserve Board if such prior approval is or will be required at the scheduled Redemption Date. To the extent that the approval of the Federal Reserve Board is required for the Company's redemption of the Notes pursuant to this Article 3, the Trustee shall not have any duty or obligation to determine whether such approval is required or any duty or obligation to obtain such approval. Prior to the delivery of the notice of redemption to the Holders of the Notes, the Company shall deliver to the Trustee an Officers' Certificate stating (i) whether or not the approval of the Federal Reserve Board is required for the Company's redemption of the Notes and (ii) if such approval is required, whether or not such approval has been obtained by the Company.

Section 3.4. Redemption Procedures. Notice of redemption must be provided to the Holders of the Notes to be redeemed not less than 30 days nor more than 60 days prior to the applicable Redemption Date. The provisions of Article Eleven of the Base Indenture shall apply to any redemption of the Notes pursuant to this Article 3 unless they are inconsistent with this Article 3.

ARTICLE 4 FORM OF NOTES

The Notes and the Trustee's certificate of authentication thereon are to be substantially in the form attached as Exhibit A hereto, with such changes therein as the officers of the Company executing the Notes (by manual, electronic or facsimile signature) may approve, such approval to be conclusively evidenced by their execution thereof.

**ARTICLE 5
ISSUE OF NOTES**

Section 5.1. Additional Issues of Notes. The Company may, from time to time, without notice to or the consent of the Holders of the Notes, issue an unlimited amount of additional subordinated Securities of the same series as the Notes, which Securities will rank *pari passu* with the Notes and be identical in all respects to the Notes previously issued except for their issuance date, the offering price, the interest commencement date and the date of first payment of interest following the issue date of such additional subordinated Securities in order that such additional subordinated Securities may be consolidated and form a single series with the Notes outstanding immediately prior to the issuance of such additional subordinated Securities and have the same terms as to status, redemption or otherwise as the Notes; provided that, if any additional subordinated Securities are not fungible with the initial Notes for U.S. income tax purposes, such additional subordinated Securities will have a separate CUSIP number.

**ARTICLE 6
IMMUNITY OF INCORPORATOR, STOCKHOLDERS, EMPLOYEES,
OFFICERS AND DIRECTORS**

No incorporator, director, officer, employee or stockholder of the Company, as such, shall have any liability for any obligations of the Company under the Notes or this Second Supplemental Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting the Notes, each Holder thereof waives and releases all such liability.

**ARTICLE 7

Section 7.5. Counterparts Originals; Electronic Signatures. This Second Supplemental Indenture may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. Signatures of the parties hereto transmitted by facsimile or PDF e-mail attachment shall be deemed to be their original signatures for all purposes. The words “execution,” “signed,” “signature,” and words of similar import in this Indenture and the Notes shall be deemed to include electronic or digital signatures or the keeping of records in electronic form, each of which shall be of the same effect, validity, and enforceability as manually executed signatures or a paper-based recordkeeping system, as the case may be, to the extent and as provided for under applicable law, including the Electronic Signatures in Global and National Commerce Act of 2000 (15 U.S.C. §§ 7001-7006), the Electronic Signatures and Records Act of 1999 (N.Y. State Tech. §§ 301-309), or any other similar state laws based on the Uniform Electronic Transmissions Act; provided that, notwithstanding anything herein to the contrary, the Trustee is not under any obligation to agree or accept electronic signatures in any form or in any format unless expressly agreed to by such Trustee pursuant to procedures approved by such Trustee.

Interest payable on this Note during any Fixed Rate Period shall be computed on the basis of a 360-day year consisting of twelve 30-day months. In the event that any scheduled Fixed Rate Interest Payment date on this Note falls on a day that is not a Business Day, then payment of interest payable on such Fixed Rate Interest Payment Date will be postponed to the next succeeding day that is a Business Day and no additional interest shall accrue. Interest payable on this Note during any Floating Rate Period shall be computed on the basis of a 360-day year and the actual number of days in such Floating Rate Period. Notwithstanding the foregoing, if the Benchmark is less than zero, the Benchmark shall be deemed to be zero.

Any principal and premium, and any such installment of interest, which is overdue shall bear interest at the applicable rate set forth in the previous paragraph (to the extent that the payment of such interest shall be legally enforceable), from the dates such amounts are due until they are paid or made available for payment, and such interest shall be payable on demand. The interest so payable, and punctually paid or duly provided for, (i) on any Fixed Rate Interest Payment Date will, as provided in the Indenture, be paid to the Person in whose name this Note is registered at the close of business on the Fixed Rate Interest Record Date for such interest, which shall be the close of business on the June 1 or December 1 (whether or not a Business Day) immediately preceding such Fixed Rate Interest Payment Date, through June 15, 2025, and (ii) thereafter, the interest so payable, and punctually paid or duly provided for on any Floating Rate Interest Payment Date will, as provided in the Indenture, be paid to the Person in whose name this Note is registered at the close of business on the Floating Rate Interest Record Date for such interest, which shall be the close of business on the March 1, June 1, September 1 or December 1 (whether or not a Business Day) immediately preceding such Floating Rate Interest Payment Date.

