## **Notice Regarding Forward Looking Statements**

This news release may constitute forward-looking statements for purposes of the Securities Act of 1933, as amended, and the Securities Exchange Act of 1934, as amended, and as such may involve known and unknown risk, uncertainties and other factors which may cause the actual results of ENB to be materially different from future results expressed or implied by such forward-looking statements. These forward-looking statements can be identified by use of terminology such as “expect”, “plan”, “anticipate”, “believe”, “estimate”, and similar words that are intended to identify such forward-looking statements. These forward-looking statements are based on management’s current expectations, assumptions, estimates, and projections about the Corporation, the financial services industry, and the economy. The Private Securities Reform Act of 1995 provides safe harbor in the event the projected future operations are not met. There are a number of future factors such as changes in fiscal or monetary policy, or changes in the economic climate that will influence ENB’s future operations. These factors are difficult to predict with regard to how likely and to what degree or significance that they would occur. Actual results may differ materially from what may have been forecasted in the forward-looking statements. We are not obligated to publicly update any forward-looking statements to reflect the effects of subsequent events.
