**JEFFERIES TO HOST 10<sup>th</sup> ANNUAL TECHNOLOGY CONFERENCE IN MIAMI**

NEW YORK May 4, 2016 – Jefferies today announced that it will host its 10<sup>th</sup> Annual Technology Conference May 11-12, 2016 in Miami, FL.

The Jefferies 10<sup>th</sup> Annual Technology Conference is comprised of company presentations, keynote speakers, thematic panel discussions and investor meetings, and will feature an extensive range of companies across the Software, Hardware, Communications Technology, Payments, Processors & IT Services, Internet & Interactive Entertainment, Semiconductors & Telecommunications sectors.

The global gathering of key industry participants, including 130 presenting companies, will address trends and developments within the broader Technology sector.

"As one of the largest gatherings of companies and investors in the sector, our global conference reflects Jefferies' commitment to and the strength of our relationships across the entire technology sector," commented Phil Berkowitz and Dominic Lester, Global Joint Heads of Technology Investment Banking at Jefferies. "This conference connects the sector's established and up-and-coming companies with key and relevant institutional investors, and provides an excellent forum to discuss some of the most important issues facing the technology industry today."

Key thematic panels, comprised of notable and senior industry and corporate leaders, will address timely sector topics including security, advertising technology, shortening development cycles, as well as innovative and targeted business models.