Payment of the principal of and interest on this Note will be made at an office or agency of the Company maintained for that purpose, which shall initially be the Corporate Trust Office of the Trustee, in such currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

Reference is hereby made to the further provisions of this Note set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

REVERSE OF NOTE
PACIFIC PREMIER BANCORP, INC.
5.375% Fixed-to-Floating Rate Subordinated Notes due June 15, 2030

This Note is one of a duly authorized issue of Securities of the Company of a series designated as the “5.375% Fixed-to-Floating Rate Subordinated Notes due June 15, 2030” (herein called the “Notes”) initially issued in an aggregate principal amount of \$150,000,000 on June 15, 2020. Such series of Securities has been established pursuant to, and is one of an indefinite number of series of subordinated debt securities of the Company issued or issuable under and pursuant to the Indenture, dated as of May 8, 2019 (the “**Base Indenture**”), between the Company and Wilmington Trust, National Association, as Trustee (herein called the “**Trustee**,” which term includes any successor trustee), as supplemented and amended by the Second Supplemental Indenture between the Company and the Trustee, dated as of June 15, 2020 (the “**Second Supplemental Indenture**,” and the Base Indenture as supplemented and amended by the Second Supplemental Indenture, the “**Indenture**”), to which Indenture and any other indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, the Persons in whose names Notes are registered from time to time and of the terms upon which the Notes are, and are to be, authenticated and delivered. The terms, conditions and provisions of the Notes are those stated in the Indenture, those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (the “**Trust Indenture Act**”), and those set forth in this Note. To the extent that the terms, conditions and provisions of this Note modify, supplement or are inconsistent with those of the Indenture, then the terms, conditions and other provisions of this Note shall govern to the extent that such terms, conditions and other provisions of this Note are not inconsistent with the terms, conditions and provisions made part of the Indenture by the Trust Indenture Act.

All capitalized terms used in this Note and not defined herein that are defined in the Indenture shall have the meanings assigned to them in the Indenture. To the extent that any capitalized term used in this Note and defined herein is also defined in the Indenture but conflicts with the definition provided in the Indenture, the definition of the capitalized term in this Note shall control.

The indebtedness of the Company evidenced by the Notes, including the principal thereof, and premium, if any, and interest thereon, is, to the extent and in the manner set forth in the Indenture, subordinate and subject in right of payment to the prior payment in full of all Senior Indebtedness, whether outstanding at the date hereof or hereafter incurred, and on the terms and subject to the terms and conditions set forth in the Indenture, and shall rank *pari passu* in right of payment with all other Securities and other unsecured subordinated indebtedness of the Company which are not by their terms subordinate and subject in right of payment to the prior payment in full of debentures, notes, bonds or other evidences of indebtedness of types that include the Notes. Each Holder of this Note, by the acceptance hereof, agrees to and shall be bound by such provisions of the Indenture and authorizes and directs the Trustee on his behalf to take such actions as may be necessary or appropriate to effectuate the subordination so provided.

The Notes are intended to be treated as Tier 2 capital (or its then-equivalent if the Company were subject to such capital requirement) for purposes of capital adequacy guidelines of the Board of Governors of the Federal Reserve System (or any successor regulatory authority with jurisdiction over bank holding companies) (the “**Federal Reserve Board**”) as then in effect and applicable to the Company. If an Event of Default with respect to Notes shall occur and be continuing, the principal and interest owed on the Notes shall only become due and payable in accordance with the terms and conditions set forth in Sections 501(6) and (7) of the Base Indenture and Section 2.7 of the Second Supplemental Indenture. **Accordingly, the Holder of this Note has no right to accelerate the maturity of this Note in the event that the Company fails to pay interest on any of the Notes, or fails to perform any other obligations under the Notes or in the Indenture that are applicable to the Notes.**

The Company may, at its option, redeem the Notes, in whole or in part, on any Interest Payment Date on or after June 15, 2025. The Company may also, at its option, redeem the Notes before the Stated Maturity Date, in whole, but not in part, at any time, upon the occurrence of a Tier 2 Capital Event, a Tax Event or a 1940 Act Event. Any such redemption will be at a Redemption Price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to, but excluding, the Redemption Date fixed by the Company. No redemption of the Notes by the Company prior to the Stated Maturity Date shall be made without the prior approval of the Federal Reserve Board if such prior approval is or will be required at the scheduled Redemption Date. The provisions of Article Eleven of the Base Indenture and Article 3 of the Second Supplemental Indenture shall apply to the redemption of any Notes by the Company.

