FOR IMMEDIATE RELEASE

JEFFERIES TO HOST 2019 GLOBAL INDUSTRIALS CONFERENCE

NEW YORK, August 6, 2019 – Jefferies today announced that it will host its annual Global Industrials Conference August 6-8 in New York City.

The conference will feature an extensive range of public and private industrials companies across multiple industrial sectors, including the Automotive, Building Products & Materials, Chemicals, Clean Technology, Distribution, Diversified Industrials, Engineering & Construction, Industrial Technology, Machinery, Mining, Oil & Gas Services, Paper & Packaging, Steel, Metals & Materials and Transportation sectors.

The three-day conference will be comprised of company presentations, fireside chats, keynote presentations and thematic panel discussions. Company management teams and investors will also have the opportunity to participate in 1x1 and small group meetings.

This comprehensive gathering of key industry participants, including nearly 200 participating companies and 1,400 attendees, will address significant trends and developments within the global industrials sector. This global industry event reflects Jefferies' longstanding commitment to and strength of the firm's Industrials business and provides an ideal forum for discussion on some of the most relevant and important issues facing the industry today.
