**FOR IMMEDIATE RELEASE**

## **JEFFERIES TO HOST 2014 GLOBAL HEALTHCARE CONFERENCE IN NEW YORK**

NEW YORK, May 20, 2014 – Jefferies today announced that it will host its 2014 Global Healthcare Conference June 2-5 in New York.

The four-day industry event will be comprised of company presentations, Q&A breakout sessions, keynote speeches and thematic panels from a range of public & private healthcare companies across the biopharmaceuticals, life sciences, healthcare services, healthcare IT and medical technology sectors. Company management teams and investors will also have the opportunity to participate in one-on-one and small group meetings. The global gathering of leading company executives, as well as institutional, private equity and venture capital investors, will address near- and long-term investment themes and opportunities, as well as discuss current drivers of the healthcare sector in the U.S. and internationally.

Sage Kelly, Global Head of Healthcare Investment Banking at Jefferies, commented, “As one of the largest global events dedicated to the sector, Jefferies’ global healthcare conference provides institutional investors with a venue to identify new opportunities and themes across the broader healthcare sector, and at the same time provides corporate management teams with a forum to interact with new strategic financial partners and shareholders. This conference confirms Jefferies’ commitment to this important and dynamic industry and to creating valuable insights and other opportunities for our clients around the world.”
