JEFFERIES TO HOST TECHNOLOGY CONFERENCE MAY 9-10 IN MIAMI

NEW YORK, May 8, 2017 – Jefferies today announced that it will host the Jefferies Technology Conference May 9-10 in Miami, Florida.

The conference is comprised of company presentations, keynote speakers, thematic panels and investor meetings, and will feature an extensive range of companies across the Software, Internet, IT Services, Data Networking, Interactive Entertainment, IT Hardware and Semiconductor sectors.

This comprehensive gathering of key industry participants, including approximately 125 presenting companies and more than 500 institutional investors, will address significant trends and developments within the global Technology sector. The global conference reflects Jefferies' longstanding commitment to and strength of its Technology franchise, and provides an ideal forum for discussion on some of the most relevant and important issues facing the industry today.

For further information about the Jefferies Technology Conference, including the agenda, attending companies and how to register, please contact your Jefferies representative or email technologyconference@jefferies.com. You must be pre-registered in order to attend the conference.

As part of the firm's commitment to the technology sector, Jefferies has more than 80 technology-focused investment bankers in San Francisco, New York, London, Mumbai and Hong Kong. Additionally, Jefferies has 23 senior technology equity research analysts covering approximately 300 technology companies globally.

Jefferies, the world's only independent full-service global investment banking firm focused on serving clients for over 50 years, is a leader in providing insight, expertise and execution to investors, companies and governments. Our firm provides a full range of investment banking, sales, trading, research and strategy across the spectrum of equities, fixed income and foreign exchange, as well as wealth management, in the Americas, Europe and Asia. Jefferies Group LLC is a wholly-owned subsidiary of Leucadia National Corporation (NYSE: LUK), a diversified holding company.