The Notes are not entitled to the benefit of any sinking fund. The Notes are not convertible into or exchangeable for any other securities or property of the Company or any Subsidiary of the Company.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Notes at any time by the Company and the Trustee with the consent of the Holders of at least a majority in principal amount of the Outstanding Notes, and in some limited instances prescribed therein, even without such consent. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Notes at the time Outstanding, on behalf of the Holders of all Notes, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon all Holders of this Note and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Security Register described in Section 305 of the Base Indenture, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in minimum denominations of \$2,000 and any integral multiples of \$1,000 in excess thereof.

The Company and the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

This Security is a global note, represented by one or more permanent global certificates registered in the name of the nominee of The Depository Trust Company (each a “Global Note” and collectively, the “Global Notes”). Accordingly, unless and until it is exchanged for individual certificates, this Note may not be transferred except as a whole by The Depository Trust Company (the “Depository”) to a nominee of such Depository or by a nominee of such Depository or by the Depository or any nominee to a successor Depository or any nominee of such successor. Ownership of beneficial interests in this Security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the applicable Depository or its nominee (with respect to interest of persons that have accounts with the Depository (“Participants”)) and the records of Participants (with respect to interests of persons other than Participants). Beneficial interests in the Notes owned by persons that hold through Participants will be evidenced only by, and transfers of such beneficial interests with such Participants will be effected only through, records maintained by such Participants. Except as provided below, owners of beneficial interests in this Note will not be entitled to have any individual certificates and will not be considered the owners or Holders thereof under the Indenture.

Except in the limited circumstances set forth in the Base Indenture, Participants and owners of beneficial interests in the Global Notes will not be entitled to receive Notes in the form of Individual Securities and will not be considered Holders of Notes. None of the Company, the Trustee, the Security Registrar, the Paying Agent or any of their respective agents will be liable for any delay by the Depository, its nominee or any direct or indirect Participant in identifying the beneficial owners of the related Notes. The Company, the Trustee, the Security Registrar, the Paying Agent and each of their respective agents may conclusively rely on, and will be protected in relying on, instructions from the Depository or its nominee for all purposes, including with respect to the registration and delivery, and the respective principal amounts, of the Notes to be issued.

Except as provided in Section 305 of the Base Indenture, beneficial owners of Global Notes will not be entitled to receive physical delivery of Notes in the form of Individual Securities, and no Global Note will be exchangeable except for another Global Note of like denomination and tenor to be registered in the name of the Depository or its nominee. Accordingly, each person owning a beneficial interest in a Global Note must rely on the procedures of the Depository and, if such person is not a Participant, on the procedures of the Participant through which such person owns its interest, to exercise any rights of a Holder under the Notes.

The laws of some jurisdictions may require that certain purchasers of securities take physical delivery of those securities in definitive form. Accordingly, the ability to transfer interests in the Notes represented by a Global Note to those persons may be limited. In addition, because the Depository can act only on behalf of its Participants, who in turn act on behalf of persons who hold interests through Participants, the ability of a person having an interest in the Notes represented by a Global Note to pledge or transfer such interest to persons or entities that do not participate in the Depository's system, or otherwise to take actions in respect of such interest, may be affected by the lack of a physical definitive security in respect of such interest. None of the Company, the Trustee, the Paying Agent and the Security Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of the Notes by the Depository, or for maintaining, supervising or reviewing any records of the Depository relating to the Notes.

The Trustee will act as the Company's Paying Agent with respect to the Notes through its Corporate Trust Office. The Company may at any time rescind the designation of a Paying Agent, appoint a successor Paying Agent, or approve a change in the office through which any Paying Agent acts.

Notices to the Holders of registered Notes in the form of individual Securities will be given to such Holders at their respective addresses in the Security Register, or in the case of Global Notes, electronic delivery in accordance with DTC's applicable procedures. The Indenture contains provisions setting forth certain conditions to the institution of proceedings by the Holders of the Notes with respect to the Indenture or for any remedy under the Indenture.

THIS NOTE SHALL BE DEEMED TO BE A CONTRACT MADE UNDER THE LAWS OF THE STATE OF NEW YORK.

Based upon the foregoing, and subject to the limitations, qualifications, exceptions and assumptions set forth herein, we are of the opinion that, when duly authenticated by the Trustee and issued and delivered in the manner provided in the Indenture against payment of the consideration therefor in accordance with the Underwriting Agreement, the Notes will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.

The only opinion rendered by us consists of those matters set forth in the immediately preceding paragraph, and no opinion may be implied or inferred beyond the opinion expressly stated. Our opinion expressed herein is as of the date hereof, and we undertake no obligation to advise you of any changes in applicable law or any other matters that may come to our attention after the date hereof that may affect our opinion expressed herein.
