**FOR IMMEDIATE RELEASE**

## **JEFFERIES TO HOST 2013 GLOBAL HEALTHCARE CONFERENCE IN NEW YORK**

NEW YORK, May 15, 2013 – Jefferies today announced that it will hold its industry-leading Global Healthcare Conference in New York City from June 3-6. The Jefferies Healthcare Conference is one of the largest gatherings of institutional investors, private equity investors, venture capitalists and healthcare industry executives. The conference will feature over 300 public and private companies spanning all areas of healthcare and will include high profile panelists and healthcare executives from across the globe.

The conference provides company management teams and investors the opportunity to connect through one-on-one and small group meetings and to attend marquee panel discussions on important topics in the healthcare industry.

For the latest agenda, please [click here](#).

"As one of the largest gatherings of companies and investors in the sector, our global healthcare conference reflects Jefferies' leading position in the sector and the strength of our relationships across the biotech, pharmaceutical, medical technologies and healthcare services sectors," commented Sage Kelly, Global Head of Healthcare Investment Banking at Jefferies. "This conference connects the sector's leading companies with the top investors in the space, and provides an excellent forum to discuss some of the most important issues facing the healthcare industry today."

For more information about the conference, please contact your Jefferies representative or email [healthcareconference@jefferies.com](mailto:healthcareconference@jefferies.com). You must be pre-registered in order to attend the conference.
